SECTION-II
TECHNICAL SPECIFICATION/SCOPE OF WORK

1. GENERAL DESCRIPTION

- 1) Mechanical Maintenance Section(MMS)/Baina, MPA intends to obtain quotation for "Dismantling/ assessment/ servicing/ repairing/ overhauling /refitting /testing & commissioning of 3nos. hydraulic directional control valves on Maniar make hydraulic elevated platform (model-EP-15 Mtr) installed on TATA make & model no.909 pick up.
- 2) The above hydraulic elevated platform (Model-EP-15 Mtr) was procured from M/s.Maniar & Co. Ahmedabad in the year 2010 and is used to carry out day to day maintenance / repairs of electrical works in and around the Port.
- 3) The hydraulic elevated platform is more than 12 years old, recently, during routine maintenance of the hydraulic line assembly system, it is noticed that there was a heavy hydraulic oil leakages from the directional control valves of hoist/lower, slewing and out riggers during operations. Hence, all these directional hydraulic control valves.(2 way, 4 way and 5 way valves) of the hydraulic system needs servicing/repairing/ overhauling.
- 4) The detailed drawings of the hydraulic line and elevated platform assembly is enclosed at **Appendix-I** and photos of the hydraulic elevated platform along with control valves enclosed at **Appendix-II**.
- 5) The contractor should visit MMS section Baina to assess/inspection of the conditions of hydraulic line system before quoting to gauge the quantum of work involved. The assessment / inspections of the system shall be carried out at MMS/Baina, MPA.
- 6) The rates quoted at **PRICE SCHEDULE (BILL OF QUANTITIES – BOQ)** shall be inclusive of dismantling of the three (3) hydraulic directional control valves, servicing/repairing /overhauling/refitting / testing & commissioning of these hydraulic control valves on Maniar make hydraulic elevated platform (model-EP-15 Mtr) installed on TATA make & model no.909.
- 7) The contractor should quote the rate by taking into consideration all expenses till the successful commissioning and trials of the hydraulic line system of hydraulic elevated platform (model-EP-15 Mtr).

2. COMPLETION PERIOD:

The entire work shall be completed within one week (07 days) from the date of issue of LOA.

3. **GUARANTEE PERIOD:**

The hydraulic line system shall be guaranteed for 12 months for trouble free operations from the date of successful commissioning and handing over to the Port. If any defect is observed during the guarantee period, the same shall be repaired /overhauled/rectified by the Contractor, free of cost under guarantee obligations.

4. **PAYMENT TERMS:**

- 1) 90% Payment will be released on completion of work, successful commissioning of the hydraulic system of elevated platform and handing over to the Port.
- 2) Balance 10% shall be retained from billed amount as Security Deposit for a period of 12 months to fulfil the guarantee obligations.
- 3) On completion of 12 months guarantee period the security deposit will be released.
- 4) The payment will be released within 30 days for final bills from the date of receipt of undisputed bills in duplicate.

5. **BANK DETAILS:**

The contractor shall furnish their bank account details for the payment through ECS as per **Annexure-I** along with the submitted Bill for payment.

6. **MINIMUM ELIGIBILITY CRITERIA:**

Experience of having successfully completed a similar work during the last 7 years ending last day of month previous to the one in which quotations are invited. In support of this, a Work Order and satisfactory work completion certificate issued by client shall be submitted.

Similar works means "Repair works of hydraulic system".

7. **BID VALIDITY:**

The Bid validity shall be 120 days from the due date of submission of the quotation.

8. **PRICE:**

The evaluation shall be on the basic price (Total as per Price schedule / BOQ) and shall be considered lowest among all bidders. The rates offered shall be exclusive of GST. If any new tax imposed by the State/Central Govt., same shall be reimbursed by producing documentary proof.

9. ALTERATIONS / COUNTER CONDITIONS:

The Bid shall contain no alterations/additions, except those to comply with instructions issued by Port. The Bid with any counter conditions will be summarily rejected.

10. OTHER TERMS AND CONDITIONS:

- 10.1 The Bidders are advised to visit the site and get acquainted regarding the nature of the work involved at site conditions before quoting the rate.
- 10.2 Quotations shall be in a sealed cover (single cover) from experienced firms duly superscribed as QUOTATION FOR "Dismantling/ assessment/ servicing/ repairing/ overhauling/ refitting/testing & commissioning of 3nos. hydraulic directional control valves fitted on Maniar make hydraulic elevated platform (model-EP-15 Mtr) on TATA make & model no.909 pick up"
- 10.3 The technical specification at Section-I and Price Schedule (Bill of Quantities) at Section-II to be read in conjunction to ensure the actual repair works involved.
