CIRCULAR

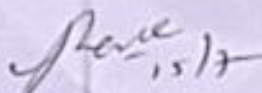

**Sub.: - Allowing spouses of the demised Port employees
to stay in the Port Residential quarters occupied by
them till date of Superannuation.**

As per MPE (Allotment of Residences), Regulation, 1987, the spouses/dependents of the deceased Port employees are permitted to overstay in the Port residential quarters occupied by them upto period of 2 years if the deceased or his/her dependent does not own a house at the last station on payment of normal licence fee.

It has been observed that many a times, the spouses of the deceased employees are requesting to allow to occupy the same quarter beyond two year period citing reasons such as education of children, housing, health, etc. as it becomes difficult for them on account of financial/social condition to shift their residences after sudden demise of the deceased employees who had rendered valuable service to the Port during the course of his/her work.

In order to alleviate their problems, Board vide Resolution No. 119 of 29/05/2019 has approved permission for accommodation at normal licence fee to the spouses of the deceased employees in the same quarters till such date, the deceased employees would have superannuated.

This is issued with the approval of the Dy.Chairman.
