MORMUGAO PORT TRUST**

SECTION – I

INSTRUCTION TO TENERERS (ITT)

- 1.1 Tenders are invited on behalf of Mormugao Port Trust (MPT), from reputed Railway Signalling Contractor fulfilling the Minimum Eligibility Criteria (MEC) as detailed at clause 1.5.1 of the tender document for the work of “**ANNUAL MAINTENANCE SERVICE CONTRACT (AMC) OF RAILWAY SIGNALLING AND TELECOMMUNICATION SYSTEM**”.
- 1.2 The Complete Tender document may be downloaded from the Port’s web site www.mptgoa.com. Such down loaded documents shall be considered valid for participating in the Tendering process. However, the cost of Tender Document shall be payable by separate DD along with Earnest Money Deposit (in the form of DD) and shall be submitted in separate covers, in Cover-I (Technical Bid). Bidder is required to submit their tender offer in the form of Two cover system on or before due date (Refer NIT). The tender received after the due date and time will not be entertained. The time of opening of technical bid is as indicated at NIT.
- 1.3 The Notice Inviting Tenders (NIT) issued by MPT forms part of the Tendering Documents.
- 1.4 The Bidder shall make his all out efforts to ensure the correctness of Documents available on the Web site. MPT is not responsible for the completeness or correctness of the Tendering Documents and their addendum, if they were not obtained directly from MPT.
- 1.5 The Bidder is expected to examine all instructions, forms, terms, and specifications in the Tendering Documents. Failure to furnish all information or documentation required by the Tendering Documents may result in the rejection of the Tender.
- 1.5.1. MINIMUM ELIGIBILITY CRITERIA (MEC)**
- i) The **Average Annual Financial Turnover** during the last Three (3) years ending 31st March 2015 should be at least **INR Rs. 7,84,000/-**. The Auditor’s report for the last three years endorsed by Chartered Accountant shall be submitted in original for the year 2012-13, 2013-14 and 2014-15) as per Appendix -II , including relevant profit and loss statements and balance sheets.

- ii) The Tenderer should have experience in 'Similar Works during last 7 years ending last day of month previous to the one in which tenders invited should be either of the following:-
- a) **One** similar completed work of contract value not less than **Rs. 21,00,000/-**;
(OR)
 - b) **Two** similar completed works of contract value not less than **Rs. 13,06,800/-** each
(OR)
 - c) **Three** similar completed works of contract value not less than **Rs. 10,45,440/-** each

'SIMILAR' Works – means “ **“Supply, Installation, testing and commissioning or operation and Maintenance or maintenance of Railway Signalling System”**”.

Note: The Tenderers shall enclose the copy of Annual Financial Turnover for last 3 years (Auditors report in original certified by CA including relevant P/L a/c and balance sheet) , work order copies for similar works, successful completion certificates with performance from clients indicating the date of completion, value of work done.

1.6 LAST DATE FOR SUBMISSION OF TENDER

Tender Document can be submitted only in the designated two cover system as per NIT.

MPT may at its sole discretion reserves the right to extend the date for receipt of tender. Tenders received after the aforesaid time and date or the extended time and date, if any, shall be returned unopened to the Bidder. Bidders to note that MPT shall not be responsible for late receipt of any offer due to postal delays or any other delay for whatsoever reasons.

1.7. BIDDER TO INFORM HIMSELF FULLY

- a. The Bidder is expected to examine carefully the contents of the tender document like Instructions to the Bidders, General Conditions, Special Conditions, Scope of work, Technical Specification etc. Failure to comply with the requirements of the tender will be at the Bidder's own risk. It would be deemed prior to the submission of the tender that the Bidder has made a complete and careful examination of requirements and other information set out in the tender document.
- b. The Bidder is advised to get acquainted himself with the job involved at the site, like availability of labour, means of transport, communication facilities, laws and bye laws in force from Government of Goa and Govt. of India and any other Statutory bodies as well as MPT regulation for the issue of passes and collect all information that may be

necessary for preparing and submitting the tender and entering into Contract with MPT.

- c. Bidder shall bear all costs associated with the preparation and submission of his tender and MPT will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the tendering process.

1.8. EARNEST MONEY DEPOSIT (EMD)

- a. The Bidder shall furnish as part of its Tender, an EMD of Rs 39,200 /- Tender without EMD shall be treated invalid. The E.M.D. shall be submitted in the form of Demand draft drawn in favour of FA & CAO, Mormugao Port Trust, VASCO, from any Nationalised/Scheduled Bank, having its branch at VASCO.
- b. In the event of Bidder withdrawing his tender before the expiry of tender validity period of 180 days from the date of opening of technical bid, the tender submitted by the Bidder shall be cancelled and EMD shall be forfeited.
- c. The Earnest Money Deposit of unsuccessful Bidders shall be returned on award of Contract to the successful Bidder. No interest shall be payable on the amount of E.M.D in any case. The Earnest Money Deposit of the successful Bidder shall be refunded only on receipt of Security Deposit as stipulated in the tender.
- d. MPT reserves the right to forfeit the Earnest Money Deposit in respect of successful Bidder, if he fails to furnish the necessary Security Deposit towards performance within 30 days and enter into a Contract within 45 days from the date of receipt of Letter of Acceptance (LOA).
- e. The EMD (DD) shall be submitted along with the Cover-I of the offer.
- f. The Tenderer is required to furnish an advance stamped receipt towards refund of EMD as at Appendix.

1.9. MPT'S RIGHT TO ANNUL THE BIDDING PROCESS

- a. Notwithstanding anything contained in this tender document, MPT reserves the right to annul the bidding process at any time without any liability or any obligation for such annulment, without assigning any reason.
- b. MPT reserves the right to invite revised Techno-commercial bids with or without amendment of the tender document at any stage, without liability or any obligation for such invitation and without assigning any reason.

- c. MPT reserves the right to reject any Tender if at any time, a material misrepresentation is made or uncovered OR the Bidder does not respond promptly and thoroughly to requests for supplemental information required for the evaluation of the tender.

1.10. TENDER VALIDITY

The tender shall remain valid for acceptance for a period of 180 days from the date fixed for opening of Technical Bid. MPT reserves their right to extend the period of validity for a specific time. The request and the response, there to, shall be made in writing by post or by Fax/E-mail. However, in the event of the Bidder agreeing to the request, he shall not be permitted to modify his tender. In the event of the Bidder is agreeing to the extension, the Bidder shall correspondingly extend the validity of the tender suitably against this Tender. In case Bidders do not agree to extend the validity of their offer beyond the validity period, EMD of such Bidders shall be refunded after award of the contract.

1.11. AUTHORITY IN SIGNING TENDER DOCUMENTS

- The Price Bid to be submitted shall be signed by a person or persons duly authorized to sign on behalf of the Bidders.
- In case of tender document being downloaded from the web site, at the time of submission of the tender document, the Bidder shall give an undertaking that no changes have been made in the document as per declaration form as per Appendix-VIII. He shall be issued a printed set of the Document under acknowledgement with a condition that the printed version of the Port Tender document will be treated as the authentic tender and if any discrepancy is noticed at any stage between the Port's tender document and the one submitted by the Bidder, the conditions mentioned in the Port's printed document shall prevail. Besides the Bidder shall be liable for legal action for the lapses.
- The tender, if submitted on behalf of principals or a Partnership Firm should be signed either by all the partners or some of the partners or other person/s holding a valid "Power of Attorney" from other partners or all the partners constituting the firm or the Principals as the case may be.
- In the event, the tender is signed by some of the partners or other persons or the Agents, the Tender should be accompanied by a valid Power of Attorney duly executed by partners/Principals specifying that the partners or person/s or Agents signing the tender has the authority to bind them or the firm as the case may be, in all matters pertaining to the tender.

- In case of a Company, the tender should be signed by a person holding a valid Power of Attorney executed in his favour in accordance with the constitution of the Company.

1.12. AMENDMENTS

- a. At any time, prior to the last date for submission of tenders, MPT reserves the right to amend and modify the tender document. The amendments so carried out shall be forwarded to all the prospective Bidders prior to the last date for submission of the tender in writing either by post or e-mail including displaying the said amendment on MPT web site. The prospective Bidders shall immediately acknowledge receipt thereof either by post or mail (scanned copy with seal & sign) followed by hard copy.
- b. The amendment so carried out shall form part of the tender and shall be binding upon the Bidders. MPT may at their discretion, extend the last date for submission of the tender, to enable the Bidders to have reasonable time to submit their tender after taking into consideration such amendments.

1.13. TEST OF RESPONSIVENESS

The tender document issued by the Port, duly filling in all the blank spaces and duly signed on all pages with the official stamp shall be enclosed in the first cover which shall be sealed and superscribed "**ANNUAL MAINTENANCE SERVICE CONTRACT (AMC) OF RAILWAY SIGNALLING AND TELECOMMUNICATION SYSTEM** – Cover I", and bear on the bottom left corner, the name and full address of the Bidder with his official stamp. The Bidder should ensure that the Schedule of Prices (Price Bid) is not enclosed in Cover No.1.

(i) Prior to evaluation of Applications, the Authority shall determine whether each Application is responsive to the requirements of the tender. An application shall be considered responsive only if:

- a. It is received by the Application Due date including any extension thereof;
- b. All pages of the tender document signed, sealed, bound together in the hard copy of the Tender document;
- c. The cost of the tender of Rs 2000/- and the Earnest Money Deposit of Rs 39,200/- in the form of DD from nationalized/ scheduled bank shall be enclosed.
- d. The Auditor's report for the last three years endorsed by Chartered Accountant shall be submitted in original for the year 2012-13, 2013-14 and 2014-15) as per Appendix, alongwith relevant profit and loss statements and balance sheets.

- e. Copies of work order for similar works, successful completion certificate with performance and value of work done as per the MEC.
- f. It is accompanied by the Power of Attorney, as per Appendix.
- g. All the forms to be filled with sign and seal;
- h. The bank details like name of bank, bank branch, type of account, bank Account no., MICR code, etc as per Appendix.
- ii) The bidder should possess a valid Service tax Registration Certificate, PAN, VAT, EPF registration and ESI registration number.
- iii) The Bidder should not be black listed by any Government or Non Government Organization as per Appendix.

The Schedule of Prices (**Price Bid**) i.e section V page no. 41 and 42 duly filled in with the rates shall be enclosed in the second cover (Cover 2) which shall also be similarly sealed and superscribed "**ANNUAL MAINTENANCE SERVICE CONTRACT (AMC) OF RAILWAY SIGNALLING AND TELECOMMUNICATION SYSTEM** – Cover-II" and bear on the bottom left corner the name and address of the Bidder with his official stamp.

The Bidder should ensure that the Schedule of Prices (Price Bid) is not enclosed in Cover No.1. Any indication of 'Quoted price' in the technical bid documents shall be lead to rejection of the bid outright.

The Port Trust reserves the right to reject any tender which in its opinion is non-responsive and no request for alteration, modification, substitution or withdrawal shall be entertained by the Port Trust in respect of such Tenders.

1.14. ERRORS IN THE TENDER DOCUMENT

- a. Provided that a Tender is substantially responsive, the Port may waive any non-conformities or omissions in the Tender that do not constitute a material deviation.
- b. Provided that a Tender is substantially responsive, the Port may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the Tender related to documentation requirements. Such omission shall not be related to any aspect of the price of the Tender. Failure of the Bidder to comply with the request may result in the rejection of its Tender.
- c. Provided that the Tender is substantially responsive, the Port shall correct arithmetical errors on the following basis:

- (i.) If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Port there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
 - (ii.) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals or arithmetically corrected sub totals shall prevail and the total shall be corrected; and
 - (iii.) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.
- d. If the Bidder that submitted the lowest evaluated Tender does not accept the correction of arithmetical errors, its Tender shall be rejected.

1.15. OTHER EXPENSES

All costs charges and expenses including any duty in connection with the Contract as well as preparations and completions of Agreement by MPT's attorneys shall be borne and payable by the Bidder. Bidder shall ascertain the taxes and duties to be paid on his own before the submission of the bid. All taxes & duties, to be paid to Govt. of India, Govt. of Goa or any statutory bodies shall be paid by the Contractor for stamp duty.

1.16. CONTRACT WORKS AND CONTRACT PRICE

- a. The work to be carried out (hereinafter referred to as "the Contract Works") and the Price for the same (hereinafter called "the Contract Price") shall include the work described in the specifications, schedules, drawings, etc. annexed hereto.
- b. Except where otherwise expressly provided, the Contractor shall provide all materials, labour and Plant and things necessary in connection with the Contract work although everything may not be fully specified and although there may be errors and omissions in the specifications.
- c. **SCHEDULE OF PRICE**
 - The Schedule of price shall be read in conjunction with all other sections of bidding

document. The Schedule of Price bid shall be submitted signed by a person or persons duly authorized to sign on behalf of bidders consists of all the works mentioned in the scope of works and Technical Specifications.

- The total prices will be evaluated based on capital cost and NPV (Net Present Value) of Annual Maintenance Cost.
 - The price offered should be firm and inclusive of all taxes & duties with WCT and Service Tax extra as applicable.
- d. Bidder shall quote for the work after careful analysis of cost involved for the performance of the works as per Scope of Work, Scope of Supply, Specifications, Standards, Drawings, General Conditions of Contract and Special Condition of Contract.
- e. The Price shall include all expenditure incurred towards mobilization and demobilization.
- f. Price shall be quoted in Indian Rupees only.

1.17 LANGUAGE OF TENDER

The Tender submitted by the Bidder and all correspondence and documents relating to the Tender exchanged by the Bidder and MPT shall be written in the English language.

1.18 PRE-BID CONFERENCE

MPT shall hold a pre-bid meeting, in order to clarify and discuss issues with respect to the tender vis-à-vis terms and conditions or any other related issues. The meeting shall be held at Superintending Engineer (W) cabin, Power House, mechanical workshop Baina as per NIT. Bidders are advised to forward their queries to the Chief Mechanical Engineer, MPT, on or before the scheduled date of the pre-bid meeting. If there are any further queries after Pre-Bid Conference, the same shall be submitted within the due date which will be indicated during Pre-Bid meeting. No queries will be entertained after this due date. The queries received from all the prospective Bidders would be consolidated and Port's clarification to the same would be uploaded on the website. The clarifications so issued would form part of the tender and remain binding on all the Bidders which shall be accepted and submitted by all the Bidders along with their offer.

1.19 TENDER OPENING, SCRUTINY AND EVALUATION OF TECHNICAL BID

The first cover (Cover 1) of the offer shall contain all the documents listed under 'Test of

Responsiveness' Clause no. 1.13 based on which the Bidders will be shortlisted.

A Tender that is substantially responsive is that which conforms to the preceding requirements without material deviation or reservation. A material deviation or reservation is one (1) which affects in any substantial way, the scope, quality, or performance of the Bidder, or (2) which limits in any substantial way, inconsistent with the Tender document, or (3) whose rectification would affect unfairly the competitive position of other Qualified Applicant presenting substantially responsive bids.

Since the tender involves selection based on Minimum eligibility criteria, test of responsiveness and technical specification, the Chief Mechanical Engineer will examine and seek clarification if any and list out the firms, which are found responsive and Cover – II (Price Bid) of such tenders only will be opened and EMD will be returned to the unresponsive Bidders.

The date and time will be intimated to Bidders whose offers are found suitable and Cover – II of such Bidders will be opened.

The Fax/E-Mail offers will be treated as defective, invalid and rejected. Only detailed complete offers received prior to closing time and date of the tenders will be taken as valid.

After the tender opening, the whole process involving scrutiny, clarifications, evaluation and comparison of tenders and recommendations regarding award of Contract shall be confidential. Any efforts on part of any Bidder to influence the Port Trust in any way in the process of scrutiny, evaluation, comparison of tenders and decision concerning award of Contract may result in rejection of the Bidder's bid.

To assess the scrutiny, evaluation and comparison of tenders, the Port Trust may ask Bidder individually for clarifications. Request for clarification and response thereto, shall be in writing or through e mail followed by post or through speed post. No change in Price or substance of the tender shall be sought, offered or permitted nor is the Bidder permitted to withdraw the tender before the expiry of the validity period of the tenders in the process of clarifications.

1.20 OPENING OF PRICE BID

COVER – II DETAILS: BID (BOQ) - PRICE SCHEDULE

The date of opening of the Price cover will be intimated to the bidder who will qualify for technical cover. Price should be quoted in "Price Schedule" (as per BOQ).

1.21 EVALUATION OF PRICE BID

- a. The price quoted by the bidder shall be kept firm during the contract period. All taxes, duties and insurance shall be included in the quoted price, except the Service tax which shall be paid extra as applicable.
- b. MPT will evaluate and compare only those bids, which are substantially responsive.
- c. The price quoted by the Bidder shall be considered for the purpose of evaluation and comparison.
- d. In arriving at the final evaluated prices of the Tenders, any uncalled for lumpsum/percentage/or adhoc reduction, if any, offered by the Bidders, in the Schedule of Price shall be considered for the purpose of evaluation. However, if such reduction/rebate is from the recommended Bidder, then such rebate shall be taken into account while awarding the work.
- e. In arriving at the final evaluated prices of the bidders, evaluation of offer will be based on the lowest price quoted amongst the main price and alternate offer submitted by them, if any.

1.22 MPT'S RIGHT TO ACCEPT OR REJECT A BID

MPT reserves the right to accept a Bid other than the lowest and to accept or reject any Bid in whole or part, to annul the bidding process or to reject all Bids with or without notice or reasons. Such decisions by MPT shall bear no liability whatsoever consequent upon such decisions.

1.23 AWARD OF CONTRACT

The Bidder, whose Bid is accepted by MPT shall be issued Letter of Acceptance (LOA) prior to expiry of Bid validity. Bidder shall confirm acceptance by returning a signed copy of the LOA. MPT shall not be obliged to furnish any information/clarification/ explanation to the Contractors as regards non-acceptance of their Bid.

**CHIEF MECHANICAL ENGINEER
MORMUGAO PORT TRUST**

SECTION - II
TECHNICAL SPECIFICATION
SCOPE OF WORK

a) Contractor scope

1. The contractor shall be entirely responsible for maintaining the Port's Railway Signalling and Telecommunication System and ensure it to be working at all times.
2. The contractor shall deploy minimum two persons per shift and one reliever including on Sundays and holidays for round the clock maintenance of the Railway Signalling and Telecommunication System. These persons should be available at the work spot at all times to monitor the condition and to attend to breakdowns and other routine maintenance works.

Manning pattern:

Sr. no.	Trade	Qty
1.	Technician	3
2.	Asst. Technician	4

3. The deployed persons should have foll. experience in railway signalling and telecommunication installation and maintenance.
 - Technicians ---- 3 years or more
 - Asst. Technicians ---- 2 years or more
4. The contractor or his authorized representative of higher capacity who can take decision on the spot shall be available at the work place during office hours and should take decisions on the spot in all matters reported to him by the Engineer and should also inform MPT personnel (incharge). He should also be available on mobile during remaining hours of the day for taking decision in case of any eventuality.
5. Signaling maintenance and failure registers are to be maintained by contractor periodically. The daily reports of same are to be submitted to MPT Engineer daily.
6. Regular inspection of point machines, Verification of Track Locking, Track circuit continuity and proper bonding, Track Gauge, condition of stretcher bar bolts, connecting rod bolts etc, is to be done and the same is to be maintained to required standards.
7. Regular inspection of track circuit chargers, Batteries etc is to be done. Track potential to be maintained properly and proper functioning (pick up/drop) of Track relay is to be ensured.
8. Proper functioning of all indications and selector switches at the Panel Room is to be ensured.
9. All safety related interlocking to be checked and properly maintained.
10. All the battery chargers and batteries are to be monitored regularly and topping up of

- distilled water in batteries is to be done as and when required.
11. Meggering of Cables is to be done, the records to be maintained and submitted. If Low Insulation value is found, it must be brought to the notice of concerned MPT officials for immediate rectification.
 12. Vegetative growth around the location boxes, battery boxes, point machines, track load junction boxes, etc shall be periodically cleared and the space around the installation shall be kept clean at all times.
 13. Any other Signalling maintenance work necessary for smooth operation of panel and points, will have to be done by the contractor.
 14. Joint inspections of the Motorised points, and carrying out of 'Obstruction test' for normal and reverse along with the Port's engineer must be done periodically with prior intimation and the same should be recorded in a 'Joint Inspection Register'. the Joint inspection shall be carried out as specified in the record.
 15. Relay Room must be provided with double key lock system, and one of the key must be kept under the custody of Panel Master on duty, and whenever required Technician may collect the key after making proper entries in the available register.
 16. In case of failure reported which involves other Departments written intimation may be given and if required joint test may be conducted to rectify the same.
 17. Addition and alternations to the existing installations and circuits to be recorded and report the same to the higher authorities.
 18. Cleaning of roundels and lamp lenses and check the visibility of signal periodically.
 19. Earth may be tested annually by means of Earth Tester and same must be exhibit on the location boxes and relay room walls. (Ordinary Earth less than 10 ohms and Chemical Earth less than 1 ohms to be maintained.)
 20. Ensure the availability of correct rating fuses for all the circuits inside relay room, power panel and location boxes.
 21. Crank handle must be interlocked with circuits and kept sealed inside the glass front boxes and ensure the counter after every release and make entries in available registers.
 22. Proper identification card / Muster sheets for the staff those who are working in the yard must be issued and whenever asked to be produced.
 23. Oiling and lubrication of points to be done once in a month.
 24. Power supply failures or fluctuations are required to be given immediate attention.
 25. Signaling Equipment which requires painting should be painted by the contractor based on the joint inspection report. Paint will be supplied by Port.
 26. For carrying out any maintenance/repairs of rail track, point machine, rails etc. the required tools and tackles such as drilling machines, drill bits, spanners etc. shall be arranged by the contractor.

27. For monitoring of all Parameters as specified in the scope of work above, following records are to be maintained by successful contractor

Sr no	Register	Periodicity
1.	Consent Memo Register	
2.	Daily maintenance register	Daily
3.	Generator testing register	Twice in a week
4.	Shunt signal register	weekly
5.	Track locking/Testing register	Twice in a month
6.	Control batteries Internal & External testing register	weekly
7.	Track circuit register	weekly
8.	Point machine testing register	Twice in a month
9.	Joint inspection register	Quarterly

- b) MPT will supply following consumable:

- Diesel for generators
- Oil and lubricants
- Relays and Batteries
- Track bond pin, Bond wires
- Block joint for track circuit
- Battery Charger.
- Above mention registers
- Wires, Cables and other probable spares require for maintenance of railway signaling system

SECTION - III

GENERAL CONDITIONS OF CONTRACT (GCC)

3.1 DEFINITION AND INTERPRETATIONS

In the Contract, as hereinafter defined, the following words and expressions shall have the meanings hereby assigned to them except where the context otherwise requires:

- a. "MPT" or "Port" or "Port Trust", means the "Board of Trustees of MORMUGAO PORT TRUST" or their successors and assigns, acting through its Chairman or any other officer so nominated by the Board.
- b. "Engineer" means the Chief Mechanical Engineer (CME) of the Mormugao Port Trust or the officer authorized by him to act for and on his behalf.
- c. Engineer-in-Charge: Officer appointed by Engineer to be in charge of the execution of work.
- d. "Contractor" means the natural person, private or Government entity, or a combination of the above, whose Tender to perform the Contract has been accepted by the Port and is named as such in the Contract Agreement or his representative who is duly authorized to deal with the contract.
- e. "Sub Contractor" means any natural person, private or government entity, or a combination of the above, to whom any part of the goods to be supplied or execution of any part of related services is subcontracted by the Contractor under intimation to the Port.
- f. "Contract" means and includes Tender Documents, Instructions to Bidders, General Conditions of Contract, Special Conditions, if any, drawings, specifications, Price Schedule and Schedules etc., any amendments/clarifications thereto, Letter of Acceptance (LOA) and the Contract Agreement entered into between MPT and the Contractor.
- g. "Contract Documents" means the documents listed in the Contract Agreement, including any amendments there to.

- h. "Contract Price" means the price payable to the Contractor as specified in the Contract Agreement, subject to such additions and adjustments thereto or deduction there from, as may be made pursuant to the Contract.
- i. "Specification" means the specification referred to in the Tender document and any modification thereof or addition thereto as may from time to time be furnished or approved in writing by the Port.
- j. "Site" means the land and other places on, under, in, or through which the work is to be executed or carried out and any other lands or places provided by the Board for the purpose of the Contract together with such other places as may be specifically designated in the Contract as forming part of the site.
- k. "Works" means the works to be executed in with the Contract.
- l "Approved/Approval" means the approval in writing.
- m. "Engineer-In-Charge" means any Officer authorised by Chief Mechanical Engineer for the work.
- n. "Drawings" means the drawings referred to in the Specification and any modification of such drawings approved in writing by the Engineer- In – Charge and such other drawings as may from time to time be furnished or approved in writing by the Engineer-In- Charge.
- o. "Tests on completion" shall mean such tests as are prescribed by the applicable Design Standards (latest editions), codes and described in the tender document, to be made by the Contractor before the equipment/items are supplied, delivered and taken over by the Port.
- p. "Writing" shall include any manuscript, typewritten or printed statement under or over signature and seal as the case may be.

- q. "Month" means calendar month.
- r. "Day" means calendar day.
- s. "Letter of Acceptance (LOA)" means the formal acceptance, made by or on behalf of the Port, of the tender including any adjustments or variation to the tender agreed between the Port and the Contractor.
- t. "Foreign currency" means the currency other than Indian Currency.
- u. "Commissioning of Equipment" has the meaning assigned in the tender document.
- v. "Tender" means the offer of the Contractor along with all other relevant documents as referred to in the Contract.
- w. "Related Services" means the services incidental to the supply of the goods, such as insurance, installation, training and initial maintenance and other such obligation of the Contractor under the contract.

3.2 SINGULAR AND PLURAL

Words implying the singular only also include the plural and vice versa where the context required.

3.3 HEADINGS OR NOTES

The headings in these conditions of Contract and instructions to tenders shall not be taken to be part thereof, or be taken into consideration in the interpretation, or construction thereof, or of the Contract.

3.4 ENGINEER-IN-CHARGE AND HIS REPRESENTATIVE

- a. The Engineer-In-charge shall carry out such duties in issuing decisions, certificates and orders as specified in the Contract.
- b. The Engineer may from time to time, in writing delegate to his Representative any of the powers, discretion, function and/or authorities vested in him and he may at any time revoke any such delegation. Any written decision, instruction or approval given by the Engineer to the Contractor in accordance with such delegation shall bind the Contractor provided always that:

- c. Any failure of the Engineer to disapprove any Plant workmanship shall not prejudice the power of the Engineer thereafter such Plant or workmanship and to order the rectification thereof in accordance with these conditions;
- d. If the Contractor shall be dissatisfied by reason of any decision of the Engineer he shall be entitled to refer the matter to the officer above the rank who will thereupon confirm, reverse or vary such decision, and the same shall be final and not arbitrable.
- e. Wherever by these conditions the Engineer is required to exercise his discretion, by giving a decision, opinion, consent or to express satisfaction or approval, or to determine value or otherwise take action which may affect the rights and obligations of the Contractor, the Engineer shall exercise such discretion fairly within the terms of the Contract and having regard to all the circumstances. If either party disagrees with the action taken by the Engineer he shall be at liberty to refer the matter to Appellate Authority with these conditions, and the same shall be final and not arbitrable.

3.5. OBLIGATIONS OF THE CONTRACTOR

- a. The Contractor shall exercise all reasonable care and diligence in the discharge of all technical, professional and contractual duties to be performed by them under this Contract as specified in the Scope of Work within the Time for Completion and provide all labour, including the supervision and security thereof, Contractor's Equipment necessary thereof and for carrying out his obligation, so far as the necessity for providing the same is specified in or is reasonably to be inferred from the Contract. The Contractor shall be fully responsible to MPT for proper, efficient and effective discharge of their duties.
- b. The Contractor shall proceed with the Works in accordance with the decisions, instructions and orders given by the Engineer in accordance with the condition of the Contract.

3.6 ASSIGNMENT AND SUBLETTING

- a. The Contractor may submit the details of subletting. However the final decision will be made by MPT authority.
- b. He shall neither assign his right and interest in this present tender nor assume a fresh partner or partners, or dissolve the partnership existing between him in reference to this Contract without the written permission of MPT.
- c. In the event of any activity being sub-contracted, the total liability and responsibility for

meeting obligations and performance under Contract Agreement shall rest with the Contractor. In the event of the Contractor contravening this condition, the Port shall be entitled to terminate the Contract forthwith and award a fresh Contract to some other party at risk and cost of the Contractor who shall be liable for any loss or damage which the Port may sustain in consequence arising out of such replacement of the Contractor. In such case the Performance Guarantee shall be forfeited.

- d. Such consent, if any, shall not relieve the Contractor from any liability or obligations under the Contract and he shall be responsible for the acts, defaults and neglects of any Sub-Contractor or his servants, agents or workmen fully if they were the acts, defaults or neglects of the Contractor provided always that the provisions of labour or a piecework basis shall not be deemed to be sub-letting under this clause.

3.7 PATENT RIGHTS

- a. The Contractor shall fully indemnify the Port against any action, claim or demand, costs or expenses arising from or incurred by reason of any infringement or alleged infringements of letters, patents, Design, trademark or name, copyright or other protected rights in respect of any machine, Plant, work, materials or things, system or methods of using, fixing working or arrangement used for fixed or supplied by the Contractor in India, or elsewhere.
- b. All payments, or otherwise shall be deemed to be included by the Contractor in the Prices named in the tender and shall be paid by him to whom they may be payable.
- c. In the event of any claim being made or action brought against the Port in respect of any such matter as aforesaid, the Contractor shall be immediately notified thereof and he shall, with the assistance if he so requires of the Port, but at the sole expense of the Contractor, conduct all negotiations for the settlement of the same or any litigation that may arise from, provided that the conduct of such negotiations or litigations shall be conditional upon the Contractor giving to the Port such security as shall from time to time, reasonably required by the Port to recover the ascertained or agreed amount as the case may be of any compensation, damages, expenses and cost which might be payable by Trustees in respect of or as result of any negotiation or litigation.

3.8 GENERAL OBLIGATION OF THE PORT

In execution of the Works no person other than the Contractor, sub Contractors and his and their employees shall be allowed on the site except by the written permission of the

Engineer In Charge or his authorised representative, but the Engineer in charge, his authorised representative, other authorities and officials of MPT shall be afforded to inspect all facilities arranged by the Contractor at site.

3.9 FRAUD AND CORRUPTION

The Port as well as Bidder, Contractor, Sub-Contractor and Consultants observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, MPT:

- a) Defines, for the purpose of this provision the terms set forth below as follows:
 - (i) "Corrupt practice" means the offering, giving, receiving or soliciting, directly or indirectly of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
- b) "Collusive practice" means a scheme or arrangement between two or more Bidders designed to establish Tender prices at artificial non competitive levels and;
- c) "Coercive practice" means harming or threatening to harm directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;
- d) Will black list a firm or individual, including declaring them ineligible either indefinitely or for a stated period of time to be awarded, if it at any time determines that they have, directly or through an agent engaged in corrupt, fraudulent, collusive or coercive practice in competing for, or executing and;
- e) Will have the right to enquire that Contractor to permit the Port to inspect their account and records and other documents relating to the Tender submission and contract performance.

3.10 PERIOD OF AMC

One year and same will be extended for further period of One year with mutual consent with existing rate and terms & conditions. .However the proposed work shall be commissioned the existing AMC contract shall be discontinued with 1 month prior

notice. .

3.11 RATES AND AMOUNTS INCLUDE ALL CHARGES

The rates and amounts submitted by the Bidder shall include all payments on account of taxes, levies, duties, royalties, etc., payable to the State of Goa or Government of India or any other authority or Body Corporate and all other incidental charges that the Bidder may have to bear for the execution of the Works. The Bidders shall make their own arrangements to ascertain the applicable rates in respect of Central Excise Duty from the concerned Govt. Authorities. However, Service Tax will be extra as applicable.

3.12 ADDITIONS AND ALTERNATIONS

- a. MPT may give instructions and directions as may appear (necessary and proper) for the guidance of the Contractor and good and efficient execution of the Works under this contract without altering major conditions and scope of work of the Contract.
- b. The Contractor shall receive, obey and be bound by the same according to the true intent and meaning thereof.

3.13 EXECUTION

The Contractor shall, in consideration of payments to be made to him as herein after provided, execute and do the Works set forth as described in the scope of the work and specifications, including any amendments to tender clauses.

Bidders should obtain temporary pass from MPT Traffic Manager at Main Admin Building, third floor, Mormugao Port Trust, Headland Sada, Vasco 403 802 to gain entry into the Trust's premises if necessary.

3.14 SECURITY DEPOSIT

- (i) The person who's tender is accepted, the firm must within 30 days of receipt of notice of such acceptance or within such extended time as may be allowed, by the Chief Mechanical Engineer at his discretion, deposit as security of 10 % of the Total value of the contract as mentioned below.
- (ii) Security deposit shall consist of two parts: a) Security and b) Retention money to be recovered from Running bills.

- a) Security deposit should be 10% of contract price of which 5% of contract price rounded off to nearest 100 rupees should be submitted as Demand draft shall be in favour of the FA&CAO, Mormugao Port Trust, drawn from any scheduled / Nationalised Bank payable at Vasco Goa within 30 days of issue of Letter of Acceptance, if the amount is less than Rupees 5.00 lakhs, if above Rs.5.00 lakhs Security Deposit shall be furnished in the form of Bank Guarantee. The balance 5 % shall be recovered as Retention Money from running bills. Recovery of 5 % of Retention Money to commence from the first bill on wards subject to a maximum of 5% of Contract value. Thereafter, the total of 10% (security 5% and 5 % Retention money) shall be returned within 14 days after the Contract period.
- (iii) On receipt of full deposit as arrived above in any manner aforesaid the Earnest Money submitted with the Tender will be refunded. No interest will be allowed on the earnest money from the date of its receipt until it is refunded. In the case, however for unsuccessful Tenderers, Earnest Money will be refunded, as soon as possible after the finalisation of L1 of the contract. Alternatively the successful Tenderer shall when his tender is accepted, furnish Earnest Money. The Earnest Money shall retain its character as such, till the Security Deposit is furnished by the Tenderer.
- (iv) Forfeiture of SD: The security deposit will be forfeited, if the contractor fails to fulfill any or all the conditions of this contract, without any interference from it towards all rights of the Board to recover from the contractor any other amounts falling due to the Board through non-observance/compliance by the contract conditions and any of the clause thereof by the contractor.

3.15 SIGNING OF AGREEMENT

- (i) The Contractor shall execute an Agreement with the Trust within 45 days from the date of receipt of LOA. If the Contractor, whose tender has been accepted, fails to execute an Agreement within 45 days from the date of receipt of documents for execution of the Agreement, the Earnest Money Deposit (EMD) deposited by the Bidder shall be forfeited and the Bidder shall not be allowed further to participate for a period of 3 years in the Trust's tenders.
- (ii) The cost of stamping the contract Agreement must be borne by the successful Bidder.

- (iii) The place of stamping and signing of Agreement shall be at MPT only.
- (iv) Further, if the successful Contractor undertakes, to enter into and execute, when called upon to do so, an Agreement, with such modifications as agreed upon and unless and until the formal Agreement is prepared and executed, the successful Contractor's offer, Trust order and the written acceptance for the receipt of Trust order of the successful Contractor shall form a binding Contract between the Trust and the Contractor.

The Contract Agreement shall include amended final tender document, pre- bid queries, various clarification letter, written approval by the Trust authorities, Amended to the Contract Agreement and any other conditions as agreed upon by the Trust and the Contractor.

3.16 CONTRACT DOCUMENT MUTUALLY EXPLANATORY

- a. The several documents forming the Contract are to be taken as mutually explanatory of one another and should anything appear in one that is not described in the other, no advantage shall be taken of any such omission.
- b. In case of any discrepancies or inconsistencies however appear, or should any misunderstandings arise as to the meaning and of the specifications or drawings or as to the dimensions or the quality of the material or proper execution of the Works or as to the measurement or quality and valuation of the Works executed under this Contract or as extra thereupon, the same shall be explained by the Engineer-in-charge or his authorised representative.
- c. The explanation of Engineer-in-charge or his authorised representative shall be final and binding upon the Contractor and the Contractor shall execute the Works according to such explanations, and without extra charge or deductions to/from the Prices specified in the bill of quantities and do all such Works and things as may be necessary for the proper completion of the work as implied by the specification and drawings, even though such work and things are not specifically shown and described therein.

3.17 CONTRACTOR'S EQUIPMENT

- a. The Contractor shall be responsible for supply, use and maintenance of all the equipment and he shall ensure that they are suitable for the work and are maintained

in such a manner as to ensure their efficient working.

- b. MPT may, if they deem fit, direct the Contractor to remove from site any equipment which are not efficient and/or prejudicial to the quality of the work to be replaced by equipment to their satisfaction. The Contractor shall immediately follow MPT's directions/instructions.

3.18 LABOUR

- a. The Contractor shall make his own arrangements for the engagement of all labour for doing the work at site or in respect of or in connection with the execution of work as also for the transport, housing, feeding and payment thereof. Since time is the essence of this Contract, requisite number of labour force has to be kept, so as to complete the Installation, Testing and Commissioning of the equipment within the completion period as stipulated in the tender.
- b. In the event of any outbreak of illness or an epidemic nature, the Contractor shall comply with and carry out such regulations, orders and requirements as may be made by the Government, or the local medical or sanitary authorities for the purpose of dealing with and overcoming the same.
- c. The Contractor shall at all times take all reasonable precautions to prevent any unlawful, riotous or disorderly conduct by or amongst his employees and for the preservation of peace and protection of persons and property in the neighbourhood of the Works against the same.
- d. The Contractor shall at all times during the continuance of the Contract comply fully with all existing Acts, Regulations and bye law as including all statutory amendments and re-enactment of state or Central Government and other local authorities and any other enactment and acts that may be passed in future either by the State or the Central Government or local authority, including Indian Workmen's Compensation Act, Labour Laws and Equal Remuneration Act, 1976, Factories Act, Minimum Wages Act, IE Act 1956, etc.
- e. If as a result of Contractor's failure, negligence, omission, default or non-observance of any provisions of any laws, MPT is called upon by any authority to pay or reimburse or required to pay or reimburse any amount, MPT shall be entitled to deduct the same from any moneys due or that they become due to the Contractor under this Contract or any other Contract or otherwise recover from the Contractor any

sums which MPT is required or called upon to pay or reimburse on behalf of the Contractor. All registration and statutory inspection fees in respect of his work pursuant to the Contract shall be paid by the Contractor.

- f. The Contractor shall pay the labourer engaged by him on the work not less than a fair wage, which expression shall mean, whether for time or piece work, rate of wages as may be fixed by the Labour Department of the State as per the Minimum wages Act.
- g. The Contractor or his sub-Contractor shall not employ a young child who has not completed his fifteen year of age. He/they shall also not employ an adolescent who has not completed his eighteenth year unless he is certified fit for the work as an adult as prescribed under Clause (b) of subsection (2) of section 69 of the Factories Act.1948.
- h. The Contractor shall also comply fully with the provisions of the payment of Wages Act, 1936.
- i. If any enhancement in the rates of Wages becomes payable as a result of the implementation of the Chief labour Commissioner's interpretation of the Contract, Labour (Regulation and Abolitions) Central Rules 1971 including an increase of the Wages, the same shall be borne by the Contractor/Contractors. The Contractor shall be responsible for the observance by his sub-Contractors, of the foregoing provisions/precautions.
- j The Contractor shall make necessary arrangements for the representative of the Port and/or his representative to witness the payment made by the Contractor to his labourers. The Contractor shall also submit periodical returns of labour employed by him and wages paid, to the Port's representatives.
- k. The Contractor shall at his own expenses provide all safety gears for all labours engaged during the work and failing to do so, MPT shall provide the same and recover the cost thereof from any amount due or which may become due to the Contractor or from any amount lying with them or under their control.

3.19 FAIR WAGES

- a) The Contractor shall pay the labours engaged by him on the work not less than fair wages which expression shall mean whether for time or piece work the respective rates of wages as fixed by the Labour Department of the State payable to the different categories of labourers. However, subject to the other provisions of any other law for the time being in force in the country, the minimum rates of wages for any

person/persons below 18 years of age and/or disabled persons are 70% respectively of the rates payable to adult workers of the appropriate category.

b) The Contractor shall notwithstanding the provision of any contract to the contrary cause to be paid in fair wages to the labourers directly engaged on the works including any labour engaged by the sub Contractor in connection with the said work, as if the labourer had been immediately employed by him.

c) Display of notices regarding wages etc:

The Contractor shall before he commences his work of contract, display and correctly maintain and continue to display and correctly maintain in a clean and legible condition at conspicuous places on the work site, notices in English and in the local Indian language spoken by the majority of the workers stating therein the rates of wages which have been fixed as fair wages and the hours of work for which such wages are earned and send a copy of such notices to the Port.

d) Wages book and wage slips:

The Contractor shall maintain a wage book of each worker in such forms as may be convenient but the same shall include the following particulars:-

- i) Rate of daily or monthly wages,
- ii) Nature of work on which employed,
- iii) Total No. of days worked during each wage period.
- iv) Total amount payable for the work during each wage period.
- v) All deductions made from the wages with an indication in each case of the ground for which the deductions are made. Wages actually paid for each wages period.
- vi) A wage slip for each worker employed on work provided that the Port may grant exemption from the maintenance of the wage slip, if in his opinion not more than 19 persons are likely to be employed directly or indirectly on the work but in any case he will have to maintain wage books.

e) Preservation of books and slips:

The wage book and the wage slips shall be preserved for a period of not less than 12 months after the date of last entry made in it.

f) Inspection of books and slips:

The Contractor shall allow inspection of the aforesaid wage books and wage slips to any of his workers or to an agent at a convenient time and place after due notice

is received from the Engineer or any other person authorized by him on his behalf.

g) Powers of the Engineer to make investigation/enquiries:

The Engineer or any other persons authorized by him on his behalf shall have powers to make enquiries with a view to ascertaining the enforcement due and proper observance of the "Fair Wages Clause". He shall also have the power to investigate into any complaint regarding any default made by the Contractor or subContractor in regard to such provision. The Port shall have the right to deduct from the money due to the Contractor any sum required or estimated to be required for making good the loss suffered by a worker or workers by reason of non-payment of aforesaid fair wages, except on account of any deduction that may be permissible under any law for the time being in force.

3.20 PLANT AND EQUIPMENT

The Contractor shall at his own costs and expenses provide all labour, Plant, haulage, transportation of Plant and equipment to be used for executing the Contract, all materials, stores, etc., required for efficiently carrying out and completing the work to the satisfaction of MPT.

3.21 INCOME TAX DEDUCTION

Income tax, if any, as per the relevant provision of the Income Tax Act shall be deducted at source from any payment payable to the Contractor.

3.22 NO INTEREST ON ACCOUNT OF DELAYED PAYMENTS

Any claim for interest will not be entertained by MPT with respect to any payment or balance which may be in their hands owing to any disputes between themselves and the Contractor or with respect to any delay on part of MPT in making payment.

3.23 PAYMENT

PAYMENT OF CONTRACTORS BILLS THROUGH ECS : The Bidder should submit the consent in a mandate form for receipt of payment through ECS and provide the details of bank A/c in line with RBI guidelines for the same. These details will include bank name, branch name & address, A/c type, bank A/c number, bank and branch code as appearing on MICR cheque and IFSC code no issued by bank. Further, the Bidder should also submit certificate from their bank certifying the correctness of all above mentioned information in the mandate form.

Failure on the part of the bidder to communicate changes in bank account nos. (for

reasons which may include change in the constitution of a party due to amalgamations/ mergers/ take-over) or delay in receipt of communications or non-updation of bank account nos. may result in payments being made to an unrelated account for which MPT will not be responsible.

3.24 INSURANCE

(i) INSURANCE AGAINST THIRD PARTY LIABILITY AT SITE:

- a. Before commencing the execution of work, the Contractor shall insure covering Third Party Liability (TPL) against any damage or loss or injury which may occur to the equipment being shifted/ installed or to any property or to any person (including property and employees of the Port) by or arising out of the execution of the Works or temporary Works in carrying out of the Contract. The value of TPL policy shall be Minimum against occurrence of each incidence. The Contractor shall revalidate the insurance coverage after each incidence and keep the insurance coverage till certification.
- b. Such insurance shall be effected with an Indian Insurance Company and in terms approved by the Port Trust & Bidder shall submit the copy of policy of insurance to Engineer-In-Charge before arrival of equipment at site and shall be valid till Final Acceptance Certificate.

3.25 WORKMEN'S COMPENSATION

The Contractor shall indemnify MPT in the event of the Trustees being held liable to pay compensation for injury to any of the Contractor's servants or workmen under the Indian Workmen's Compensation Act 1923 as amended from time to time and shall take out an Insurance Policy covering all risks under the Act and shall keep the same renewed from time to time as necessary for the duration of the contract and produce the same to the Port on demand whenever so required.

3.26 DEFAULT OF THE CONTRACTOR

As event of default, the contractor fails to execute the terms and conditions and obligations under the contract within the period as specified in the contract, or any extension granted by the Board.

3.27 MPT's LIEN

MPT shall have a lien on over all or any money that may become due and payable to the Contractor under this Contract or any other Contract or from any amount lying with them or under their control and in respect of any debt or sum that may become due and payable by the MPT to the Contractor either alone or jointly with

another or other and either under this Contract or under any other Contracts or transaction of any nature whatsoever between MPT and the Contractor.

3.28 SETTLEMENT OF DISPUTES

- (i) If any dispute of difference of any settlement of kind whatsoever shall arise between the Chief Mechanical Engineer and the Contractor in connection with or arising out of the contract or the carrying out of the works (whether during the progress of the works, after the termination, abandonment of or breach of the contract) it shall in the first place be referred to be settled by the Chief Mechanical Engineer who within a period of 60 days after being requested by the contractor shall give written notice of his decision to the contractor, if the Chief Mechanical Engineer shall fail to give notice of his decision as aforesaid within a period of 60 days after being requested by the contractor as aforesaid or if the contractor be dissatisfied with any such decision then any such case, the contractor shall, within a further period of 30 days from the expiry of the first 60 days from the date of receipt of Chief Mechanical Engineer's decision, write to the Chairman putting forth his views why he is not in agreement with the decision given by the Chief Mechanical Engineer.

- (ii) If the contractor, after receiving notice of the decision of the Chief Mechanical Engineer does not refer the dispute to the Chairman seeking his decision, within a period of 30 days of the Chief Mechanical Engineer's decision then the Chief Mechanical Engineer's decision will be final and binding upon the contractor, and no further claim will exist thereto.

- (iii) The Chairman shall, within a period of 60 days from the receipt of the request from the contractor, give written notice of his final decision in the matter under dispute to the contractor. If the Chairman fails to give written notice of his final decision within a period of 60 days after being requested by the contractor as aforesaid or if the contractor be dissatisfied with any such final decision given, then the contractor may within a period of 30 days after the expiry of the period of 60 days from the date of his application to the Chairman or within a period of 30 days after receiving notice of such final decision, as the case may be, require that the matter or matters in dispute be referred to arbitration as herein after provided. If the Chairman has given the written notice of his final decision to the contractor, and no claim to the arbitration has been communicated to the Chairman by the contractor, within a period of 30 days from the receipt of Chairman's decision the said decision shall remain final and binding upon the contractor. If the Chairman fails to give written notice of his final decision to the contractor within a period of 60 days and no claim to the arbitration has been communicated to the Chairman or

the Chief Mechanical Engineer by the contractor within a period of 30 days thereafter, then the decision given by the Chief mechanical Engineer shall remain final and binding upon the contractor as hereinafter provided such decision in respect of every matter as referred shall be final and binding upon the contractor until the completion of the work and shall forthwith be given, effect to by the contractor who shall proceed with the works with all the diligence whether he requires arbitration as hereinafter provided or not.

- (iv) All disputes or differences in respect of which the decision (if any) of the Chief Mechanical Engineer or the Chairman has not become final and binding as aforesaid shall be referred to the sole arbitration of Mechanical Engineer serving or retired of Central Government agencies, including Defence Service and or a member of Indian Council of Arbitrators, to be appointed by Chairman pursuant to and so as with regard to the mode and consequence of the reference and in all other respects to conform to the provisions of the Government of India Arbitration Act, 1940 (Act No. 10 of 1940) or any reenactment of statutory modification thereof for the time being in force. The sole arbitrator shall have full power to open up, review, and revise any decision, opinion, direction, certificate or valuation of the Chief Mechanical Engineer or the Chairman neither party, shall be limited in the proceedings before the Arbitration to the evidence or arguments put before the Chief Mechanical Engineer or the Chairman or the purpose of obtaining his decision. No decision given by either the Chief Mechanical Engineer or the Chairman in accordance with the foregoing provisions shall disqualify them from being called as a witness and given evidence before the sole Arbitrator as aforesaid.
- (v) The Arbitrator shall not enter on the reference until after the completion or the alleged completion of works, unless with the written consent of the Board/Chairman/Chief Mechanical Engineer and the contractor provided always:- In the event of the Arbitrator to whom the matter is originally referred, is unable to act for any reason, the Chairman shall appoint another Engineer serving or retired of Central Govt. Agencies including Defence Service and or a member of Indian Council of Arbitrators as Arbitrator and he shall be entitled to proceed with the reference afresh or from the stage at which it was left by his predecessor. In all cases, the Arbitrator shall give a speaking/reasoned award.

3.29 ARBITRATION

Disputes if any, between MPT and the Contractor during the currency of the Contract or after the completion of the work or abandonment thereof shall be settled in accordance with Indian Arbitration & Conciliation Act, 1996 or any statutory modification or re-enactment thereof and rules made there under and for the time being

in force shall apply to arbitration proceedings under this Contract. The disputes so raised shall be referred to a panel of two arbitrators, of which one to be appointed by MPT and other by the Contractor. The arbitration proceeding shall take place in Goa or at Administration Building, MPT only, and the same shall be under jurisdiction of High Court of Goa.

3.30 TERMINATION OF CONTRACT

If the Contractor fails or incompetence in executing the work satisfactorily and does not perform the Contractual obligations satisfactorily, the Contract is liable to be terminated after issue of notice of 60 (Sixty) days to the Contractor and the Security deposit will be forfeited.

3.31 LABOUR LAWS

The Contractor shall comply with all the provisions of the Labour Laws and the rules and regulations made there under as amended from time to time and as applicable from time to time with regard to the employees to be deployed by the Contractor during contract period.

3.32 OUTBREAK OF WAR

If during the currency of the Contract, there shall be an outbreak of war (whether war is declared or not) in any part of the world which, whether financially or otherwise, materially affects the execution of the Works, the Contractor shall, unless and until the Contract is terminated under the provision in this clause contained, use his best endeavours to complete the execution of the Works, provided always that either MPT or the Contractor shall be entitled, at any time after such outbreak of war, to terminate this Contract by giving notice in writing to the other, and upon such notice being given this Contract shall terminate, but without prejudice to the rights of either party in respect of any antecedent breach.

3.33 DEFAULT OF MPT

Interfering with or obstructing the written approval in this Contract, the Contractor shall be entitled without prejudice to any other rights or remedies to terminate his employment under the Contract by giving 90 (Ninety) days prior notice in writing to Port.

3.34 AMENDMENT

No amendment or other variation of the Contract shall be valid unless it is in writing, is dated, expressly refers to the Contract, and is signed by duly authorized representative of each party thereto.

3.35 SEVEREBLITY

If any provision or condition of the Contract is prohibited or rendered invalid or unenforceable, such prohibition, invalidity or unenforceability shall not affect the validity or enforceability of any other provisions and conditions of the contract.

3.36 ACCEPTANCE OF OFFER

The Contractor shall acknowledge the receipt of Order/ LETTER OF ACCEPTANCE within 7 days of mailing of the same and any delay in acknowledging the receipt will be a breach of contract and compensation for the loss caused will be recovered by MPT by forfeiting the Earnest Money Deposit/Bid bond.

3.37 SUB-LETTING OF THE WORK

The bidder shall indicate in his offer the works, which he intends to sublet to the sub-Contractors. The Contract Agreement will specify the major works for which the Contractor proposes to engage the Sub-Contractor. The Contractor from time to time propose any addition or deletion to the list and will submit proposals in this regard to the Engineer-in-Charge for approval well in advance so as not to impede the progress of work. Such approval of the Engineer-in-Charge will not relieve the Contractor from any of his obligations, duties and responsibilities under the contract.

3.38 SUB-CONTRACTOR

At the commencement of the job the Contractor shall supply to the Engineer-in-Charge, list of all sub-Contractors or other persons or firms engaged by the Contractor to work at the Site. Any bidder who had submitted the bid for this tender and does not get the contract because of his being not the lowest will be prohibited from working as sub-Contractor for execution of this contract. List of Contractors shall be provided for in the Contract Agreement.

3.39 FAILURE OF THE CONTRACTOR

If the Contractor fails to complete the work and the order is cancelled, the amount due to the Contractor on account of work executed, if payable, shall be paid only after due recoveries as per the provisions of the contract and that too after alternative arrangements to complete the work has been made.

3.40 ACTION AND COMPENSATION PAYABLE IN CASE OF BAD WORK

The work during its progress (or) during the defect liability period can also be inspected by the Chief Technical Examiner (or) his authorised representatives of the Central Vigilance Commission of MPT and any defects pointed out by him shall be attended by the Contractor.

3.41 TERMS OF PAYMENT

Payment shall be made on monthly basis within 30 days after submission of bill in triplicate in all respects.

3.42 PENALTY CLAUSE

Any breakdown/repair works/maintenance works has to be promptly attended to & completed within 3 hours. If the contractor shall fail to attend to the works within the time prescribed, then the extended time period could be granted with the consent of CME/CME's representative against valid justification for the delay by the contractor.

- a. The contractor shall assure 98% availability of railway signaling system per day and if availability is less than 98% then penalty of Rs.200/- per day will be charged
- b. If contractor remain absent, Rs. 1000/- per shift per person will be deducted from monthly charges in addition to penalty as indicated at a. above

3.43 LIQUIDATED DAMAGE

The contractor shall pay to MPT Liquidate damages at the rate of 1 %(one percent) of the work order for every day delay for deployment of technicians after the period of 7 days from the placement of work order, subject to maximum of 10%. MPT shall have the power to deduct this amount from the payment of the amount due to contractor or from his deposit.

If the contractor fails to commence the work within 7 days of placement of order, 30 days notice will be issued for cancellation of work order and failure to commence work within notice period of 30 days , the work will stand cancelled and security deposit will be forfeited.

3.44 FORCE MAJEURE

If the AMC visits are hindered due to force majeure such as, war, riots, civil commotion, fire, epidemics, natural calamities like rain, flood, earthquake, cyclone, draught, etc. at site, such period shall be exempted towards default..

3.45 SITE INSPECTION

The tenderer may visit the site and fully study the work involved & get acquainted with

the nature of the work vis-a vis before tendering for the work. No claim will be entertained afterwards. Any clarification will be given if required during pre-bid meeting, if any. It is presumed that bidder is quoting after seeing the site, getting acquainted with the nature of work, whether he has physically acquainted with the nature of work

3.46 FACILITIES PROVIDED BY PORT

- a) Free Electric Power in A.C., three phase, 440 V, 50 cycles will be provided for welding and execution of the contract work subject to availability. However, contractor shall arrange all cabling switch gears, etc. for power supply to his equipment at his own arrangement by their expenses for execution of contract works.
- b) Contractor shall avail the port equipments/Mobile Crane on chargeable basis as per scale of rates subject to availability.
- c) Water supply shall be arranged by the contractor by their own for execution of work.
- d) Accommodation, if required, shall be provided in the Port quarters to the contractor/his employees, on chargeable basis as per prevailing scale of rates subject to availability.
