SUB: MISUSE OF VEHICLE PASS AND DOCK ENTRY PERMIT

It has come to the notice of the undersigned that dock enter permit issued to vehicles hired by port users to carry out their valid official work are being misused to ferry passengers in and out of the harbour.

It is reiterated that vehicle passes and dock entry permits issued to port users are strictly meant for carrying out their valid official work in the port area and are not to be misused for entering the harbour for any other activity.

All port users are advised to instruct their drivers not to misuse this facility. If any vehicle, not having any valid official work in the port, is apprehended in the port area, the pass of such vehicle will be confiscated and no vehicle pass will be issued to that particular port user.
