

MORMUGAO PORT TRUST
TRAFFIC DEPARTMENT

Ref. No. TM/588/2017/987

2nd August 2017

C I R C U L A R

Port is in the process of commencing the work of installing cell fenders at Berth No. 10 and 11. Preliminary work of drilling has been completed.

However, grouting and fixing of these cell fenders will be carried in the next week tentatively from 07.08.2017 onwards.

A minimum of 6 days is required for completion of the said work which will be taken up in 2 phases.

Sr. Dy. Traffic Manager

To,
