TRADE CIRCULAR NO. 03/2023

Sub: **Movement of cargo vehicles from Gate No. 1.**

It has been observed that cargo vehicles are queuing at gate No. 1 in haphazard manner resulting in congestion inside the gate.

Therefore, it has been decided that the cargo vehicles will make a single queue for entry/exit. These trucks will approach gates only when the documentary requirements are complete and carrying valid RFID passes. Further, they shall use right side of the road for transit instead of left side of the road for ease of security check at the gate.

Further, all transporters are directed to abide by the notification dated 05.01.2023 issued by District Magistrate South Goa.

This issues with the approval of competent authority.
