संदर्भ सं. Ref. No. FA/Cost/125/2016/ 166

दिनांक Date 27/10/2016

To,

The Chairman,
Tariff Authority of Major Ports,
4th Floor, Bhandar Bhavan,
Muzawar Pakhadi Road,
Mazgaon Mumbai 400 010.

Kind Attn: Ms. Anuradha H. Sharma, Director.

Sir,

Sub: Proposal from Mormugao Port Trust (MoPT) for
fixation of Reference Tariff for Re Development of
Berth No. 8, 9 and 9A (Barge Berths) at MoPT.

The Port is proposing to introduce the Dust Suppression System for keeping the operational areas clean and dust free. It is proposed to provide Dust Suppression System and provide Dust Suppression services for all cargoes (excluding containers and liquid cargo) and not only for coal and coke. The Dust Suppression levy which is already existing in the current SOR @ 3.01 per tonne of coal/coke was excluded from the proposed SOR submitted to TAMP. It is now proposed to re-introduce the Dust Suppression Levy @ 4.00 per tonne on all cargoes excluding containers and liquid cargo handled at MPT berths (excluding PPP Operators) towards recovery of expenditure on Dust Suppression Levy.

The estimated additional revenue to be included in Form 3 would be Rs. 1,32,65,480/- (Copy enclosed). It is proposed to be introduced at clause 2.1.4 as Dust Suppression Levy.

2.1.4 DUST SUPPRESSION LEVY

Rate per Tonne
Rs. 4.00
