TRADE NOTICE No:2/2019

As per the restriction imposed by the Local Authorities to release the loaded trucks from the Port, between 1000 PM to 0600 AM daily to avoid congestion in the city. Presently the road between Goa and Ramnagar is closed and the traffic has been diverted via Karwar to Dandeli. The request has come from the importer to give relaxation in timing imposed by local authorities.

In this regard, it has been decided to release the loaded trucks carrying cargoes from the Port strictly in conformity with the timings restrictions on the movement of heavy vehicles, imposed by the Local Authorities. Kindly ensure that the vehicles are fully covered with tarpaulin and is loaded with the permissible limit only.

It is also requested to advice the drivers to drive within prescribed speed limits and to take extra ordinary care, especially while driving through the city. Any vehicle report to have violated these directions shall be barred from entering the Port.

Trade fraternity is requested to kindly take note accordingly and inform the transporter.
