MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT.
QUOTATION NOTICE

QUOTATION NO. CE/Q-46/2017

Sealed PERCENTAGE rate quotations are invited from contractors registered with Engineering (Civil) Department of Mormugao Port Trust for undertaking the work of **“Maintenance repairs to the toilet blocks of State Bank of India in Old O Building at Harbour.”**

Cost of quotation	: Rs.500/-
Earnest Money Deposit	: Rs.5,700/-
Estimated cost of work	: Rs.275590.24
Time limit of completion	: 30 days.

The quotation form can be obtained from the office of the Chief Engineer, Mormugao Port Trust, Headland Sada, during office hours from **28/09/2017 to 10/10/2017**, on payment of Rs.500/-. Volume I comprising of Instruction to Tenderers, General and Special Conditions, General Specifications etc. of Mormugao Port Trust will be considered as part of Quotation Form.

GST registration for the bidder is mandatory. Bidder has to enclose attested copy of the GST Registration along with the quotation. GST has to be claimed extra as applicable while submitting the bill/bills. Tenderer should comply with all regulations of EPF, ESI, ALC, etc. No bill will be forwarded if the above regulations are not followed.

Quotation shall be accompanied by Earnest Money Deposit of **Rs.5,700/-** either deposited with FA&CAO Mormugao Port Trust in Cash or enclosed Demand draft. Quotation without Earnest Money Deposit in the stipulated form will not be considered.

The interested firms may alternatively download the Tender Document from the Mormugao Port Trust web site <http://www.mptgoa.com>. However, a separate sealed envelope super scribed 'Tender Cost' containing a Demand Draft/ Bankers Cheque drawn in the name of "FA & CAO of the Port of Mormugao" towards the cost of Tender document may be placed in the envelope containing the sealed offer submitted in the downloaded Tender Document, failing which the offer of the firm will be left out of consideration. The downloading of the Tender Documents shall be carried out strictly as provided on website. No editing, addition/deletion of matter shall be permitted. If such action is observed at any stage, such offer is liable for outright rejection.

A printed set vol-I issued to the contractor contains instructions to the Tenderers, General and Special Conditions of Contract, General specifications forms an integral part of the Tender Documents.

Quotation duly completed should reach the office of the Chief Engineer, Mormugao Port Trust, Headland Sada by **15.00** hours on **10/10/2017** and they will be opened at **15.30** hours on the same day in the presence of such quoters as may wish to be present.

The Port Trust reserves the right to reject any or all the quotations without assigning any reasons thereof.

CHIEF ENGINEER

Headland Sada.

in Old O Building at Harbour.”**

ADDITIONAL SPECIAL INSTRUCTIONS

1. The work shall be carried without disturbing the operation of Port or other agencies working in the area.
2. All materials bought for use shall be stored properly in a store room, to be built by contractor at his cost. Register of account of materials be maintained at site.
3. The Plant/machinery/craft and workman shall be insured during the work and receipts of payment made towards premiums shall be submitted to the Chief Engineer.
4. The Plant/machinery required during the maintenance period shall be arranged by the contractor during the maintenance period at his own cost.
5. The Quoter shall also assess and include the cost of materials, labour, tools and plant and machinery/equipment for the maintenance works that may be required to be carried out by him during the free maintenance period.
6. Quoters are advised to go through the Schedule of Quantities and Rates and sequence of work before submission of the quotation. They are also advised to inspect the site, ascertain for themselves the nature and the extent of work involved and also obtain all clarifications they may require before filling in the quotation.
7. Quoters are required to sign with date the Schedule of quantities and Rates and the form of Quotation and fill in all the particulars and details called for therein. Unsigned quotations, without the details called for are liable for rejection.

8. Measurements

The quantities provided for in the Schedule of Quantities and Rates are only approximate and are given to provide a common basis for tendering. The actual quantity may differ from those provided for in the Schedule in view of the complexity of the work and there is no claim will be entertained in case of any variation in the quantity. Payments will be made according to the actual quantities of work ordered and carried out, jointly measured by the representative of Chief Engineer and the contractor payments will be made as per the item unit rate basis for the entire work. However, in case of defects/ improper execution of work, penalty will be imposed in the final bill amount payable upon approval of competent Authority.

9. Rates and Prices to be inclusive.

The rates entered in the Schedule of Quantities by the contractor shall include the provision of all supporting special equipment, labour of required skill, supervision, materials, erection, overheads and profits, watch and ward, insurance charges, during execution and every incidental and contingent costs and charges, whatsoever, excluding service tax if any for compliance with conditions of contract and specification. The service tax will be paid extra as applicable which shall be claimed along with the Bill.

10. The specifications are intended to cover the execution of all works, necessary to complete the works, with all materials of accepted standards, as specified in the contract.

11. Method of Measurement

General

Unless stated or billed otherwise, all quantities shall be `net` as they finished and provided in the work. The rates and prices shall include all allowances towards wastage of materials required for use in the work.

12. The quotations will be deemed to have ascertained themselves to the extent and nature of the works involved, the various constraints and high degree of skill involved in the works.
13. Time is the essence of contract and the entire work should be completed within a period of 30 days as specified in the schedule. The Quoter shall also submit detailed programme for the timely completion of work giving details of gangs/labour/material supply/plant and machinery etc. taking into account the limited time schedule provided.
14. The Contractor`s supervisory staff shall be fully experienced in the type of work to be carried out under their supervision.
15. The contractor shall insure plant, machinery and workers employed by him during execution of work and submit necessary insurance policies to the Department.

16. If the work has to be carried out beyond normal working hours and during night time approval in advance for the working has to be obtained from the Chief Engineer. Overtime charges of the departmental supervisory staff has to be borne by the `Contractor`
17. It shall be specifically noted that the contractor is expected to mobilize the required equipments and work force required to complete the entire work included in the contract well within the stipulated period.
18. As a statutory requirement, the contractor shall take all measures of safety against fire hazard and electrocution at site as follows:-
 - a) All temporary electric supply connections will be carried out with correct sizes of wires/cables and fuses and other safety devices as required under Electricity Rules in consultation with us.
 - b) One bucket full of water and sand shall be kept at the work spot. A Portable fire extinguisher shall also be kept at the work spot.
19. Quotations with conditions will be out rightly rejected.
20. The Quoter shall inspect the site and fully study the work involved vis-à-vis the quantity and specifications etc. before quoting for the work.
21. Any damage to the property of Port should be made good or compensated by the contractor.
22. After completion of days work/contract period the contractor shall clean, clear the work site to the satisfaction of the Chief Engineer or his site representative.
23. Permission for working beyond the normal working hours of the Port or on Sundays and Public Holidays as stipulated under clause No. 42 of General Conditions of Contract, (in the printed booklet)in volume-I of the tender document will be given to the contractor subject to his agreeing to bear the cost of overtime, if any, which may have to be paid to the Port's supervisory staff.
24. The contractor and his workers /agents shall be required to obtain from MPT and display a Photo Identity Card during entry, stay and exit from the Port Security areas guarded by CISF personnel`
25. All applications for issuance of Photo Identity Card shall be routed through the Chief Engineer, who shall forward the same to the Port's Traffic Department, whose pass section will issue the Photo Identity Card to the contractor or his agent free of cost the same shall be valid for the duration of the contract or a period of one year, whichever is less.
26. Subject to the availability, land for construction of temporary sheds/stores /labour hutment's etc. will be given to the contractor in Port areas at Headland, Sada. The contractor shall clear away all the

temporary structures built within a period of fourteen days after completion of the work and leave the whole of the site clean to the satisfaction of the Chief Engineer.

27. Lease rent shall be charged to the contractors for the area allotted for construction of their temporary sheds for site office/store/labour hutments required in the contract works. The licence fee shall be as per Port's scale of Rates.
28. No temporary structures/sheds which are constructed to house the contractor's office/store/labour hutments shall be permitted to be retained during the period of maintenance.
29. All the materials to be used in the structure shall be conforming to relevant ISI specification or as specified in the Tender Schedule Contractor shall undertake laboratory test as specified in the relevant ISI at the discretion of Chief Engineer and only approved materials /approved brand of materials shall be used.
30. In case the contractor fails to vacate the port premises allotted to him for site office within the stipulated period after the completion of the work, the Board shall have right to debar such defaulting contractors for future contracts of the Board by blacklisting him and shall also be charged penal lease rental at the prescribed rate.
31. Hot work permit will have to obtain whenever required as directed.
32. Contractor shall carry out all the relevant Laboratory tests of the material to be used in the construction as specified in relevant I.S.I at the approved testing laboratory. Test samples shall be selected by the representative of the Chief Engineer only, and all the expenses of such tests shall be borne by the contractor. The entire test reports in the original shall be made available to the Chief Engineer as and when the tests are carried out.
33. Free maintenance period is for 6 months.
34. Security Deposit which is EMD plus 10 % Retention Money (deducted from the bills) shall be refunded to the contractor only after successful defective liability period (Free Maintenance period.)

SCOPE OF WORK

The work put to the tender broadly comprises of the following items.

- 1 Dismantling flooring tiles laid in Cement Mortar including stacking of serviceable items & disposal of unserviceable materials etc. all tools , Plants, Labour and material complete.
- 2 Dismantling following sanitary fittings including stacking of serviceable items & disposal of unserviceable materials etc.. all tools , Plants, Labour and material complete.
3. Plastering with cement mortar (1:3) 25mm thick in three coats finishing smooth, mixed with water proofing compound etc. all tools , Plants, Labour and material complete.
4. Supplying & Fixing approved make/quality European type W.C. of vitreous china (650 x 350x 400) mm size with vented (P) trap of approved make vitreous low level flushing cistern of 10.00 lts. etc all tools , Plants, Labour and material complete...
5. Providing and fixing 610mm (24") above floor level flat back or corner type, lipped front urinal basin (470 x 300 x 315)mm etc.
6. Supplying and fixing vitreous Chaina division plates 680x315mm etc. all tools , Plants, Labour and material complete.
7. Supplying fixing mirror of (45x35cm (18'x14") etc. all tools , Plants, Labour and material complete.
8. Supplying and fixing wash basin of Viterous Chaina (550x400) mm with all fitting etc all tools , Plants, Labour and material complete..
9. Supplying & fixing in position PVC Nahni trap 100mm (4") dia with fittings incl. cost of labour , etc. all tools , Plants, Labour and material complete.
- 10.. Providing and fixing PVC soil pipes 110 mm dia (heavy)etc. all tools, Plants, Labour and material complete.
11. Providing & fixing to the wall, floor etc. CPVC pipes 12/15mm dia including jointing with sockets, bends, tees etc Labour and material complete.

12. Providing & laying PVC blue pipes (Class B) 32mm dia including jointing, with sockets, bends tees etc. all tools , Plants, Labour and material complete.
13. Providing and fixing in position 12/15 mm dia chromium plated brass stop cock of approved make & pattern. All tools, Plants, Labour and material complete.
14. Providing and fixing in position 12/15mm dia chromium plated brass bib cock of approved make & pattern. all tools , Plants, Labour and material complete.
15. Providing flooring with ceramic tiles laid over 12mm thick C.M. (1:3) including cleaning, curing etc. all tools, Plants, Labour and material complete.
16. Providing skirting/dadoing to the required height with best quality ceramic tiles of approved brand/ shade/ over a base of C.M. (1:3) 10mm thick etc. . All tools, plants, Labour and material complete
17. P/F in position aluminum louvered ventilator with Glass Louvers to match with existing etc. All tools, plants, labour and materials etc. complete.
18. White washing in two coats to wall surface incl. Scaffolding, preparing the surface by brooming, remove all dirt, dust, mortar dropping etc. All tools, plants, labour and materials etc. complete.
19. Painting with oil bound distemper in one coat on old surfaces incl. scaffolding, removing the old paint, cleaning & preparing the surfaces etc. All tools, plants, labour and materials etc. complete.
20. Painting new wood work with primer coat of approved brand/make incl. Cleaning and preparing the surface etc. All tools, plants, labour and materials etc. complete.
21. Painting wood work (old works previously painted) with 2 coats of approved synthetic enamel paint of approved shade/colour incl. preparing & cleaning the surface but excluding primer coat etc.. All tools, plants, labour and materials etc. complete.
22. Proping chajja and lintel at first floor level from inside (ht.2.25m) and outside (ht approx. 7.5m) are including necessary bracing as required etc. All tools, plants, labour and materials etc. complete.
23. Cleaning the corroded reinforcement, applying Nito Zinc primer, sheer connector 16mm dia, welding the reinforcement, applying bonding agent, filling concrete etc. All tools, plants, labour and materials etc. complete. (Repairs to the lintel and chajja)
24. Removing cracked concrete/plaster, cleaning the reinforcement applying anti rust paint, applying bonding agent, finishing the surface to the existing plaster surface etc. All tools, plants, labour and materials etc. complete.
25. Replacement of broken glass of aluminum window shutters including dismantling window shutter/window, refitting the same after replacing the glass etc. All tools, plants, labour and materials etc.
-

Aluminum window along with grill, refixing the same after repairing the window etc. All tools, plants, labour and materials etc. Complete (Approx. size 2m x 1.7m)

26. Dismantling of existing Aluminum windows etc. all tools , Plants, Labour and material complete.

27.Replacement of weld mesh of opening size 1" x 1" including dismantling of corroded weld mesh including welding the weld mesh to the MS flat of size 50mm x 10mm thick @ 60cm c/c etc. etc. All tools, plants, labour and materials etc. complete
