MORMUGAO PORT TRUST ENGINEERING (CIVIL) DEPARTMENT QUOTATION NO. CE/Q-39/2018

Name of Work: "Renovation of canteen in old CME's building in MOHP."

ADDITIONAL SPECIAL INSTRUCTIONS

- 1. The work shall be carried without disturbing the operation of Port or other agencies working in the area.
- 2. All materials bought for use shall be stored properly in a store room, to be built by contractor at his cost. Register of account of materials be maintained at site.
- 3. The Plant/machinery/craft and workman shall be insured during the work and receipts of payment made towards premiums shall be submitted to the Chief Engineer.
- 4. The Plant/machinery required during the maintenance period shall be arranged by the contractor during the maintenance period at his own cost.
- 5. The Quoter shall also assess and include the cost of labour, tools (pawdas, pickaxe, ghamelas), raincoat to workers, gloves, helmets, safety shoes/gum boots, RFID gate pass etc.
- 6. Quoters are advised to go through the Schedule of Quantities and Rates and sequence of work before submission of the quotation. They are also advised to inspect the site, ascertain for themselves the nature and the extent of work involved and also obtain all clarifications they may require before filling in the quotation.
- 7. Quoters are required to sign with date the Schedule of quantities and Rates and the form of Quotation and fill in all the particulars and details called for therein. Unsigned quotations, without the details called for are liable for rejection.

8. Measurements

The quantities provided for in the Schedule of Quantities and Rates are only approximate and are given to provide a common basis for tendering. The actual quantity may differ from those provided for in the Schedule in view of the complexity of the work and there is no claim will be entertained in case of any variation in the quantity. Payments will be made as per actual quantities carried out, jointly measured by the representative of Chief Engineer and the contractor payments will be made on percentage rate basis for the entire work. However, in case of defects/ improper execution of work, penalty will be imposed in the final bill amount payable upon approval of competetent Authority.

9. Rates and Prices to be inclusive.

The rates entered in the Schedule of Quantities by the contractor shall include the provision of all supporting special equipment, labour of required skill, supervision, materials, erection, overheads and profits, watch and ward, insurance charges, during execution and every incidental and contingent costs and charges, whatsoever, excluding GST if any for compliance with conditions of contract and specification. The GST will be paid extra as applicable which shall be claimed along with the Bill.

10. The specifications are intended to cover the execution of all works, necessary to complete the works, with all materials of accepted standards, as specified in the contract.

11. Method of Measurement

General

Unless stated or billed otherwise, all quantities shall be 'net' as they finished and provided in the work. The rates and prices shall include all allowances towards wastage of materials required for use in the work.

- 12. The quotations will be deemed to have ascertained themselves to the extent and nature of the works involved, the various constraints and high degree of skill involved in the works.
- 13. Time is the essence of contract and the entire work should be completed within a period of **Two months** as specified in the schedule. The Quoter shall also submit detailed programme for the timely completion of work giving details of gangs/labour/material supply/plant and machinery etc. taking into account the limited time schedule provided.
- 14. The Contractor's supervisory staff shall be fully experienced in the type of work to be carried out under their supervision.
- 15. The contractor shall insure plant, machinery and workers employed by him during execution of work and submit necessary insurance policies to the Department.
- 16. If the work has to be carried out beyond normal working hours and during night time approval in advance for the working has to be obtained from the Chief Engineer. Overtime charges of the departmental supervisory staff has to be borne by the `Contractor`
- 17. It shall be specifically noted that the contractor is expected to mobilize the required equipments and work force required to

- complete the entire work included in the contract well within the stipulated period.
- 18. As a statutory requirement, the contractor shall take all measures of safety against fire hazard and electrocution at site as follows:-
- a) All temporary electric supply connections will be carried out with correct sizes of wires/cables and fuses and other safety devices as required under Electricity Rules in consultation with us.
- b) One bucket full of water and sand shall be kept at the work spot. A Portable fire extinguisher shall also be kept at the work spot.
- 19. Quotations with conditions will be out rightly rejected.
- 20. The Quoter shall inspect the site and fully study the work involved vis-à-vis the quantity and specifications etc. before quoting for the work.
- 21. Any damage to the property of Port should be made good or compensated by the contractor.
- 22. After completion of days work/contract period the contractor shall clean, clear the work site to the satisfaction of the Chief Engineer or his site representative.
- 23. Permission for working beyond the normal working hours of the Port or on Sundays and Public Holidays as stipulated under clause No. 42 of General Conditions of Contract, (in the printed booklet)in volume-I of the tender document will be given to the contractor subject to his agreeing to bear the cost of overtime, if any, which may have to be paid to the Port's supervisory staff.
- 24. The contractor and his workers /agents shall be required to obtain from MPT and display a Photo Identity Card during entry, stay and exit from the Port Security areas guarded by CISF personnel`
- 25. All applications for issuance of Photo Identity Card shall be routed through the Chief Engineer, who shall forward the same to the Port's Traffic Department, whose pass section will issue the Photo Identity Card to the contractor or his agent free of cost and the same shall be valid for the duration of the contract or a period of one year, whichever is less.
- 26. Subject to the availability, land for construction of temporary sheds/stores /labour hutment's etc. will be given to the contractor in Port areas at Headland, Sada. The contractor shall clear away all the temporary structures built within a period of fourteen days after completion of the work and leave the whole of the site clean to the satisfaction of the Chief Engineer.
- 27. Lease rent shall be charged to the contractors for the area allotted for construction of their temporary sheds for site

- office/store/labour hutment's required in the contract works. The licence fee shall be as per Port's scale of Rates.
- 28. No temporary structures/sheds which are constructed to house the contractor's office/store/labour hutments shall be permitted to be retained during the period of maintenance.
- 29. All the materials to be used in the structure shall be conforming to relevant ISI specification or as specified in the Tender Schedule Contractor shall undertake laboratory test as specified in the relevant ISI at the discretion of Chief Engineer and only approved materials /approved brand of materials shall be used.
- 30. Incase the contractor fails to vacate the port premises allotted to him for site office within the stipulated period after the completion of the work, the Board shall have right to debar such defaulting contractors from future contracts of the Board by blacklisting him and shall also be charged penal lease rental at the prescribed rate.
- 31. Hot work permit will have to obtain whenever required as directed.
- 32. Contractor shall carry out all the relevant Laboratory tests of the material to be used in the construction as specified in relevant I.S.I at the approved testing laboratory. Test samples shall be selected by the representative of the Chief Engineer only, and all the expenses of such tests shall be borne by the contractor. The entire test reports in the original shall be made available to the Chief Engineer as and when the tests are carried out.
- 33. Maintenance period is 12 months for this work.
- 34. Security Deposit which is EMD and 10% retention money shall be refunded to the contractor only after successful liability period.
- 35. The contractor has to post an experienced supervisor / Engineer during execution of this contract work.

QUOTATION NO: CE/Q-39/2018

Name of Work: "Renovation of canteen in old CME's building in MOHP."

SCOPE OF WORK

- Demolishing RCC work in trap stone metal including stacking of serviceable material and disposal of unserviceable material within a lead 0f 100m including all tools & plant , labour, material etc. complete.
- 2. Cutting of steel in RCC work (sectional area of the RCC work to be measured including all labour, material tools and plant etc. complete.
- 3. Demolishing and clearing away laterite brick or rubble masonry in C.M including stacking serviceable material & disposal of unserviceable material at places pointed out upto a lead of 100m including all tools & plant labour & material complete.
- 4. Dismantling flooring tiles/ dadoo laid in cement mortar including stacking of serviceable items & disposal of unserviceable materials within a lead of 100m including all labour & material, tools & plant etc. complete.
- 5. Dismantling doors, windows and ventilators having area not more than 3.0m2 including removal of frames, fastening etc. from masonry and stacking at places pointed out within a lead of 100m including all tools & plant labour & material complete.
- 6. Providing flooring with vitrified tiles of approved quality, shade, laid over 20mm thick c.m.(1:3) including cleaning, curing etc. All tools & plant labour & material complete (Note: Minimum base rate of tiles = Rs 600/- m2)
- 7. Providing dadooing to the required height with best quality vitrified tiles of approved quality, shade, set over a base of c.m.(1:3) 10mm thick including cutting the tiles where required necessary specials, pointing, curing etc. All tools & plant labour & material complete (Note: Minimum base rate of tiles = Rs 600/- m2)
- 8. Providing and fixing 25 to 30mm thick both sides polished cudappa stone slabs for vertical supports / horizontal supports for kitchen platform in c.m. (1:6) including polishing with black polish. All tools & plant labour & material complete.
- 9. Providing and fixing granite stone for platforms horizontal/ vertical one side polished including moulding the edges etc. All tools & plant labour & material complete.
- 10. Providing & fixing to the wall, floor etc CPVC pipe 20mm dia including jointing with sockets, bends, tees, etc, all cutting, threading, jointing, material cost of pipes, breaking the wall, floor, and making good the same etc. All tools & plant labour & material complete.
- 11. Providing & fixing to the wall, floor etc CPVC pipe 12/15mm dia including jointing with sockets, bends, tees, etc, all cutting, threading, jointing, material cost of pipes, breaking the wall, floor, and making good the same etc. All tools & plant labour & material complete.

- 12. Providing & fixing CVC. soil pipes 110mm dia (heavy) with necessary specials including making joints water tight with required solution & providing & fixing necessary P.V.C. holder bat clamps, cutting & making good the walls etc., All labour & material complete.
- 13. Removing old paint, distemper etc using sand paper, necessary minor repairs to the surface, cleaning the surface with water etc. All tools & plant, labour & material complete.
- 14. Painting with distemper primer of approved quality (cement primer) including clearing off dust if any, scaffolding etc. All tools & plant, labour & material complete.
- 15. Distempering with oil bound distemper of approved quality/make and colour/ shade in two coats including cleaning and preparing surface, scaffolding etc. All tools & plant labour & material complete.
- 16. Painting iron / metal work with one coat of primer of zinc chromite including clearing the surface of all dirt, dust and other foreign matter as directed by the Chief Engineer or his representative. All labour, materials, tools and plant etc complete.
- 17. Painting iron / metal work with two coats of approved synthetic enamel paint of approved colour / shade (excluding priming coat) including clearing the surface of all dirt, dust and other foreign matter as directed by the Chief Engineer or his representative. All labour, materials, tools and plant etc complete.
- 18. Relocating by dismantling and refixing Window grills = 2 nos , aluminium windows = 2 nos, Bib cocks = 2 nos and repairing the Canteen counter etc . All tools, plant, labour and material etc complete
- 19. Transporting and dumping surplus excavated material/dismantled material in the low lying areas, including loading, unloading, transporting, rough levelling etc. at places as directed by the Chief Engineer or his representative within a lead of 5.00 kms. All tools, plant, labour and material etc. complete.
