CHIEF MECHANICAL ENGINEER
MORMUGAO PORT TRUST

SCHEDULE – “A”

1. SCOPE OF WORK

Mormugao Port Trust proposes to repair the cat walk structure at Berth no.8 by replacing the badly corroded M.S. members and sand blasting and painting the entire structure.

1.1 TECHNICAL SPECIFICATION

- a) The work shall be carried out as per the price schedule attached with the quotation and in consultation with the Mechanical Department of MPT.
- b) Replacement of badly corroded M.S. members such as angles and plates as per price schedule and as per the size of the existing member at site.
- c) Sand/grid Blasting, cleaning the entire structure to make it rust free and paint the entire structure with two coats of zinc rich epoxy primer and two coats of epoxy finish coats.
- d) Thickness of each coat of primer should be 80 – 100 microns and that of finish coat should be 45 – 60 microns.
- e) Storage arrangements for all materials and tools and plants shall be made by the contractor at his own cost.
- f) The old dismantled material shall be Port's property and the same shall be transported and unloaded at M.M. Depot, Baina by the contractor at his own cost. In case of failure of shifting of materials from site immediately after completion of work, the same will be carried out by engaging departmental labour or some other agency at the risk & cost of the contractor.
- g) Contractor shall provide all necessary tools, scaffolding, plants, protective equipments including life jackets etc to its workers, take safety measures as required and follow all safety procedures.
- h) Contractor shall not carry out welding and gas cutting work when the POL carrying ship is at Berth No. 8. Necessary clearance will be given by Port in advance.
- i) Quantities shown in Price schedule are approximate which may vary, depending upon the site condition. Payment will be made as per the site measurement and after due approval of variation statement.
- j) All materials to be used in the structure shall be conforming to relevant ISI specifications or as specified in the quotation and only approved materials/approved brand of materials shall be used.
- k) All the material such as steel, paint, welding electrodes, gas cylinders etc. shall be supplied by the contractor.
- l) Makes of the material:
 - i) Welding electrodes: L&T, Advani, Orlicon, etc.
 - ii) Steel : Vizac, TATA, Jindal, SAIL etc.
 - iii) Paints: Jotun, International, Johnson, Berger etc.

Note: The tenderer shall quote strictly as per 'schedule A1'.
