**ADDITIONAL SPECIAL INSTRUCTIONS**

1. The work shall be carried without disturbing the operation of Port or other agencies working in the area.
2. The Plant/machinery/craft and workman shall be insured during the work and receipts of payment made towards premiums shall be submitted to the Chief Engineer.
3. Quoters are advised to go through the Schedule of Quantities and Rates and sequence of work before submission of the tender. They are also advised to inspect the site, ascertain for themselves the nature and the extent of work involved and also obtain all clarifications they may require before filling in the tender.
4. Quoters are required to sign with date the Schedule of quantities and Rates and the form of Quotation and fill in all the particulars and details called for therein. Unsigned quotations, without the details called for are liable for rejection.
5. Measurements  
The quantities provided for in the Schedule of Quantities and Rates are only approximate and are given to provide a common basis for tendering. The actual quantity may differ from those provided for in the Schedule in view of the complexity of the work. Payments will be made according to the actual quantities of work ordered and carried out, jointly measured by the representative of Chief Engineer and the contractor.
6. Rates and Prices to be inclusive.  
The rates entered in the Schedule of Quantities by the contractor shall include the provision of all supporting special equipment, labour of required skill, supervision, materials, erection, overheads and profits, watch and ward, insurance charges, during execution and every incidental and contingent costs and charges, whatsoever, excluding goods and service tax if any for

compliance with conditions of contract and specification. The GST will be paid extra as applicable which shall be claimed along with the Bill.

7. The specifications are intended to cover the execution of all works, necessary to complete the works, with all materials of accepted standards, as specified in the contract.

## 8. Method of Measurement

### General

Unless stated or billed otherwise, all quantities shall be `net` as they finished and provided in the work. The rates and prices shall include all allowances towards wastage of materials required for use in the work.

9. The tenders will be deemed to have ascertained themselves to the extent and nature of the works involved, the various constraints and high degree of skill involved in the works.
10. The Contractor`s supervisory staff shall be fully experienced in the type of work to be carried out under their supervision.
11. The time is the essence of the contract and as such the entire works shall be completed within the stipulated time.
12. If the work has to be carried out beyond normal working hours and during night time approval in advance for the working has to be obtained from the Chief Engineer. Overtime charges of the departmental supervisory staff has to be borne by the `Contractor`
13. It shall be specifically noted that the contractor is expected to mobilize the required equipments and work force required to complete the entire work included in the contract well within the stipulated period.
14. Water and electricity will be supplied to the contractor free of cost.
15. As a statutory requirement, the contractor shall take all measures of safety against fire hazard and electrocution at site as follows:-
  - a) All temporary electric supply connections will be carried out with correct sizes of wires/cables and fuses and other safety devices as required under Electricity Rules in consultation with us.
  - b) One bucket full of water and sand shall be kept at the work spot. A Portable fire extinguisher shall also be kept at the work spot.
16. Quotations with conditions will be out rightly rejected.
17. The Quoter shall inspect the site and fully study the work involved vis-à-vis the quantity and specifications etc. before quoting for the work.

18. The contractor shall be liable to pay compensation for any damage to the Port property or its premises caused during the maintenance operation by the contractor or his workers.
19. After completion of day's work/contract period the contractor shall clean, clear the work site to the satisfaction of the Chief Engineer or his site representative.
20. The contractor shall communicate in writing name of all his workers and submit the photo identity card ,name ,address ,phone/contact number of the person to be deployed to work in the garden along with his Power of Attorney letter .
21. Permission for working beyond the normal working hours of the Port or on Sundays and Public Holidays as stipulated under clause No. 42 of General Conditions of Contract, (in the printed booklet) in volume-I of the tender document will be given to the contractor subject to his agreeing to bear the cost of overtime, if any, which may have to be paid to the Port's supervisory staff.
22. The contractor and his workers /agents shall be required to obtain from MPT and display a Photo Identity Card during entry, stay and exit from the Port Security areas guarded by CISF personnel`
23. All applications for issuance of Photo Identity Card shall be routed through the Chief Engineer, who shall forward the same to the Port's Traffic Department, whose pass section will issue the Photo Identity Card to the contractor free of cost and the same shall be valid for the duration of the contract or a period of one year, whichever is less.
24. The instruction given by the JE /Chief Engineer's authorized Representative /Officer in charge shall have to be carried out promptly.
