**EXECUTIVE ENGINEER (P&D)
MORMUGAO PORT AUTHORITY**

SECTION – I

1.0 GENERAL TERMS AND CONDITIONS OF CONTRACT

1.1 COST OF THE QUOTATION DOCUMENT:

NIL

1.2 EARNEST MONEY DEPOSIT (EMD):

1.2.1 Earnest Money Deposit (EMD) – shall be Rs. 1,440 /- (Rupees one thousand four hundred and forty only) – E-payment receipt of the same shall be submitted along with the Technical Bid. Failure in submission of EMD will render the bidders disqualified, except in the case as per Clause No. 1.2.2 below. Exemption towards payment of EMD will be extended only to Micro and Small Enterprises.

1.2.2 Micro and Small Enterprises (MSE) registered with District Industries Centre (DIC) or Khadi and Village Industries commission or Khadi & Industries Board (KVIB) or Coir Board or National Small Industries Corporation (NSIC) or Directorate of Handicrafts and Handlooms or Udyog Aadhar memorandum or any other body specified by Ministry of MSME shall be exempted of EMD on producing self-attested supporting certificates along with Technical Bid.

1.3 MINIMUM ELIGIBILITY CRITERIA:

1.3.1 FINANCIAL CRITERIA

The Bidder should have an average Annual financial turnover of **at least Rs. 21,600/-** for the three financial years of 2018-19, 2019-20, 2020-21.

In case of Micro and Small Enterprises the Average Annual Financial Turnover shall be **at least Rs. 10,800/-** for the three financial years of 2018-19, 2019-20, 2020-21, subject to production of certificate issued by MSME authorities.

In support of this, documentary evidence duly self-attested viz. Auditor's certificates / balance sheet / profit and loss statement for the financial years of 2018-19, 2019-20, 2020-21 shall be submitted, without which the bid will be summarily rejected and price cover shall not be opened/considered.

1.3.2 TECHNICAL CRITERIA

The Bidder shall have successfully completed Similar Works during last 7 (Seven) years ending last day of month previous to the one in which Quotations are invited should be One similar completed work.

“Similar Works” means painting of steel structures / electrical equipments.

In support of this, Work Order, TDS certificate and Satisfactory Work Completion Certificate, issued by client, duly signed & stamped, shall be submitted, without which the bid will be summarily rejected and price cover shall not be opened/considered.

1.4 RESPONSIVENESS OF BID:

An offer shall be considered non-responsive and shall be summarily rejected in case:-

- i) It is not accompanied by requisite EMD payment receipt.
- ii) The quotation document is not enclosed duly signed with seal on each page alone with Annexures duly filled signed with seal, by the bidder.
- iii) The validity of the offer is less than quotation stipulation,

- iv) It does not meet the Minimum Eligibility Criteria as stipulated in the Clause No. 1.3 and the corresponding documents in support of it have not been submitted.
- v) The bidder submits conditional offer / imposes own terms and conditions / does not accept quotation conditions completely.
- vi) It is not received by the Application Due date and time including any extension thereof.

1.5 **BID VALIDITY:**

The Bid validity shall be 120 days from the due date of submission of the quotation.

1.6 **SUBMISSION OF QUOTATION:**

1.6.1 The **SEALED SINGLE COVER** should be super scribed as ‘Quotation for “**Painting of D.G. Set Exhaust Chimney**” and shall contain the following:-

- a) EMD payment receipt.
- b) Work orders, TDS certificates, completion certificate issued by client duly signed and stamped.
- c) Pan card copy duly signed and stamped.
- d) GST registration certificate copy duly signed and stamped.
- e) EPF/ESI registration certificate copy duly signed and stamped.
- f) Bank details as per Annexure – I duly signed and stamped.
- g) Entire Quotation document Signed & stamped on each page.

The price cover duly filled, stamped & signed shall be enclosed in a separate envelop super scribed as ‘PRICE COVER’.

*All the above listed documents (a) to (g) and the price cover shall be enclosed in **ONE SEALED ENVELOP** and addressed to **The Executive Engineer (P & D), Office of The Chief Mechanical Engineer, 2nd floor, Main Administrative Bldg., Headland Sada - Goa** and submitted before the due date and time.*

1.6.2 The Bidder shall be allowed to be present during the opening of the quotation, in-case he/she desires to. However, necessary COVID-19 related SOPs to be followed and valid RT-PCT test report / vaccination certificate to be produced before the CISF at the main gate.

1.7 **PRICE:**

The evaluation shall be on the basic price. The rates offered shall be exclusive of GST. If any new tax imposed by the State/Central Govt., same shall be reimbursed by producing documentary proof.

1.8 **ALTERATIONS / COUNTER CONDITIONS:**

1.8.1 The Bid shall contain no alterations/additions, except those to comply with instructions issued by MPA.

1.8.2 The Bid with any counter conditions will be summarily rejected.

1.9 **SECURITY DEPOSIT (SD):**

1.9.1 The contractor shall within 15 days from the date of receipt of LOA, shall furnish a DD towards Security Deposit equivalent to **3% (three percent) of the contract value plus GST of 18%**, rounded off to nearest 100 rupees. This Security Deposit will be converted to Performance Guarantee upon completion of the work. The DD shall be from Nationalized/Scheduled Banks in favour of the Financial Advisor & Chief Accounts Officer, MPT, payable at Vasco, Goa.

- 1.9.2 The Security Deposit converted to Performance Guarantee will be refunded to the contractor after satisfactory completion of contractual guarantee period as per Clause No.1.10 from the date of satisfactory completion of work and acceptance by MPA.
- 1.9.3 The Board may, at its option, forthwith forfeit the above Security Deposit in whole or part, if in the opinion of the Board the contractor has failed to fulfill any or all of the conditions of this contract without prejudice to any and all rights of the Board to recover from the contractor any amount falling due to the Board through non-observance by the contractor of any of the clause thereof.
- 1.10 **COMPLETION PERIOD:**
The entire work shall be completed within 37 days from the date of issue of Letter of Acceptance (LOA)
- 1.11 **GUARANTEE PERIOD:**
The Contractor shall guarantee the subject work **for a period of 06 months from the date of satisfactory completion of work and acceptance by MPA.** If any defect is observed during the guarantee period, the same shall be rectified by the Contractor, free of cost under guarantee obligations.
- 1.12 **PAYMENT TERMS:**
- 1.12.1 100% Payment will be released on successful completion of contract work as per the scope of work indicated at Clause No. 2.0 and certification by MPA engineers.
- 1.12.2 The payment will be released within 30 days for final bills from the date of receipt of undisputed bills in duplicate and with all other supporting documents (EPF/ESI challans, muster roll, wage register).
- 1.12.3 The contractor shall furnish their bank account details for the payment through ECS by the MPA. A copy of the PAN card, GST Registration no., EPF& ESI shall be furnished. MICR number, Name of the Branch along with Bill for arranging payment made through E.C.S. by the MPA.
- 1.13 **LIQUIDATED DAMAGES: (LD)**
In the event of failure by the contractor to complete the execution of the work within the time stipulated in the contract or by the expiry of any period of extension granted by the Board's terms thereof, the contractor shall pay the Board as Liquidated Damages for delay to complete the work, a sum of 0.5% per week or part thereof of contract value subject to a maximum of 5% of contract value and the Board shall have the power to deduct this amount from the payment of the amounts due to the contractor. The GST @18% on LD will be deducted at the time of making payment to Vendors/Contractors.
- 1.14 **EPF/ESI:** Applicability of EPF and ESI Act.
- 1.14.1 The Bidder / Contractor shall ensure strict compliance of the labour laws including those under the Employees State Insurance Act, 1948 and the Employees Provident Fund & Miscellaneous Provisions Act, 1952 and rules and regulations framed therein.
- 1.14.2 The Bidder / Contractor shall ensure that the statutory contribution towards the Employee State Insurance Act, 1948 and the Employees Provident Fund & Miscellaneous Provision Act, 1952 in respect of the employees engaged by him are deposited with the authority concerned and a proof having deposited the contribution should be produced at the office of CME by 10th of the succeeding month in which the payment was due.

1.14.3 In the event any Bidder raises a dispute that he is not covered under the provisions of Employees State Insurance Act, 1948 and the Employees Provident Fund & Miscellaneous Provision Act, 1952 such Bidder should obtain Certificate from the Competent Authority under these Acts and produce the same documentary evidence at the office of the Chief Mechanical Engineer.

1.14.4 The amount recovered if any, as statutory dues in respect of the Employees Provident Fund and Miscellaneous Provisions Act, 1952 and the Employees State Insurance Act, 1948 shall be released only after producing documentary evidence / no dues certificate from the authorities under these Acts.

1.15 **SECURITY & SAFETY REQUIREMENTS:**

1.15.1 It will be entirely the contractor's responsibility to take required steps to adequately safeguard the personnel carrying out the work and to ensure that the work is carried out in such a manner that maximum safety to the personnel is assured. Further any insurance of the personnel as per regulations in force has to be taken care of by the contractor.

1.15.2 The contractor shall comply with all regulations imposed by the customs and MPA security authorities in respect of the passage of vehicle, materials and personnel through customs and Port barriers. No photographs/films of the work or any part thereof and of Plant/premises shall be taken or permitted to the contractor without the specific approval of the General Administration Department of MPA.

1.16 **GATE PASS:**

Necessary RFID entry passes shall be obtained by the Contractor at their **own cost** with the approval of MPA Officials for entry into Port area. The same can be obtained online from our website <https://mptgoa.gov.in>.

1.17 **INJURY/DAMAGE TO PERSONS AND PROPERTY:**

1.17.1 The contractor shall take all precautions while carrying out the contract work against any possible damage to MPA property. Should any such damage be done by the contractor, he shall make good or bear the cost of making good the same, when brought to his notice, without delay to the satisfaction of the Engineer, failing which the same will be recovered from the bill.

1.17.2 The contractor shall indemnify MPA against any claim that may arise for any damage to or loss to Port property or injury caused to Port personnel or to any labour engaged by the contractor, during the execution of the contract. MPA will not be responsible for any failure on the part of the contractor or his agent to take necessary measures or precautions in this regard. In this regard contractor will be wholly responsible, if any injury/death of his person on duty, and contractor shall take necessary insurance policy to cover the staff while at work to meet any such eventualities.

1.18 **FORCE MAJEURE:**

Notwithstanding anything in this contract to the contrary neither the MPT nor the contractor shall be liable or deemed to be in default for any failure or any delay in performance hereunder, if caused by "force majeure" which term shall mean but not be limited to fire, explosion, natural causes like flood, earthquake, civil commotion, strikes epidemic, pandemic and other acts of God, action of enemies, act of any government or other similar causes beyond the control of the party affected, who shall notify the other party within a reasonable time from the beginning of the operation of said cause and shall thereafter exert all diligence to overcome such cause of delay and resume performance.

1.19 **PERSONAL PROTECTIVE EQUIPMENTS:**

The Contractor shall be solely responsible, at his own cost, for the supply of required PPE to his workers and staff and he shall also ensure the use of PPE such as helmets, safety shoes, nose masks, hand gloves, Safety Harness or any other equipment as required depending on nature of work by his staff at site.

1.20 **FORECLOSURE OF CONTRACT**

Notwithstanding anything in the contract document, the contractor agrees that MPA shall be entitled to foreclose the contract on occurrence of the following events:

- i) In the event of breach of contract by the Contractor
- ii) An emergency or
- iii) For national security and /or national interest and /or public reasons.

Upon the occurrence of the events specified in the above (i),(ii) and (iii)above, MPA reserves the right to fore close the contract at any point of time during the contract period on the issue of the termination notice. MPA shall not be liable to compensate the contractor or any other person for any losses or estimated loss of profits during such period.

1.21 **WORK NOT TO SUBLET:**

The contract shall not be assigned or sublet without the written prior approval of the Engineer in charge.

1.22 **INDEMNIFICATION:**

The contractor shall be deemed to indemnify and keep indemnified MPA from and against all actions, claims, demands and liabilities whatsoever under and in respect of the breach of any of the provisions of any law, rules or regulations having the force of law, including but not limited to:-

- a) The Minimum Wages Act, 1948.
- b) The Dock Workers (Regulation of Employment) Act, 1948
- c) The Building And Other Construction Workers (Regulation of Employment & Conditions of Service) Act, 1996
- d) The Dock Workers' Safety, Health & Welfare Act, 1986
- e) The Payment of Wages Act, 1936.
- f) The Workmen's Compensation Act, 1923.
- g) The Employees Provident Fund Act, 1952.
- h) The Contract Labour (Regulation and Abolition) Act, 1970; Rules 1971.
- i) The Payment of Bonus Act, 1965.
- j) The Payment of Gratuity Act, 1972.
- k) The Equal Remuneration Act, 1976.
- l) The Employees State Insurance Act, 1948 & Employees State Insurance (Amendment) Act,1989
- m) Child Labour (Prohibition and Regulation) Act, 1986.
- n) The Maternity Benefits Act 1961.
- o) Interstate Migrant Workmen (Regulation of Employment & Conditions of Service) Act, 1979.
- p) Motor Vehicle Act, latest revision.

1.23 **TAXES:**

- 1.23.1 The contractor shall be registered under GST and shall furnish documentary evidence in support of valid GST registration.
- 1.23.2 The Contractor shall remit the GST amount in the invoice to the Government within the due dates and also file the returns by mentioning the GSTIN of the Mormugao Port Authority (MPA) to enable MPA to avail eligible Input Tax Credit (ITC). The Contractor shall indemnify MPT from any loss of eligible ITC of GST paid by it to the Contractor based on their tax invoice, due to non-payment of GST or non-filing of GST returns by the Contractor or non-compliance of GST Act/provisions. The Contractor shall remit such GST amount with applicable interest and penalties to the MPT within 7 days from the date of intimation by MPT about non-availing of eligible ITC. MPT also reserves its right to deduct such GST amount with interest and penalties from the subsequent bills, Security Deposit or any amount due to the contractor by MPT.

1.24 **OTHER TERMS AND CONDITIONS:**

- 1.24.1 All tools and tackles shall be arranged by the Contractor at their own cost.
- 1.24.2 The Bidder shall inspect the site of the exhaust chimney and connecting pipe of the 500 KVA DG set at AO Bldg., to ascertain the quantum of work before submitting their bid.
- 1.24.3 The technical specification at Section – II and Price Schedule (Bill of Quantities) at Section – III to be read in conjunction to ensure the actual supply and works involved.
- 1.24.4 The Crane, if available and power supply shall be provided by MPA on chargeable basis for execution of the work. However, the Contractor is free to take power supply from the other source by making their own arrangement with prior intimation to the MPA Engineer.
- 1.24.5 The contractor shall provide any other items which have not been specifically mentioned in the Price Schedule (Bill of Quantities), but which are found necessary for completion of the works without incurring any additional expenditure to MPA.
- 1.24.6 The Contractor shall pay the labour engaged by him for the work a fair wage, as may be fixed by the Labour Department of the State as per the applicable Minimum Wages Act. The payment shall be strictly made to the labour by the contractor through Bank Account.
- 1.24.7 Address for communication and submission of bid:
Executive Engineer (P&D),
Office of the Chief Mechanical Engineer,
2nd floor, A.O. Bldg.,
Mormugao Port Authority,
Headland Sada, Goa – 403804.

**EXECUTIVE ENGINEER (P & D)
MORMUGAO PORT AUTHORITY**

SECTION – II

2.0 TECHNICAL SPECIFICATION/SCOPE OF WORK

2.1 **Introduction :**

Mormugao Port Authority (MPA) intends to carry out painting of existing exhaust chimney which is connected to 500 KVA D.G. Set at Administrative Bldg.

2.2 **Scope of work:**

The Scope of Work consists of surface cleaning & applying primer & heat resistant paint for 500KVA D.G. set exhaust chimney (approx. 20 mtr. height) along with connecting pipe from D.G. set to chimney. The work shall be carried out by providing all materials, safety equipment & scaffolding.

The Bidder shall inspect the site of the exhaust chimney and connecting pipe of the 500 KVA DG set at AO Bldg., to ascertain the quantum of work before submitting their bid.

The detailed technical specification are mentioned below:-

2.3 **Detailed Technical Specification:**

- (a) The outer surfaces of chimney shall be cleaned and scrapped thoroughly, until at least 95% of each element of surface area is free of all visible residues with desired surface profile.
- (b) Painting work of entire outer surfaces of chimney for protection of environment corrosion by application of 1 coat of Epoxy zinc phosphate primer and 2 coats of Heat resistant synthetic medium based two packs Aluminium paint with surface preparation by cleaning & polishing. The paint shall be applied uniformly on the surface, the type of which is given at Table -1. The sample of which has to be approved by Port engineers before commencement of work.
- (c) All the paint materials shall be of first quality and conform to the following general characteristics as per the table-1.

Table -1

Sr. No.	Description	Requirement
1.	Technical name	Heat resistant synthetic medium based two packs Aluminium paint suitable up to 400°C dry temp.
2.	Over coating interval	Min. 24 hrs.
3.	Temperature Resistance (minimum)	250 ⁰ c
4.	Colour	Silver grey

- (d) Painting system for chimney covering surface preparation, application of primer coats and final coats to develop the required minimum dry film thickness on steel surface as per table-2.

Table - 2

Sr. No.	Primer	Coating system (Finishing coat)	Total DFT in Microns (min.)	Remarks
1.	01 coat of Epoxy zinc phosphate primer.	02 coats of Heat resistant synthetic medium based two packs Aluminium paint.	60	Heat resistant synthetic medium based two packs Aluminium paint shall be ambient Temperature curing type.

- (e) The surface is to be primed with one coat of primer within 4 hrs. after the cleaning. If this period of 4 hrs. is not observed due to any reasons whatsoever, the surfaces indicated should be cleaned again before the coat of primer is applied.
- (f) After painting first coat of finish paint 16 hrs. of interval has to be observed for drying before painting the second coat of finish paint.
- (g) Edges, corners, crevices, depression, joints and welds shall receive special attention to ensure that they receive painting coats of the required thickness.
- (h) Any damage to outer surfaces of chimney while scrapping such as crack, cavity etc, the same to be rectified by welding a MS patch plate of required size and shape over the base plate, which is also considered in the scope of work. However, the contractor shall carry out the above repair works, free of cost. The contractor shall obtain necessary 'Hot work permit' from the Port authority to carry out the necessary work.
- (i) The Contractor has to arrange all tested tools and tackles, mechanical handling equipments, safety equipments, ladders, scaffolding etc. required for the completion of the job which are to be supplied by the contractor.
- (j) The subject work shall be carried out as per relevant IS standard and also execute the electrical work as per Indian Electricity Rule (IER).
- (k) Since the work is to be carried out at a considerable height on the crane the contractor shall arrange for PPE (Personal Protective Equipments), safety belts etc. for all his staff required to carry out the job. All the workmen of the contractor shall be covered under a suitable insurance policy. Accidents, if any, fatal or otherwise at site shall be the sole responsibility of the contractor. The Port shall not be held liable for compensation in whatsoever manner under any circumstances.

2.4 Safety Rules & Regulations for contractor's employees:

MPA's Safety Rules & Regulations for contractor's employees as given in the Annexure – II will be complied strictly during the execution of various works at site. Contractor has to follow the Safety Rules & Regulations as per Indian Electricity Rules to do the electrical works. MPA shall not provide any safety appliances and tools & tackles under any circumstances. Contractor shall ensure the use of safety appliances during the work at site. Contractor will take full safety measures and arrange the necessary safety gadgets / appliances, tools & tackles, helmet, safety belt, safety suit / uniform, safety net, ladders, trolley etc. as necessary.

STANDARD OPERATING PROCEDURE FOR SAFE WORK AT HEIGHTS

1. The site conditions should be assessed by a competent site in-charge/ supervisor/ foreman to identify all the hazards present along with the associated risks.
2. No work should be carried out in rough weather conditions like heavy rains, strong winds etc.
3. For all work on the roof top of shed/ high rise structures, safety net with adequate load bearing capacity should be provided underneath the roof trusses to have a fall protection system.
4. Lifelines should be provided at regular intervals to allow workers to hook their safety belts all the time while working at a height.
5. The workers should strictly wear safety belts, which should be hooked to the nearest lifeline all the time.
6. Other Personal Protective Equipment (PPE) like safety helmet, safety shoes, reflective jackets etc. should be worn by workers all the time, while at work.
7. The work platform or scaffolding used for work at height should possess required load bearing capacity with adequate guard rails.
8. The work should not be carried out in haste and shortcuts should be avoided.
9. Workers should be familiarized with basic first aid procedures and all the emergency numbers to act promptly in the event of any accident/incident.
10. Any dangerous occurrence should be brought to the notice of concerned authority for necessary action.
11. All tenders/quotations involving work at heights should incorporate conditions for provision of safety nets of adequate load bearing capacity underneath the roof/ working platform and adequate number of lifelines on the rooftop as a fail proof fall protection system.
