Most transaction projects in India ports are supported by Consultants as a PMU. The same transaction advisor supports the Client for transaction of various PPP projects under the same PMU mandate.  Bid process of all these individual projects is handled separately. Further, different developers / concessionaire are selected for each PPP project.  Please treat various projects undertaken under a PMU mandate as different PPP projects for the purpose of the evaluation.	Irrespective of PMU or Direct appointment, the Transaction Advisory Services shall render to Projects of Rs 150cr or more under PPP mode for last seven years prior to Project due date are eligible.  The requirement of receipt of professional fees under clause 3.2.1 of Tender stands deleted.
15	<b>3.2.1, Eligible Assignments</b> Provided that the Applicant firm claiming credit for an Eligible Assignment shall have, prior to PDD, received professional fees of at least Rs. 30 lakhs for such assignment.	Please delete this clause.  In light of the above request, it is not possible to bifurcate the entire PMU fee for each individual PPP project undertaken during the PMU tenure.  Hence, instead, a requirement of “at least 80% completion”, without specifying any fee, may be kept.	Clarified as above.
