Name of Work: **“Replacement of wooden rooftop of CISF Guest house at Harbour.”**

ADDITIONAL INSTRUCTIONS TO TENDERERS

The instructions to be the tenders shall be instructions to “Tenderers” as modified or added to by the following Additional Instructions to Tenderers which shall be read and construed with the instructions to Tenderers as if they were incorporated therewith.

In so far as any of the provisions in Additional Instructions to Tenderers may conflict with or be inconsistent with the instructions to Tenderers the Additional Instructions to Tenderers shall prevail.

Sealed tenders are invited on item rate basis for work described in the Tender Notice referred to herein before. In the percentage rate quoted by the Tenderers shall be inclusive of Sales Tax, VAT, General Tax, Octroi, Excise Duty, Income Tax, workers safety devices etc. and all other incidental charges that the tenderer may have to bear for the execution on the works but excluding GST. GST shall be paid as per applicable rates along with the all bills for payment.

1. Earnest Money:

No tender will be considered which is not accompanied by the Earnest Money Deposit (E.M.D.) for the sum stipulated in the tender notice which is lodged on the understanding that in the event of the tenderer withdrawing his tender before the expiry of 120 days from the last date of submission of the tender document. (Whether or not the submitted tender(s) are opened or otherwise at the time of tenderer withdrawing his tender), the tender shall be cancelled and the Earnest Money (E.M.D) deposited by the tenderer forfeited to the trustees and if the tender is accepted the security Deposit (SD) mentioned in Para 5 hereinafter will be furnished.

2. Tenderers must return the complete tender set duly signed wherever required. Any tender not so signed will not be considered. Alterations to the conditions of contract and specifications will not be entertained.
3. The Chief Engineer and/ or the Trustees reserve the right to reject any tender without assigning any reasons or to accept any tender as a whole or in part and does not bind himself/themselves to accept the lowest or any tender, No reasons will be assigned for the rejection of any tender.
4. Tenderers are strongly advised to inspect the site so that they are fully aware of the nature of scope of the works to be carried out before Tendering for the same.
5. Premium of various insurance policies required to be taken out by the contractor as per the provisions of the contract will not be reimbursed to the contractor.
6. Cost of testing of materials will be borne by the Contractor.
7. Tenderers should note the arrangements described in the tender document for prompt payments of bills.
8. Further particulars can be obtained on application to the office of the Chief Engineer, Mormugao Port Trust A.O. Building, Headland, Sada, during the office hours.
9. The Chief Engineer and/ or the Trustees reserve the right to reject any tender without assigning any reasons or to accept any tender as a whole or in part and does not bind himself/themselves to accept the lowest or any tender, No reasons will be assigned for the rejection of any tender.
10. Tenders submitted will remain open for acceptance for a period of **120** Days from the date of opening of tenders.
11. Contract period for the subject work is **3(three) months** from the date of receipt of purchase order or release of site for the first order whichever is later.
12. Counter conditions stipulated in completion period by Contractor will not be considered. Tenders with counter condition are likely to be rejected summarily without assigning any reason thereof.
13. Time is the essence of the contract and work has to be completed on the given time.
14. The tenderers are strongly advised to inspect the site of work and acquaint themselves with site conditions, nature and quantum of work involved etc. before tendering. Such an inspection can be arranged in consultation with the Executive Engineer HR, Tel. No. 2594674.
15. The Tenderers must not quote counter conditions involving extra expenditure. The Tenderers should refrain from sending revised or

amended offers after the closing date of the tender. The Chief Engineer reserves the right to reject such offers without assigning any reasons thereof.

16. The Maintenance period for this work is 12 months.
17. The Contractor should comply with the provision of the Building and Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.and EPF & ESI relevant Act.
18. Further details can be had from the office of the undersigned at the New Administrative Office Building of MPT at Headland, Sada.
19. Time is the essence of contract. Liquidated Damages for delay in completion of work shall be recovered at the rate of 0.5 % of the Contract Price per week or part thereof subject to a Maximum ceiling of 5% of the Contract Price. The contract is liable to be terminated if there is a delay of more than 25% of contracted period of completion.
20. GST registration is mandatory GST as applicable shall be paid extra with running bills against the submission of Tax Invoice.

CHIEF ENGINEER

AN ISO 9001:2015 PORT

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

TENDER NO: CE/37/2018

Name of Work: :**“Replacement of wooden rooftop of CISF Guest house at Harbour.”**

ADDITIONAL GENERAL CONDITIONS OF CONTRACT

1. The quantities mentioned in the Schedule of Quantities and Rates are only approximate and the Board is liable to pay for only such quantities of work as are actually executed.

2. The item rate quoted by the contractor shall be exclusive of GST,. and all other incidental charges that the tenderer may have to bear for the execution of the works.

GST Registration for the bidder is mandatory. Bidder has to enclose attested copy of the GST Registration Certificate along with the tender. GST has to be claimed extra as applicable while submitting the bills.

3.WATER & ELECTRIC SUPPLY: Water and electricity will not be supplied by the department. The contractor has to make his own arrangement at his own cost.

4. The Tenderer`s supervisory staff shall be fully experienced in this type of work and all safety precautions should be taken and the work will be carried out under their supervision.

5. The contractor shall insure plant, machinery and workers employed by him during execution of work and submit necessary insurance policies to the Department.

6.(a)Without limiting his obligation and responsibilities under Clause 21 of G.C.C. (Vol. I) The contractor shall insure, at his cost, in the joint names of the Board and the Contractor against all loss or damage from whatever cause arising (other than the Excepted Risks) for which he is responsible under the terms of the contract and in such manner that the Board and contractor are covered during the period of contract and are also covered during the period of Maintenance for loss or damage arising from a cause occurring prior to the commencement of the period of Maintenance and for any loss or damage occasioned by the contractor in the course of any operations carried out by him for the purpose of complying with his obligations under clause 45 of G.C.C. (Vol.I).

- (i) The Works and the Temporary Works to the full value of such works executed from time to time.
 - (ii) The materials, Constructional Plant and other things brought on to the site by the contractor to the full value of such materials, Constructional Plant and other things.
- 6.(b) Such insurance shall be effected with an insurer and in terms approved by the Board and the contractor shall whenever required produce to the Chief Engineer or the Chief Engineer's representative the policy or policies of insurance and the receipts for the payment of the current premia provided always that without limiting his obligations and responsibilities as aforesaid nothing in the clause contained shall render the contractor liable to insure against the necessity for repair or reconstruction of any work constructed with material or workmanship not in accordance with the requirements of the contract.
- 7.(a) Before commencing the execution of the works, the contractor but without limiting his obligations and responsibilities under clause 22 of G.C.C. (Vol. I) shall insure against any damage, loss or injury which may occur to any property (including that of the Board) or to any person (including any employee of the Board) by or arising of the execution of the works or Temporary Works or in the carrying out of the contract otherwise than due to the matters referred to in the provision to clause 22(1) of G.C.C. (Vol. I).
- 7.(b) Such insurance shall be effected with an insurer and in terms approved by the Board and for at least the amount stated in the Tender and the contractor shall whenever required produce to the Chief Engineer or the Chief Engineer's representative the policy or policies of insurance and the receipts for the payment of the current premia.
8. The Contractor shall insure against accident, injury etc. to workmen with an insurer approved by the Board and shall continue such insurance during the whole of the time that any persons are employed by him on the works and shall when required produce to the Chief Engineer or the Chief Engineer's representative such policy of insurance and the receipt for payment of the current premia. Provided always that in respect of any persons employed by any sub-contractor, the contractor's obligation to insure as aforesaid shall be satisfied if the sub-contractor shall have insured against the liability in respect of such persons in such manner that the Board is indemnified under the policy but the contractor shall require such sub-contractor to produce to the Chief Engineer or the Chief Engineer's representative when required such policy of insurance and the receipt for payment of the current premia.
9. If the Contractor shall fail to effect and keep in force the insurance referred to in the above mentioned clauses hereof or any other insurance which he may be required to effect under the terms of the

contract then and in any such case the Board may effect and keep in force any such insurance and pay such premium or premia as may be necessary for that purpose and from time to time deduct the amount so paid by the Board with interest as stated in Vol. I as aforesaid from any money due or which may become due to the contractor or recover the same as a debt due from the contractor.

10. The successful tenderer will have to submit within fortnight after receipt of the acceptance Letter a phased programme of execution of different items of work.

11. Permission for working beyond the normal working hours of the Port or on Sundays and Public Holidays as stipulated under clause No. 42 of General Conditions of contract, (In the period booklet) in volume – I of the tender documents will be given to the contractor and the cost of overtime if any, will be borne by the contractor.

12. **EPIDEMICS:**

In the event of any outbreak illness of an epidemic nature, the contractor shall comply with and carry out such regulations, orders and requirements as may be made by the Government or the Local Medical or Sanitary Authorities for the purpose of dealing and overcoming the same.

13. **DISORDERLY CONDUCT ETC:**

The contractor shall, at all times, take all reasonable precautions to prevent any unlawful, riotous or disorderly conduct by or among his employees, officers or agents and for the preservation of peace and protection of persons and property in the neighborhood of the works against the same.

14. **FOOTWARE, GLOVES ETC:**

In partial modification of clause no.31 of the General Conditions, the contractor shall at his own expenses provide safety footwear, safety helmets, safety goggles, dust proof musk's, gloves safety belts, ladders, lifeline, safety net, etc., for all his labours/employees.to the satisfaction of the Chief Engineer or his Assistant.

15. **ACCIDENTS:**

The contractor shall, within 24 hours of the occurrence of any accident at or about the site or in connection with the execution of the work, report such accident to the Chief Engineer or his Representative. The contractor shall also report such accidents to the concerned constituted authorities.

16. The contractor and his workers/agent shall be required to obtain from MPT and display a Photo Identity Card during entry, stay and exit from the Port security areas guarded by CISF personnel.
17. All applications for issuance of Photo Identity Card shall be routed through the Chief Engineer, who shall forward the same to the Port's Traffic Department, whose pass section will issue the Photo Identity Card to the contractor or his agent free **or on payment of necessary fees as applicable** as prescribed from time to time and the same shall be valid for the duration of the contract or a period of one year, whichever is less.
18. Subject to the availability, land for construction of temporary sheds/ stores/labour hutments, etc. will be given to the contractor in Port areas. The contractor shall clear away all the temporary structures built by them within a period of fourteen days after completion of the work and arrange for site clearance to the satisfaction of the Chief Engineer.
19. **Lease rent** shall be charged to the contractors for the area allotted for construction of their temporary shed for site office/ store/ labour hutment's required in the contract works. Rate will be charged as per scale of rates prevailing during period of the contract.
20. No temporary structures/sheds, which are constructed to house the contractor's office/store/labour hutments, shall be permitted to be retained during the period of maintenance.
21. If for any reason the entire site cannot be handed over to the contractors, the Contractor shall immediately commence the work in the portion of the site released. If in the opinion of the Chief Engineer, contractor's work is held up or totally stopped due to non- availability of the remaining site, the Chief Engineer may extend the time for completion of the work by treating non- working period for such days as he shall consider immediately on being informed that the remaining site is available for the work. However no idle time charges for idling of machinery and men will be considered.
22. The portion of Security Deposit due for refund in accordance with the Conditions of Contract, after physical completion of the work, will not be refunded except with the prior permission of the Chief Engineer, unless and until contractor submit the final bill based on joint measurements.
23. The operation of the Port should not be stalled due to this tender work.
24. The contractor should study the nature of the tender work and accordingly adopt a suitable methodology for executing the work. The methodology to be adopted should be communicated to the Chief Engineer/ Executive Engineer in writing and upon approval of the same proceed to execute the work. The rates quoted in the tender should be inclusive of all

the temporary works required for executing the work. Due care should be taken to maintain proper and good quality of work.

25. In case of excess under any item, the contractor should bring it to the notice of the concerned Engineer in charge well in time to enable him to obtain necessary sanction.

26. Further to the provisions in the General Conditions of Contract, upon the Chief Engineer certifying that in his opinion, the contractor, after receiving from the Chief Engineer, a written notice,

1. Has suspended progress on any portion or items of the works for seven days, or
2. Has failed to make proper progress on any portion or items of the works for seven days, or
3. Has failed to complete any portion or items of the works by the time specified by the Chief Engineer, or
4. Has failed to remove from the site for seven days, material which have been condemned and rejected, or
5. Has failed to pull down within seven days and rebuild within the time stipulated by the Chief Engineer works which have been condemned and rejected, or .
6. Has failed to give to the Chief Engineer or his representative proper facilities for inspecting the works or any part thereof for three days, or
7. Has failed to carry out proper tests for three days on any work or materials,
8. Has caused delay/stoppage in the Port's activities due to unplanned approach to work.

Then the Trustees, without restricting, prejudice to their rights under Clause Nos. 57.1 of the General Conditions of Contract and expelling the contractors from the site of works, without determining the contract and while permitting the contractor to carry out or employ another agency to carry out at the risk and cost of the contractor,

- a. The execution of such portions or items of the works which the contractor has suspended or failed to make proper progress or failed to complete within the specified time, and/ or
- b. Removal of condemned and rejected material from the site, and/ or
- c. pulling down and rebuilding of condemned and rejected works, and/ or
- d. The provision of proper facilities to the Chief Engineer or his representative for inspecting the works, and/ or
- e. Testing of any work or materials,

In such cases, additional expenditure incurred, if any, by the Trustees over and above that which would have been incurred by them had above works been carried out by the contractors under the terms of this contract shall be paid by the contractor to the Mormugao Port Trust. The Trustees reserves their right to recover their additional expenditure from the moneys payable to the contractor or from deposits or such amounts that may have been lodged by the contractor with the Mormugao Port Trust. The Trustees further reserve their right to recover such additional expenditure from the moneys payable to the contractor for any other contract or transactions of

any nature whatsoever existing between the Trustees and the contractors.

27. One bucket full of water and sand shall be kept at the work spot. The **Portable fire extinguisher** shall be always kept at the work spot.

33. **Measurements**

The quantities provided for in the Schedule of Quantities and Rates are only approximate and are given to provide a common basis for tendering. The actual quantity may differ from those provided for in the Schedule in view of the complexity of the work. Payments will be made according to the actual quantities of work ordered and carried out, jointly measured by the representative of Chief Engineer and the contractor. Quantity will be measured as per stack measurement.

34. **Rates and Prices to be inclusive.**

The item rate entered in the Schedule of Quantities by the contractor shall include the provision of all supporting special equipment, designed scaffolding, labour of required skill, supervision, materials, erection, overheads and profits, watch and ward, insurance charges, during execution and every incidental and contingent costs and charges, whatsoever, including sales tax on works contracts, etc. if any, for compliance with conditions of contract and specification.

35. The Tenderers are required to fill the Schedule of Quantities and Rates as stated in Directions to Tenderers for filling in the Schedule of Quantities and Rates.

36. **FREE MAINTENANCE PERIOD:** Free maintenance period for this work is 12 months.

37. **MODE OF PAYMENT:**

The procedure for preparation and settlement of contractor's bills is as under subject to submission of bill in quadruplicate with the Engineer's certification:

- (i) Minimum amount of Interim Certificate shall be **Full and Final bill.**
- (ii) 100% within 20 working days of submission bill in quadruplicate with MPT Engineers certification.
- (iii) The amount of any bill can be adjusted against dues to Mormugao Port Trust on any other dealing with the Mormugao Port trust.
- (iv) **Retention Money** will be recovered through the bills at the rate of **10%** of the amount certified in each bill, till an amount equivalent of 10% of the Contract Price is accumulated.

The Chief Engineer may sanction part rates for partly executed items of work mentioned in the Schedule of Quantities & Rates as may be deemed necessary by him.

The contractor shall submit the interim measured bills and final bill only after the measurements are checked by the concerned Assistant Engineer and after the final corrected quantities to be billed are given by him.

38. FACILITIES FOR WORKS OF OTHER AGENCIES:

Contractor shall take care to see that his work does not, in any way, hamper the concurrent progress of works of the other agencies in and around the existing site of work, by laying of cables or any other work, which will be awarded during the period of this contract. The contractor, shall accord all facilities to various agencies /contractors such as place for storing their material place for site office. etc. in consultation with the Site Engineer and carry out his activities in close co-ordination with all agencies.

39. The contractor shall take care not to damage water / electric supply lines and cables while carrying out excavation work. Any damage caused to the Port property will have to be repaired/ replaced free of cost.
40. The contractor should specially note that there should not be any disturbances to the MPT Staff's/ other Port User's working in the area and also take necessary steps to prevent noise, dust pollutions etc.
41. The contractor shall have ESI & EPF Registration No. of the firm and shall contribute towards Employees Provident Fund (EPF) and submit the copy of the same along with the details in the prescribed format while submitting bills.
42. **Labour deployment:** Tenderer should mention the peak and the least labour force they would like to engage for the work accordingly, Labour license may be obtained from Assistant Labour Commissioner, Vasco.
43. The following registers/forms shall be maintained by the contractor:
- 1) Muster Roll in Form XVI.
 - 2) Register of wages in Form XVII.
 - 3) Register of overtime in Form XXIII
 - 4) Register of fines in form XXI
 - 5) Register of advances in form XXIII
 - 6) Register of persons employed in form XIII
 - 7) Material Register (stating total received, daily consumption & balance.
 - 8) Test report register
 - 9) Hindrance register
 - 10) Site instruction book.
 - 11) Joint measurement/record register
 - 12) Any other register required by the Chief Engineer or his representative. The contractor shall keep all registers in safe custody.

Annexure

Form of Performance guarantee / Bank guarantee bond.

[Reference para 21.1(1)(V)]

In consideration of the Board of Trustees of Mormugao Port Trust (hereinafter called "The Board") having offered to accept the terms and conditions of the proposed agreement between Board and(hereinafter called " the said contractor(s)" for the work.....(hereinafter called "the said agreement")

having agreed to production of an irrevocable Bank Guarantee for Rs.....(Rupees.....only) as a security/guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions in the said agreement.

1. We.....(hereinafter referred to as the "Bank") hereby undertake to (indicate the name of the Bank)
Pay to the Board an amount not exceeding Rs.....(Rupees.....only)
on demand by the Board.

2. Wedo hereby undertake to pay the amounts due and payable(indicate the name of the Bank)under this Guarantee without any demur, merely on a demand from the Board stating the amount claimed is required to meet the recoveries due or likely to be due from the said Contractor(s). Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this Guarantee shall be restricted to an amount not exceeding Rs.....(Rupees.....only).

3. We, the said Bank, further undertake to pay to the Board any money so demanded notwithstanding any dispute or disputes raised by the Contractor(s) in any suit or proceeding pending before any Court or Tribunal relating thereto, our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under, and the Contractor(s) shall have no claim against us for making such payment.

4. We..... further agree that the Guarantee herein contained shall(indicate the name of the Bank) remain in full force and effect during the period that would be taken for the performance of the said agreement, and it shall continue to be enforceable till all the dues of the Board under or by virtue of the

said agreement have been fully paid, and its claims satisfied or discharged, or till the Engineer-in-charge on behalf of the Board, it certifies that the terms and conditions of the said agreement have been fully and properly carried out by the said contractor(s), and accordingly discharges this guarantee.

5. We..... further agree with the Board that the Board (indicate the name of the Bank) shall have the fullest liberty without our consent, and without effecting in any manner our obligations hereunder, to vary any of the terms and conditions of the said agreement or to extend time of performance by the said contractor(s) from time to time or to postpone for any time or from time to time any of the powers excisable by the Board against the said contractor(s),and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall be relieved from our liability by reason of any such variation or extension being granted to the said contractor(s) or for any forbearance, act of omission on the part of the Board or any indulgence by the Board to the said contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision have effect of so relieving us.
6. This Guarantee will not be discharged due to the change in the constitution of the Bank or the contractor(s).
7. We..... lastly undertake not to revoke this Guarantee except with (indicate the name of the Bank) the previous consent of the Board in writing.
8. This Guarantee shall be valid up tounless extended on demand by the Board. Notwithstanding anything mentioned above, our liability against this Guarantee is restricted to Rs.....(Rupees.....), and unless a claim in writing is lodged with us within two months of the date of expiry or extended date of expiry of this Guarantee all our liabilities under this Guarantee shall stand discharged.
