   b. Place.
   c. Account No.
   d. Type of Account
   e. PAN
   f. EPF No.
   g. ESI No.
   h. Service tax Registration No.

e. EMD of the other tenders i.e. any two among the first three lowest Tenders will be refunded to them only after acceptance of work order by successful tenderer. E.M.D. of successful contractor will be retained towards Initial Security Deposit.

5. Security Deposit: 10% of the work done or value of contract, whichever is more.
   a) Amount to the extent of 5% of the value of contract to be paid in Demand Draft or in the form of a Bank Guarantee at the time of acceptance of the tender, as initial Security Deposit.
   b) The remaining 5% of Retention money to be deducted from the running account bills at 10% of each running bill till the entire security deposit of 5% of value of contract are recovered. However, the contractor will have the option to convert the Retention Money so deducted from the bills into acceptable Bank Guarantee (s) for like sum (s) at any stage (s) of the work.
   c) The entire amount of 10% of the value of the contract may be paid in Demand Draft /Pay Order or in the form of Bank Guarantee at the time of acceptance of tender.

   **Note:**
   i) The Bank Guarantee of 5% of the Contract Price as initial Security Deposit will be valid till the completion of the garden maintenance work plus 3 months.
   ii) The Retention Money of 5% of the contract Price will be released after successful completion of the work and after issue of Completion Certificate by the Chief Engineer.
   iii) In case the Tenderer desire to quote premium of cost of work put to tender more than 15%, the Tenderer will have to give the rate analysis for any or all the item of work along with the tender.
   iv) If the successful tenderer fails to deposit the Security Deposit within the notified period,(however security Deposit to be deposit prior to commence the work) it will be presumed, that the contractor is not interested in the contract and the offer of contract shall be cancelled and the EMD of the contractor will be forfeited.
6. Submitted Tenders for the subject work will remain open for acceptance for a period of 180 days from the date of opening of tenders.

7. The subject contract period is for **twenty four months** including monsoon from the date of receipt of pre-acceptance letter/work order or release of site whichever is later.

8. Tenders with counter conditions are likely to be rejected summarily without assigning any reasons therefore.

9. Time is the essence of contract Liquidated Damages for delay in completion of work shall be recovered at the rate of 0.5% of the Contract Price per week or part thereof delay subject to a maximum ceiling of 5% of the contract price. The contract is liable to be terminated if there is a delay of more than 25% of contracted period of completion.

10. Tenderers are strongly advised to inspect the site of work and acquaint themselves with the site conditions and quantum of work involved etc. before tendering. Please note that the area is to be properly maintained and inspection can be arranged in consultation with the Superintend Engineer-HL, Tel No: 2594605 or Asst. Executive Engineer (HL) Tel No: 2594674.

11. The tenderers must not quote counter conditions involving extra expenditure. The tenderers should refrain from sending revised or amended offers after the closing date of the tender. The Chief Engineer reserves the right to reject such offers without assigning any reasons thereof.

12. The original tenders to be submitted should be enclosed in as sealed cover and super scribed ‘**Maintenance and upkeep of garden, lawn and landscaped and other areas at Port Guest House premises , Headland, Sada for a period of two years (2016-18)**’ and should be addressed the Chief Engineer, Engineering (Civil) Department, Mormugao Port Trust, Headland. Sada, Goa-Pin: 403804.

13. The tenders complete in all respects should be placed in the Tender Box kept inside the cabin of Asst. Engineer (Accounts) , Chief Engineer’s office at Main A.O. Building, 2nd floor, Mormugao Port Trust upto 15.00 hrs. on due date and opened at 15.30 hrs. on the same date in the presence of such tenderers who may wish to be present.

14. The Tenderers should specifically note that their OFFERS SHOULD REACH THIS OFFICE ON OR BEFORE THE DUE DATE AND TIME. OFFERS RECEIVED LATE WILL NOT BE CONSIDERED. TENDERS SENT BY POST WILL BE REJECTED.
15. The Chief Engineer and or Board of Trustees reserves the right to reject any or all tenders received without assigning any reasons therefore.

16. Unsigned tenders will not be considered.

17. Income Tax etc. as applicable from time shall be deducted from the amount Payable to the Contractor at source. Under no circumstances taxes so deducted shall be reimbursed to the contractor.

18. Service Tax Registration for the bidder is mandatory. Bidder has to enclose attested copy of the Service Tax Registration certificate along with the tender. Service Tax has to be claimed extra as applicable while submitting the bills.

19. The Contractor should comply with the provision of the Building and Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.

20. The Tenderers should strictly note that they should be not allowed to fill in the tender or seal the tender in Mormugao Port Trust premises.

21. Further details can be had from the office of the undersigned at the New Administrative Office Building of MPT at Headland, Sada.

22. The quoted rates shall include components of minimum wages, Provident Fund; statutory charges, ESI contribution, (declared from time to time by Central/State Governments) to labour etc. but exclude applicable Service Tax. The contractor shall submit the proof of contribution towards Provident Fund; statutory charges, ESI contribution, etc. along with bills periodically.

CHIEF ENGINEER
MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

Tender No:- CE /30/2016

Name of Work: Maintenance and upkeep of garden, lawn and landscaped and other areas at Port Guest House premises, Headland, Sada for a period of two years (2016-18)

FORM OF TENDER

The Chief Engineer,
Mormugao Port Trust.

I/We ___________________________________________________ do hereby offer to execute the work comprised in the annexed Tender Notice “Maintenance and upkeep of garden, lawn and landscaped and other areas at Port Guest House premises, Headland, Sada for a period of two years (2016-18) in strict accordance with the instructions to Tenderers, General conditions of Contract. Specifications etc. at the Percentage Rate entered in the attached Schedule of Quantities and Rates.

2. I/We undertake to comply with the specification of the work included in the Schedule of Quantities and Rates for the contract period of twenty four months from the date of release of work order. I/We also agree that this tender will remain open for acceptance until disposed off by the Trustees of Port of Mormugao and for the maximum period of 180 days from the date of opening. I/We have independently considered the question of the amount of loss or damage likely to result to the Trustees from the delay on my/our part in the performance of the contract and I/We agree that the liquidated damages at the rate of (0.5%) of the contract price per week or part thereof delay in work subject to a maximum ceiling at 5% of the contract price represents a fair estimate of the loss likely to result from the delay.
3. I/We send herewith a sum of Rs. 19,000/- (Rupees Nineteen thousand five only), as earnest money deposit of my/our willingness to enter into the contract if my/our tender is accepted.

4. In the event of my/our tender being accepted, I/We agree to enter into a contract in the prescribed form with such alterations or additions thereto which may be necessary to give effect to the acceptance of this tender and such contract shall contain and give full effect to the Specifications, Schedule of Quantities and Rates attached to this tender.

5. I/We also, agree if awarded the contract that the earnest money lodged with this tender will be retained by the Board of Trustees towards part of the Initial Security Deposit and to make further deposit by Bankers cheque/demand draft in the favour of FA&CAO,MPT, Headland Sada payable at Vasco- Da- Gama, Goa/ by way of a Bank Guarantee, within (07) seven days or such extension of the period permitted by the Chief Engineer, in writing, after receipt of information that my/our tender has been accepted by the Port Trust. The Board of Trustees will also have the option to retain the entire amount for Initial Security Deposit of 5% of the Contract Price in the form of Bank Guarantee.

6. I/We further agree, if awarded the contract, to lodge the Retention Money equivalent to 5% of the contract price of my/our tender by way of deductions from my/our bills at the rate of 10% of the gross value of work certified in each bill till the amount of 5% of the contract price is accumulated.

7. I/ we do hereby agree that the amount of EMD shall be forfeited and the contract will be cancelled in the event of the tender is accepted and I/ we fail to submit security deposit /execute the contract within the stipulated period or when called upon to do so without any previous notice and I/ we shall have no claim whatsoever against such cancellation.
8. I/We agree to abide by this tender to be valid for the period of 180 days from the date fixed for receiving/opening the same and it shall remain binding upon me/us and may be accepted any time before the expiration of that period.

9. I/We hereby certify that my/our registration certificate under the Goa Sales Tax on the transfer of property in goods involved in the execution of works Contract Act, 1985 is in force on the date on which the sale of goods specified in this bill/cash memorandum is made by me/us and the tax under the act will be, if payable, be paid before furnishing my/our returns under the Act.

10. I/We have inspected the site and I am/We are fully aware of the work to be carried out while tendering for the contract.

11. I/We request that early payment of 100% of the amount of interim bills be made from time to time in advance of such bills being audited.

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT
Tender No:- CE /30/2016

Name of Work: Maintenance and upkeep of garden, lawn and landscaped and other areas at Port Guest House premises, Headland, Sada for a period of two years (2016-18)

ADDITIONAL SPECIAL INSTRUCTIONS TO TENDERERS

1. The total area of Port Guesthouse premises covered under the contract is approx. 3.00 acres (12160 sqmts) including 1650 sqmts. of terrace/roof areas and other comprises of garden and road etc. The scope of work includes maintenance of the existing garden in Port guesthouse premises comprises of lawns, plants/trees/shrubs/ground covering, creepers, hedges, vegetable and flower bed, Structures etc. as well as any other future additions thereof by deploying sufficient but not less than minimum number of staff with required tools & plants to carryout the work efficiently without any extra cost on all weekday excluding Sundays and specified holidays as per the schedule of quantities and rates, scope & specifications, and with reference to the garden & horticulture maintenance schedule and as instructed in time to time by Horticulturist/Chief Engineer or his authorized representative.

2. The tender is on percentage rate basis. The quantities mentioned in the Scheduled of Quantities and Rates are only approximate and the Trustees are liable to pay for only such quantities of work as are actually executed. Contractors are advised to visit the site and thoroughly understand the nature and scope of the works and be familiar with the site conditions before quoting. The quoted rates must be inclusive of Minimum Wages to be paid to workers in time to time as per the guideline of labour commissioner (central), Contractor’s profit, EPF, EISC, Bonus, Service Tax, etc., as applicable and should be firm for the entire Contract period. No escalation or price adjustment is applicable for this work.

3. Contractor is required to start the work within 03 days from the date of award /date of communication of acceptance of the tender and after paying the security deposit. Commencement of work shall be permitted only after the receipt of Security Deposit. If the successful tenderer fails to deposit the Security Deposit within the notified period, it will be presumed, that the contractor is not interested in the contract and the offer of contract shall be cancelled and the EMD of the contractor will be forfeited.
4. Before commencing the work on site, contractor has to take requisite permission from the Labour Enforcement Officer, Labour Commissioner, municipality, other local agencies/authorities etc. If Labor license not available, the same shall be obtained from Concerned Authorities within a month from the date of issue of work order.

5. On acceptance of tender the contractor shall prepare and submit the detail programme/schedule of garden/horticulture maintenance activities like watering, weeding out, lawn mowing, manuring and fertilization, pruning and trimming of hedges etc. in consultation of the Horticulturist/Chief Engineer or his authorized Representative.

6. The contractor shall communicate in writing the name of all his workers to be deployed and submit the photo identity card, name, address, phone/contact number of the person to be deployed to work in the garden including of Supervisor (must have worked as mali earlier) cum mali.

7. The contractor prior to commencement of the work the records like site order book and Muster roll/logbook of workers attending the work shall be produce to the Chief Engineer's authorized representative and then to be kept in a custody of Supervisor's at security cabin for daily verification and Record and also to produce the same whenever required/asked for by Chief Engineer or his authorized representative.

8. The site shall be handed over to contractor only after compliance of clause 3, 4, 5, 6 & 7 above for maintenance of the garden on as-is-where-is basis and the contractor shall be required to do the pending work (if any), without any extra cost. In regard to the pending works (as per scope of work) contractor shall not give excuse such as so and so work should have been done by the previous AMC contractors and is not within their scope.

9. Time is the essence of this contract. In case the contractor fails in fulfilling the obligations fully and in time the Chief Engineer shall have the absolute right to take up the work at the contractor's cost and risk and recover any and all such expenses from the amount due to the contractor including security deposit.
10. The Contractor and his workers/agents shall be required to obtain from MPT and display a Photo Identity Card during entry, stay and exit from the Port Security areas guarded by CISF personnel. All applications for issuance of Photo Identity cards shall be routed through the Chief Engineer, who shall forward the same to the Port’s Traffic Department, whose pass section will issue the Photo Identity Card to the contractor.

11. The maintenance of gardens” is a JOB CONTRACT on area, number. of workers and on period basis to be directly supervised by the contractor under the supervision of qualified, skilled ,experienced and authorized Supervisor cum Mali and under consultation of approved Horticulturist/Chief Engineer or his authorize representative. The contractor shall be fully responsible for execution of works on day to day basis .The payment of the supervisor should be paid by the contractor, and the quoted consolidated amount must be inclusive of the payment of supervisor.

12. The contractor shall Nominate competent Horticulturist (person holding degree in the relevant field i.e. BSc (Hort.) or equivalent) to act on his behalf. The authorized Horticulturist along with the contractor and Chief Engineers authorize Representative shall visit and inspect the garden in the first week of the commencement of the work and at every six months thereof ,submit the report in writing regarding deficiencies observed in the performance in growth / flowering/ yield of fruits/ vegetables, etc. of various flowering & non-flowering plants/ trees/ lawns, creepers, etc. and to prepare and submit garden maintenance schedule thereof in as directed by the Chief Engineer or his authorized Representative.

13. The supervisor cum mali should be literate and have middle school qualification at least and experience in garden from recognized Nursery or Govt. organization .He acts as authorize representative on behalf of the contractor & should be provided with mobile phone by the contractor. He should be available in the Guesthouse garden premises on all days of the month. He should daily report to the Chief Engineers Representative to supervise the work and to take instructions and to furnish daily reports in the prescribed format regarding daily garden maintenance activities as per schedule and as directed .The instructions thus received from the Chief Engineer or his authorized representative from time to time on behalf of the contractor shall be deemed to have been received by the contractor within the scope of this work order. Non submission of daily work done report and non compliance of any instructions will attract penalty as per the relevant clause.
14. The Contractor is required to render a certificate about the person employed by him so that he undertakes the complete responsibility on their activities when present in Port areas. The Contractor should also submit details of employees to verify their antecedents from the concern residential areas Police/local authorities.

15. The Muster roll/logbook in approved format for the labourers attending for work shall be maintained under Supervisors cum Mali at site/security cabin at the gate indicating the name of workers. Contractor shall direct all his labour to either to sign or put thumb impression or mark “P” on muster roll every day. Over and above the minimum number of work force required as stated above, the contractor may engage additional work force as and when required to meet our job requirements mentioned in the terms and conditions of the agreement for which no extra payment will be made to the contractor. However, in case number of work force deployed is less than what has been prescribed above in any day and thereby failed to maintain monthly target of minimum staff to be deployed, recovery shall be made @ 1.5 times the prescribed ongoing minimum wages in force prescribed by Chief Labour Commissioner (central) in time to time for such workers from the monthly bill.

31. The Contractors failure to execute any of the item or activity of garden maintenance work as per schedule of quantities and rates, schedule of garden / horticulture maintenance attached with tender and as instructed by the Chief Engineer or his authorized Representative in writing in time for compliance within the specified period, the same may be executed at the cost and Risk of the contractor and to pay other contractor to execute any such item or activity of the work. The Recovery will be made as per the actual expenditure incurred with 25% overheads on the expenditure incurred besides suitable penalty amount as per the relevant clause from the payment due to the contractor. Chief Engineer’s decision in such case is final and binding on the contractor.

32. The period from beginning of June to end of September is considered as rainy days for purpose of maintenance of the plantation against the item of bill of quantities. However, advantage shall not be taken in case of delay in the onset of monsoons and early receding of rain and watering shall be done sufficiently in the event of delay in the onset of monsoon or early receding of monsoon. All wild growth within the periphery of garden premises shall be removed and water stagnation should be cleared.
33. Cost of replacement/vacancy filling of seasonal and other flowering plants and trees shall be deemed as included in the price quoted against the items. Plantation of new plants and trees in the gardens, flower pots, and by the sides of roads and other areas including filling up gap in hedges as and when instructed by the Chief Engineer or his authorized Representatives should be carried out without any extra cost with available nursery plants or saplings or the plants and trees which shall be procured by the contractor and the cost shall be reimbursed as per actual on production of receipts.

34. The work of urgent nature like removal of bee hive, clearing of fallen tree, branches, supply of labour with tools as per the scheduled item etc. Shall be attended within 24 hours of intimation on telephone or through site order by the Chief Engineer or his authorized Representative. Failure to execute the same within the stipulated period, the same may be executed at the cost and risk of the contractor and besides suitable penalty, recovery will be made as per as per relevant clause.

35. All rubbish generated from lawn and gardenlike dry leaves, grass etc. and other decomposable waste shall be put in compost pit and covered with garden earth mixed with cow dung on daily basis. The excess unwanted waste, dried leaves, mowed grass etc. may be burnt once in a week only in the presence and at the direction of an Chief Engineer or his authorized Representative, at the designated place without affecting the live trees in any manner what so ever / without causing any damage / inconvenience to the occupants or Public in the surroundings. Extra rubbish including tree branches, excavated material to be disposed off on monthly basis by transporting the same at places pointed out by the Chief Engineers Representative within a lead of 3KMS. etc. complete. If the contractor fails to clear the same within the stipulated period as per specification, the same may be executed at the cost and risk of the contractor and besides suitable penalty amount, other recovery will be made as per as per relevant clause from the payment due to the contractor.

36. The Contractor without any extra cost shall arrange positioning (keeping) the flower plants at number of places within Port area whenever there is a function/programme including loading and unloading and removal of the same after the programme is over as instructed by the Chief Engineer or his authorized Representative.

37. If demanded by the port staff at any time round the clock, the Contractor shall immediately arrange to deploy a Highly Skilled Snake Catcher to remove snakes (poisonous /non – poisonous snakes) from the garden site and re-locating the same to any place as directed. Separate Payment for the above work shall be made by the port. The Contractor shall intimate to the port the cost for deployment of highly Skilled Snake Catcher on per visit basis.
38. The work of cutting of uprooted / dead trees as and when instructed and pruning of trees branches by climbing at height of big trees twice a year or as & when instructed, removing of parasite plants from the trees, plucking of fruits as and when instructed, cutting of roots, transporting of other debris, etc. are to be executed through labour supply item No.6 of the schedule without any extra cost. If the above given works are not carried out within the given time, may be executed at the cost and risk of the contractor and besides suitable penalty amount, other recovery will be made as per relevant clause from the payment due to the contractor.

39. The Contractor / authorized site supervisor shall arrange and supply labours per item no. 6 of schedule of quantities and rates in time, within a day before intimation to them by verbal /writing /short message service (SMS) through mobile phone. Labour supplied by the contractor may be utilized for any type of work and for other port work as per port needs. Even they should be capable of loading and unloading of cement bags. The Contractor has to supply labour more than the tender quantity if demanded by us, at the same quoted rate. If labours are not supplied, the deduction will be carried out at Rs.600.00 or on pro-rate basis on the rate quoted at tender Item No. - 6 or at the actual payment of other agency who has supplied the labour to the port, whichever is higher.

40. The contractor shall provide a set of Uniform and rain protective gears to the workers / gardeners. There are snakes in and around campus and hence the contractor shall provide gum-boots and hand gloves to the workers / gardeners as protective measure.

41. The contractor shall be fully responsible for any injury/accident/death to the worker during the contract period shall be the total responsibility of the contractor, and the compensation, etc. payable under the labour laws shall be paid by the contractor. The contractor shall, within 24 hours of the occurrence of any accident at or about the site or in connection with the execution of the work, report such accidents to the Chief Engineer or his Representatives. The contractor shall also report such accidents to the concerned constituted authorities.

42. The contractor will be required to extend the benefit of Workmen compensation Insurance policy to all his workmen engaged for the said job. It shall be the sole responsibility of the contractor to ensure safety to all his workers. The contractor should maintain First Aid Kit at the site and ensure that all his workers are adequately trained in administering First Aid in case of Emergencies.
43. The contractor shall have to fulfill all the statutory requirements as per the provisions of law i.e. Contract labour Act, Minimum wages Act, and other related labour legislature, EPF& ESI Act etc. as amended from time to time, indemnify the Board of trustee from any claim in future or due to any breach of the statutory requirements. The Chief Engineer as a principal employer shall enforce the provision of these Acts. All statutory requirements shall be scrupulously followed. Non compliance in this regard, the bill will not be processed and may lead to necessary action as deemed fit.

44. Security Deposit will be refunded one month after satisfactory completion of the maintenance and after issue of completion certificate by the Chief Engineer.

45. The Contractor should maintain and update all records of labour employed for this work and produce the same to the Chief Engineers authorized Representative regularly and any other Competent Authority as and when required.
   1) Register of Wages in Form XVII
   2) Register of Workman Employed by the Contractor in form XII
   3) Any other records to be maintained under various acts as applicable
   4) Material Register (stating all the items indicated in Annexure-II
   5) Site Instruction Book.
   6) Joint record/measurement register.
   7) Any other record as applicable under various act.
   8) Muster roll in form XVI

46. Joint measurement will be taken on every month 1st working day along with contractor/Authorized representative for the earlier month work executed by the contractor. If the contractor/Authorized representative not reported on the joint measurement day (1st working day of the month) the measurement will be taken & recorded by the departmental representatives and payment will be made accordingly and no claim shall be entertained on this.

47. The payment on monthly basis after due recoveries towards penalties/unsatisfactory works if any will be made within 20 days on submission of bill in triplicate based on joint measurements after satisfactory compliance of all the maintenance works in all respects as per the garden maintenance schedule, detailed in schedule of quantities and rates, scope and specifications of the entire work and as directed by the Horticulturist/Chief Engineer or his authorized Representative and along with submission of proof/challan of payment of monthly ESI/EPF for all the deployed personnel at Port for the maintenance work.

24
48. Service tax will be paid extra on this annual maintenance contract as per circular issued by the commissioner of customs & central Exercise.

49. Income tax and other statutory levis as applicable from time to time including amount towards penalties shall be binding on the contractor and will be deducted from the bill.

50. Retention Money will be recovered through the bills at the rate of 10% of the amount certified in each bill, till an amount equivalent of 5% of the contract Price is accumulated.

51. In case of any delay in processing of the bills, the contractor would be required to ensure the payment of his workers by 5th of the every month and there should be no linkage between this payment and settlement of the contractor’s bill.

52. **Penalty up to Rs.500/- per month will be imposed for each of the following lapses**

   a) Not attending any urgent nature works / non compliance of any instructions / site orders within a stipulated period given by the Chief Engineer / his authorized Representative.

   b) Non-watering/ partial watering of plants on any day.

   c) Unscrupulous cutting of trees/plants and allowing them die.

   d) Non disposal All rubbish like dry leaves as per relevant clause as Specified above.

   e) Not providing of Uniform and rain protective gears to the workers / Gardeners within a week from commencement of work.

   f) Fail to provide and put on work one no. of working electrical / mechanical lawn mower within seven days of every two months of due period as per the schedule of lawn mowing or as Instructed by Horticulturist / Chief Engineer or his authorized Representative.

   g) Not supplying of garden earth, manure, fertilizers etc. in full quantities as per the Rate Schedule of items within three months of commencement of the work and then non maintenance of monthly stock of garden earth and manure at any time in a month.

   h) The Contractors failure to execute any of the item or activity of garden maintenance work as per schedule of quantities and rates, schedule of garden / horticulture maintenance attached with tender and as instructed by the Chief Engineer or his authorized Representative in writing in time for compliance within the specified period.

   i) Fail to deposit the PF & ESI and payment of minimum wages as per labour Act for all the deployed maintenance personnel at the garden site for any calendar month within the stipulated period.
53. Contract can be terminated if the Contractor:

a) During a contract period of one year, default of any one of the above clause no. 52 point from “a” to “i” in three times and also if total recovery towards deployment of less manpower than minimum specified and on account of penalty is more than 25% of the tender value than the garden maintenance work will be treated as non-satisfactory performance of the contractor and as a penalty maintenance contract will be terminated by giving a month’s notice with forfeiting 100% of the security deposit (SD) for the entire contract.

b) If it is observed at any stage that the quality of the work is not satisfactory, the contract/work order as a whole may be terminated and security deposit forfeited.

c) Has without reasonable cause suspend the progress of the work and if failed to deploy 100% of the minimum manpower as detailed at sr. no 24 above and as per schedule of quantities and rates at the maintenance site for not more than 3 days in a calendar month or has failed to proceed with the work so that in the opinion of the Chief Engineer (which shall be final and binding) that he will be unable to secure completion of the work by date for completion and continues to do so after notice in writing in fourteen days from the Chief Engineer or his authorized Representative.

d) Persistently neglects to carry out his obligation under the contract and/or commits default in complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it within 14 days after a notice in writing is given to him in that behalf by the Chief Engineer or his authorized Representative, or

e) In the event of instances of gross misbehavior, theft, burglary, moral turpitude, misuse of Port property by the contractor or by his any worker or agent, Board of Trusty/Chief Engineer may forthwith terminate the contract summarily without any previous Notice to contractor and contractor shall have no claim whatsoever against Board of Trusty or any of its officers in consequences of such termination.

54. Immediately on the termination or expiry of this contract, the contractor and his employee and agents shall peacefully vacate from the premises and ensure that no such person shall create any disruption/hindrance. He shall hand over along with the garden inventory to the Chief Engineer’s Representative and shall remove all its stores etc.

55. The additional special instructions given above shall prevail over those stipulated elsewhere in the tender documents forming part of the contract. The volume containing instructions to tenderers, General Conditions, Special conditions and General Specifications forms an integral part of the tender document and the same shall be submitted along with the Volume-I of the tender documents all duly signed by the tenderer.

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

TENDER NO. CE/30 /2016

**Name of Work:** Maintenance and upkeep of garden, lawn and landscaped and other areas at Port Guest House premises, Headland, Sada for a period of two years (2016-18)

**DIRECTIONS TO TENDERER FOR FILLING THE SCHEDULE OF QUANTITIES & RATES.**

1. Tenderer is required to fill in their percentage rate at the end of the Schedule of Quantities & Rates, in the space provided for the purpose and unless this is done, their tender will not be considered. Only one percentage rate on all Rates of Schedule of Quantities & Rates shall be named.

2. The Percentage Rate inserted shall hold good for all works under this contract, without reference to quantity or location of the work or the variation in the estimated quantity.

3. Quantity of each item of work mentioned in the Schedule should be noted and the percentage rate worked out carefully, having regard to the specifications before submitting the tender, as no variation in rates etc. will be allowed on any ground such as mistake or misunderstanding etc. after the tender has been submitted. The percentage rate, above or below the Schedule/Estimated rate, indicated at the end of the Schedule of Quantities & Rates, will apply to each item, of the tender and any excess in the item that may be directed to be executed by the Chief Engineer.

4. Tenderer are requested to note that though the contract is for Percentage rate, they are required to add or deduct the amount due to this percentage, as the case may be and work out the final figures(amount of their tenders), at the end of the Schedule of Quantities & Rates.

5. The Percentage Rate should be legibly written in figures as well as in words, in the space provided for, Erasures or corrections in figures or in words, without Tenderer initials, will render the tender liable for rejection.

**SUPDT.ENGINEER (HL)**
Name of work: Maintenance and upkeep of garden, lawn and landscaped and other areas at Port Guest House premises, Headland, Sada for a period of two years (2016-18)

NOTE: TENDERER SHOULD SCORE OUT EITHER “ADD” OR “DEDUCT” AS THE CASE MAY BE
Form of Performance guarantee / Bank guarantee bond.

In consideration of the Board of Trustees of Mormugao Port Trust (hereinafter called “The Board”) having offered to accept the terms and conditions of the proposed agreement between Board and ...................(hereinafter called “the said contractor(s)” for the work).................................(hereinafter called “the said agreement”) having agreed to production of an irrevocable Bank Guarantee for Rs..........................(Rupees.............only) as a security/guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions in the said agreement.

1. We..............................................................(hereinafter referred to as the “Bank”) hereby undertake to (indicate the name of the Bank)
   Pay to the Board an amount not exceeding Rs...........................(Rupees..................................................only)
   on demand by the Board.

2. We ..............................................do hereby undertake to pay the amounts due and payable(indicate the name of the Bank)under this Guarantee without any demur, merely on a demand from the Board stating the amount claimed is required to meet the recoveries due or likely to be due from the said Contractor(s). Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this Guarantee shall be restricted to an amount not exceeding Rs...........................(Rupees..................................................only).

3. We, the said Bank, further undertake to pay to the Board any money so demanded not withstanding any dispute or disputes raised by the Contractor(s) in any suit or proceeding pending before any Court or Tribunal relating thereto, our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under, and the Contractor(s) shall have no claim against us for making such payment.

4. We..............................................................further agree that the Guarantee herein contained shall(indicate the name of the Bank) remain in full force and effect during the period that
would be taken for the performance of the said agreement, and it shall continue to be enforceable till all the dues of the Board under or by virtue of the said agreement have been fully paid, and its claims satisfied or discharged, or till the Engineer-in-charge on behalf of the Board, it certifies that the terms and conditions of the said agreement have been fully and properly carried out by the said contractor(s), and accordingly discharges this guarantee.

5. We further agree with the Board that the Board (indicate the name of the Bank) shall have the fullest liberty without our consent, and without effecting in any manner our obligations hereunder, to vary any of the terms and conditions of the said agreement or to extend time of performance by the said contractor(s) from time to time or to postpone for any time or from time to time any of the powers excisable by the Board against the said contractor(s), and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall be relieved from our liability by reason of any such variation or extension being granted to the said contractor(s) or for any forbearance, act of omission on the part of the Board or any indulgence by the Board to the said contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision have effect of so relieving us.

6. This Guarantee will not be discharged due to the change in the constitution of the Bank or the contractor(s).

7. We lastly undertake not to revoke this Guarantee except with (indicate the name of the Bank) the previous consent of the Board in writing.

8. This Guarantee shall be valid up to unless extended on demand by the Board. Notwithstanding anything mentioned above, our liability against this Guarantee is restricted to Rs. (Rupees ), and unless a claim in writing is lodged with us within six months of the date of expiry or extended date of expiry of this Guarantee all our liabilities under this Guarantee shall stand discharged.

Dated the day of (indicate the name of the Bank)
