ENGINEERING (CIVIL) DEPARTMENT

Tender No:- CE/18/2016

Name of Work: Maintenance and upkeep of garden outside A.O. Bldg. for a period of two year 2016-2018

ADDITIONAL SPECIAL INSTRUCTIONS

1) Additional Special Conditions of Contract shall be read in conjunction with the General Conditions of Contract, specification of Work, Drawings, site order book and any other documents forming part of this CONTRACT wherever the context so requires.

2) Proper and satisfactory maintenance and up-keep of garden and landscaped area including all lawns, plants, trees etc. within the specified premises is the essence of the contract and no let down will be permitted. Failure to fulfil this condition of satisfactory maintenance will attract non-payment/reduced payment of price quoted on proportionate basis and this may even lead to termination of the contract. The decision the Chief Engineer is final and binding.

2a) Water required for the regular watering and maintenance of the garden will be supplied by the Port to the EXTENT POSSIBLE free of cost. The contractor must make judicious use of water. All arrangements including the hose pipes, sprinklers, storage tanks etc. as may be required shall have to be arranged by the contractor at his cost. Watering shall be done daily in the early hours in the morning before 9.00hrs. and in the evening after 16.00hrs.

2b) Water is supplied to the garden to limited time as per days schedule programmed, contractor shall make arrangement to provide storage facilities at his cost to store water for days requirements as and when released.

2C) However, it shall be specially noted that in case of failure of supply of water from the Port due to any reason whatsoever, the contractor shall arrange to procure water by tanker or any other suitable transport by giving prior intimation for bringing the water tanker and arrange for satisfactory watering as directed by Chief Engineer or his representative. The cost of such transporting of water by tanker etc. will be paid as per actual on producing the original bill.
3) The contractor shall have to arrange all tools and plant and other stock items viz Bamboo, Sutii, Hessian clothes, pick-axe, gamela, fouda, etc. required for the proper development and maintenance of garden features. Repair cost of tools and plant items shall be borne by the contractor and nothing shall be paid extra on this account.

4) The period from beginning of June to end of September is considered as rainy days for purpose of maintenance of the plantation against the item of bill of quantities. However, advantage shall not be taken in case of delay in the onset of monsoons and early receding of rain and watering shall be done sufficiently in the event of delay in the onset of monsoon or early receding of monsoon.

5) Unless otherwise specified elsewhere in the tender, the execution of the WORK may entail working in the monsoon also. The CONTRACTOR must maintain a minimum labour force as may be required for the job and plan and execute the schedule works. No extra rate will be considered for such work in monsoon. During monsoon and other period, it shall be the responsibility of the CONTRACTOR to keep the construction work site free from water, weeds and unwanted growth of plants at his own cost.

6) Cost of replacement/vacancy filling of seasonal and other flowering plants and trees shall be deemed as included in the price quoted against the items. However, special trees, plants etc. as required by the Port at any area shall be procured by the contractor along with Chief Engineers representative and the cost shall be reimbursed as per actual on production of receipts.

7) Weeding out in the existing garden to be completed initially within a period of one month & thereafter regular weeding out has to be maintained.

8) Immediately after the contract is executed/the work order is issued the Engineer-In-charge and the Contractor shall agree upon detail garden maintenance progress schedule month by month basis prepared as per the maintenance schedule specified by the Department.

9) Any damage to the Port property caused during the maintenance operation shall be made good or compensated by the contractor.

10) Security Deposit will be refunded one month after satisfactory contract period and after issue of completion certificate by the Chief Engineer.
11) The tenderer shall inspect the site and fully study the nature of work involved vis-à-vis the quantity and specifications, before tendering for the work. Any clarification in this regard will be given, if required, prior to submission of tender.

12) The work shall be carried out without disturbing the operation of Port or other agencies working in the department.

13) The application of fertilizer, manure, pesticides etc. shall be done as per horticulture maintenance schedule or as directed.

14) Permission for working beyond the normal working hours of the Port or on Sundays and Public Holidays as stipulated under clause No. 42 of General Conditions of contract, (In the period booklet) in volume – I of the tender documents will be given to the contractor subject to his agreeing to bear the cost of overtime, if any, which may have to be paid to the Port’s supervisory staff.
