ANNEXURE-I

Up-Gradation of Lighting, Air Conditioners and Re-Routing Lift Shaft Cables in Signal Station At MPT.

GENERAL RULES AND DIRECTIONS FOR GUIDANCE

1. Tenders under single cover system in sealed cover, superscribed “Up-Gradation of lighting, air conditioners and re-routing lift shaft cables in signal station at MPT” are invited for carrying out the above subject work.

2. The Complete Tender document may be downloaded from the Port’s web site www.mptgoa.com. However, the cost of Tender Document is Rs. 1000/- shall be payable by separate DD from Nationalized/Scheduled Banks in favour of the Financial Advisor & Chief Accounts Officer, MPT, payable at Vasco, Goa.

3. Eligible Tenderer's

Bidders are advised to quote strictly as per the Price Bid. The following should accompany the tender in sealed cover, viz.

i) Tender document issued by the Port duly initialed on each page with rubber stamp of the Bidder.

ii) Covering letter from the Bidder on his own letterhead giving full details of alterations, conditions/counter conditions, etc., if any, on which he has based his tender.

iii) Copy of a valid Electrical Contractors License

iv) Certificate of Registration with PF Commissioner/ESI authorities and Service Tax.

v) Annexure VI to VIII duly filled in.

vi) Price Bid duly filled in.

4. EARNEST MONEY DEPOSIT (EMD)

4.1 The amount of Earnest Money Deposit is Rs. 2800/- (Rupees Two Thousand Eight Hundred Only). The amount shall be paid through D.D from a scheduled bank/Nationalised Bank drawn in favour of FA & CAO, Mormugao Port Trust payable at Vasco-da-Gama, in a separate envelope along with Tender document cost DD and not in the same envelope as the tender.
4.2 The sealed cover and the envelope containing the receipt of the EMD shall be simultaneously submitted, so as to reach the Executive Engineer (E-HL), Administrative Building, Ist Floor, Mormugao Port Trust, Headland Sada, Goa – 403804, latest by 15.00 hrs. on 27.06.2016.

4.3 Tenders not accompanied with the EMD will be summarily rejected.

4.4 Under no circumstances should currency note be enclosed in the cover containing the Tender as Earnest Money.

4.5 No other form of deposit towards Earnest Money shall be accepted.

5. **Opening of Tender**

   Tender will be opened at the office of the Executive Engineer(E-HL), Administrative Building, Ist Floor, Mormugao Port Trust, Headland Sada, Goa – 403804, at 15.30 hrs. on 27.06.2016

6. **REFUND OF EMD**

6.1 The EMD will be returned to the successful Bidder on payment of Security Deposit. The EMD will be returned by RTGS/NEFT.

6.2 The EMD will be returned to the unsuccessful Bidder after placement of order on the successful Bidder. The stamped receipt for refund of EMD should submitted by the bidder along with the tender submission.

7. **FORFEITURE OF EMD:**

   EMD may be liable to forfeiture at the option of the Board, if the Bidder withdraws his offer within the validity period of the offer & /or alters / amends any terms & / or conditions and / or quoted rates within the validity period of the offer & in case of successful Bidder, if he fails to submit the Security Deposit within the stipulated time. No interest will be accrued on EMD from the date of receipt till it is refunded.

   In the event of a person whose tender has been received and opened on behalf of the Board, withdrawing his tender before the receipt of the final decision or in the event of a person whose tender has been accepted failing to execute the work in such form as aforesaid within 15 days after such acceptance shall be made to him, the earnest money deposited by such person shall be forfeited.

8. **SECURITY DEPOSIT:**

   10% of the contract value shall be deposited with our Finance Department either in the form of DD or in the form of Bank Guarantee within 7 days of placement of the order towards fulfilment of all contractual obligations and towards Performance Guarantee.
9. **REFUND OF SECURITY DEPOSIT**

   The Security Deposit will be refunded to the contractor or the Bank Guarantee shall be discharged after all the conditions of contract, including 12 months guarantee of satisfactory performance from the date of commissioning of the work have been fulfilled.

10. **FORFEITURE OF SECURITY DEPOSIT**

    The Board may at their option forthwith forfeit the said Security Deposit if the successful Bidder fails to carry out the work or perform or observe any of the conditions of contract. The Board will also be at liberty to deduct from the Security Deposit or from any sum due or to become due under any other contract, with the Bidder, sums that may become due to the Board by virtue of the terms thereof.

11. **NO INTEREST PAYABLE**

    No claim for interest will be entertained by the Board with respect to the above mentioned deposit or with respect to any money or balances which may be in their hands owing to any dispute of the Board with the Bidder, or with respect to any delay on the part of the Board in making monthly or final payments or otherwise.

12. **INSPECTION OF WORK**

    The work will have to be offered to Chief Mechanical Engineer or his authorized representative for inspection whenever required by him. After completion of the entire work, a final inspection will be carried out and a completion certificate will be issued only after completion of contractual guarantee period.

13. **COMMENCEMENT AND COMPLETION OF WORK**

    The work shall be commenced within 7 days from the date of issue of work order and completed within 30 days thereafter including testing and commissioning to the satisfaction of CME or his representative. The work is to be carried out without any hindrance to the regular activities of Port.

14. **LIQUIDATED DAMAGES**

    If the work is not completed in the stipulated time then the successful Bidder shall pay to the Port the sum of 1% of the contract value rounded off to the nearest rupee per week subject to a ceiling of 10% of the total contract value as liquidated damages for such default and not as penalty for every week or part of the week which shall elapse between the scheduled date of completion and the actual date of completion.

15. **TERMS OF PAYMENT**
The payment will be made within 30 days after satisfactory completion of work and producing of invoice in duplicate. The bills shall be supported with the EPF No., ESI No., Service tax registration, PAN, Name of Bank, Place of Branch, Account Number, Type of Account, MICR code etc to effect the payment through ECS. Contractor should enclose copy of EPF & ESI payment challans, Copy of the wage register and copy of the attendance register of the latest month along with the bill. All payments made by the Trust to the contractor for the work shall be rounded off to the nearest rupee.

16. **GUARANTEE**

The work shall be guaranteed for a period of 12 months from the date of satisfactory completion and handing over. All the defects/deficiencies noticed during the guarantee period will be rectified by the successful Bidder, free of cost by way of repairs/replacement either at site or at Bidders works etc., as found necessary by the Engineer. The decision of the Engineer in respect of the above will be final and binding on the Bidder.

17. **RISK PENDING COMPLETION**

All the works comprised in this contract, until handed over to the Board shall stand at the risk of the successful Bidder who shall be responsible and make good at his own cost all the loss and damage caused by or due to fire, or any other cause and the Contractor shall hand over all the works completed in every respect at the end of the contract.

18. **EXTENSION OF COMPLETION TIME**

If in the opinion of the Board, the completion of the works shall be delayed by any change of original design or by the ordering by the Board of any altered, modified, substituted or additional work, or by the ordering by the Board of any work to be omitted or any strikes, stand-out or lock-out of any workman employed by the successful Bidder or from any just cause not attributable to the act, default or omission of the Bidder, the Board may, if in its discretion it shall think fit, either forthwith or at any later time or from time to time not withstanding that the prescribed or extended time for completion of the work has expired that the work has been completed by writing under its hand extend the time for completion of the work to such date as it shall consider reasonable provided always, that unless the Bidder makes a written application to the Board at or before the time when the cause of the delay in occurring or about to occur or in the event ‘force majeure’ immediately thereafter and of which satisfactory proof must be submitted or unless the time is extended by the Board (whether such application has been made by the Bidder or not) the prescribed time shall not be extended, notwithstanding delays from the foregoing or any other cause or causes whatsoever kind, subject nevertheless to be provision that may and every extension of time by the Board.
shall be deemed to be in full compensation and satisfaction for and in respect of any and every actual or possible loss, damage or injury sustained or sustainable by the Bidder in respect of the cause or causes giving rise to such extensions, and shall in like manner exonerate the Bidder from any claims or demands on the part of the Board in respect, of the delay, in respect of which any such extensions of the time shall have been made, but not further or otherwise, nor for any delay contained beyond the time mentioned in writing, authorizing such extension.

19. **PRICES:**

19.1 The prices shall be inclusive of taxes & duties except service tax which will be paid at actual and valid for *Six months* and during the currency of contract and not subject to escalation. The Bidder shall quote for the entire work, quotation for part work will not be accepted.

19.2 The amount quoted by the tenderer in the Bill of quantities shall allow for all costs including labour, materials, equipment, transport charges, tests, etc. payable.

19.3 The Bidder should inspect and familiarize himself with the actual site conditions/nature of work involved in the tender and furnish an inspection certificate in this regard which is enclosed in the tender *without which the tender is liable to be rejected*.

19.4 In respect of any doubts, obscurity or clarifications of tender documents/clause therein, the Bidder must obtain required clarifications/ informations from the Chief Mechanical Engineer before submission of his tender.

20. **EPF and ESI:**

The Bidder shall comply with the provisions of EPF & ESI Acts failing which the offer will not be considered. The Bidder shall compulsorily be enrolled with PF Commissioner/ESI authorities. He shall comply with the following:-

b) The Bidder shall ensure that the statutory contribution towards Employee State Insurance Act, 1948 and the employee provident fund & miscellaneous Provision Act, 1952 in respect of the employees engaged by him are *deposited with the authority concerned and a proof having deposited the contribution will be produced before the Port Authorities* by 10th of the succeeding month of the month in which the payment was due.
c) In the event any Bidder raises a dispute that he is not covered under the provision of Employees state Insurance Act provident Fund & Miscellaneous Provision Act 1952 such Bidder shall obtain certificate from the competent authority under these acts and produce the same before the Port Authorities.

d) The amount recovered if any, such as statutory dues in respect of the Employees Provident fund and Miscellaneous Provision Act 1952 and the Employees state Insurance Act 1948 shall be released only after producing documentary evidence / no dues certificate from the authorities under these Acts

21. **SAFETY**

**INJURY/DAMAGE TO PERSONS AND PROPERTY**

Port shall not be liable for or in respect of any damages or compensation payable at law in respect or in consequence of any accident or injury to workmen or other person in the employment of the Bidder, or any Sub- Bidder, except an accident or injury resulting from any act or default of the Port and the Bidder shall indemnify and keep indemnified the Port against all such damages and compensation and against all claims, costs, charges and expenses whatsoever in respect thereof or in relative thereto irrespective of the fact that the Port or the Bidder is liable for the same at law.

The Bidders must comply with the safety aspects as governed by the relevant edition of Indian Electricity Rules and Industrial Safety which includes the following:-

Workers selected to carry out the jobs must have the requisite qualification, experience and right attitude for accident prevention. They are supposed to know whether job taken up conforms to rules and time tested work practices.

22. **LAW GOVERNING CONTRACT**

The contract shall be interpreted and have effect in accordance with the law of India and no suit or other proceedings relating to this contract shall be filed or taken by the Bidder in any Court of Law except in a court of competent jurisdiction in Goa.

23. **SETTLEMENT OF DISPUTES**

If any dispute of difference of any settlement of kind whatsoever shall arise between the Chief Mechanical Engineer and the – contractor – in connection with or arising out of the contract or the carrying out of the works (whether during the progress of the works, after the termination, abandonment of or breach of the contract) it shall in the first place be referred to be settled by the Chief Mechanical
Engineer who within a period of 60 days after being requested by the contractor shall give written notice of his decision to the contractor, if the Chief Mechanical Engineer shall fail to give notice of his decision as aforesaid within a period of 60 days after being requested by the contractor as aforesaid or if the contractor be dissatisfied with any such decision then any such case, the contractor shall, within a further period of 30 days from the expiry of the first 60 days from the date of receipt of Chief Mechanical Engineer’s decision, write to the Chairman putting forth his views why he is not in agreement with the decision given by the Chief Mechanical Engineer.

If the contractor, after receiving notice of the decision of the Chief Mechanical Engineer does not refer the dispute to the Chairman seeking his decision, within a period of 30 days of the Chief Mechanical Engineer’s decision then the Chief Mechanical Engineer’s decision will be final and binding upon the contractor, and no further claim will exist thereto.

The Chairman shall, within a period of 60 days from the receipt of the request from the contractor, give written notice of his final decision in the matter under dispute to the contractor. If the Chairman fails to give written notice of his final decision within a period of 60 days after being requested by the contractor as aforesaid or if the contractor be dissatisfied with any such final decision given, then the contractor may within a period of 30 days after the expiry of the period of 60 days from the date of his application to the Chairman or within a period of 30 days after receiving notice of such final decision, as the case may be, require that the matter or matters in dispute be referred to arbitration as herein after provided. If the Chairman has given the written notice of his final decision to the contractor, and no claim to the arbitration has been communicated to the Chairman by the contractor, within a period of 30 days from the receipt of Chairman’s decision the said decision shall remain final and binding upon the contractor. If the Chairman fails to give written notice of his final decision to the contractor within a period of 60 days and no claim to the arbitration has been communicated to the Chairman or the Chief Mechanical Engineer by the contractor within a period of 30 days thereafter, then the decision given by the Chief mechanical Engineer shall remain final and binding upon the contractor. Save as hereinafter provided such decision in respect of every matter as referred shall be final and binding upon the contractor until the completion of the work and shall forthwith be given, effect to by the contractor who shall proceed with the works with all the diligence whether he requires arbitration as hereinafter provided or not.

All disputes or differences in respect of which the decision (if any) of the Chief Mechanical Engineer or the Chairman has not become final and binding as aforesaid shall be referred to the sole arbitration of Mechanical Engineer serving or retired of Central Government agencies, including Defence Service and or a member of Indian Council of Arbitrators, to be appointed by Chairman pursuant to
and so as with regard to the mode and consequence of the reference and in all other respects to conform to the provisions of the Government of India Arbitration Act, 1940 (Act No. 10 of 1940) or any re-enactment of statutory modification thereof for the time being in force. The sole arbitrator shall have full power to open up, review, and revise any decision, opinion, direction, certificate or valuation of the Chief Mechanical Engineer or the Chairman neither party, shall be limited in the proceedings before the Arbitration to the evidence or arguments put before the Chief Mechanical Engineer or the Chairman or the purpose of obtaining his decision. No decision given by either the Chief Mechanical Engineer or the Chairman in accordance with the foregoing provisions shall disqualify them from being called as a witness and given evidence before the sole Arbitrator as aforesaid.

The Arbitrator shall not enter on the reference until after the completion of the alleged completion of works, unless with the written consent of the Board/Chairman/Chief Mechanical Engineer and the contractor provided always:-

In the event of the Arbitrator to whom the matter is originally referred, is unable to act for any reason, the Chairman shall appoint another Engineer serving or retired of Central Govt. Agencies including Defence Service and or a member of Indian Council of Arbitrators as Arbitrator and he shall be entitled to proceed with the reference afresh or from the stage at which it was left by his predecessor. In all cases, the Arbitrator shall give a speaking/reasoned award.

24. **TERMINATION OF CONTRACT**

In exceptional circumstances when it is noticed by the Engineer that contract works are not progressing satisfactorily, the Engineer reserves the right to terminate the contract with issue of 14 days notice to the Bidder, if in his opinion it is not worthwhile to allow the Bidder to continue the work due to his failure or incompetence in executing the work satisfactorily or the Bidder stopping/abandoning the work. In such eventuality the Engineer’s decision to terminate the contract with issue of 14 days notice to the Bidder as well as to initiate further necessary action as deem fit against the Bidder, including but not limited to, forfeiture of security deposit and completion of the work at the risk and cost of the Bidder, against the Bidder, will be final and binding on the Bidder.
SPECIAL CONDITIONS

1. If any materials issued to the contractor by the Trust for the use on the work is lost or damaged, the cost thereof at the ruling market rate or at the Trust’s issue rate whichever is higher plus 20% storage charges in either case will be recovered from any money due or that may become due to the contractor.

2. In case the contractor leaves the work incomplete the Chief Mechanical Engineer shall have the right to have the work completed through any other agency and recover the extra expenditure incurred by the Trust in so doing from any money due or to become due to the contractor.

3. The contractor shall be solely responsible for reporting to the Board and Police Department immediately of any serious or fatal accident inside the Trust’s premises to any of his employees/workmen engaged by him or any persons involved in an accident at site of work.

4. The work shall be carried out without causing any inconvenience to the Trust and to other works in progress in the neighborhood and any losses to the Trust.
ANNEXURE – III

TECHNICAL CONDITIONS OF THE CONTRACT

A. SCOPE OF WORK:

The Scope of work consists of:

1. Removing existing wires, switch boards and light fittings from VTMS office in signal station and handing over to ELC at Headland, Sada.

2. Supply & installation of 09nos 18/20W LED type tube light and installing 02nos fans. Fans will be supplied by the Port. Wiring of 09nos light points and 02nos fan points with PVC insulated 3 x 1sq mm copper conductor wire in white colour casing capping. Complete with all accessories, fix modular switches, fan regulator, ceiling rose on PVC gang box connect with 2 core flexible wire.

3. Supply and wiring of switch boards from main DB with 3 x 1.5 sq mm copper conductor wire with casing capping.

5. Supply, Installation and wiring of 04nos single phase powder coated AC metal box with metal socket, top pin & 20A MCB for A.C points. Wiring of AC points from main DB with 2 x 2.5 sq mm + 1 x 1.5 sq mm copper wire with casing capping.

6. Supplying and laying of 4 x 6 sq mm multi strand copper conductor armoured cable from ground floor to fourth floor of Signal station by making holes on the staircase floor to lay the cable straight and clamp on the wall with clamps and terminate both cable ends with glands and copper lugs. After laying the cable the holes to be closed with cement concrete mixture.

7. Supply & installation GI coated perforated cable tray of width 100mm vertically outside wall of signal station building from ground floor to third floor, with MS clamp/clit support which should be fitted at every 60cm of the cable tray, from ground to third floor.

7.1 Disconnecting, removing the cables going through lift shaft and relaying the cables through the cable tray and providing clamping with GI saddles, nut bolts, from ground floor to the 3rd floor. Making hole in the wall and closing the same with cement concrete after laying the cable, laying the cable tray inside the server room and clamping the cable on the tray with GI Saddles and terminating both cable ends with glands and cable lugs and connecting back all the cables.
7.2 Laying and connecting 4 x 35 sq mm Al cable (Cable will be supplied by Port) temporarily while re-routing the existing 4 x 50 sq mm Al power cable. Temporarily laid cable to be removed after connecting re-routed 4 x 50sq mm Al cable and handed over to ELC Headland section.

8. Removing water pump with starter from lift shaft and re installing at a suitable location at signal station. Re routing the cable and connecting the cable for the motor.

9. Removing existing earth station from signal station and constructing two nos earth stations as per relevant IS specification.

9.1 First with 2 mtr long x 20mm dia copper bonded electrodes - 99.9% pure electrolytic quality copper molecularly bonded to nickel coated electrode made up of low carbon, high tensile strength steel rod with termination bolts. Thickness of copper coating should not be less than 250 microns. Eco-friendly earthing compound mixture to be used for reducing soil resistivity. The chamber should be made up with fire bricks and covered with CI cover. 20mm x 6mm aluminum strips to be used for connecting the equipment to earthing station.

9.2 Second earth station with copper bonded steel plate of size 2ft x 2 ft and 6mm thickness with watering pipe. Copper should be molecularly bonded to nickel coated steel plate made from ISI certified mild steel so that no steel part is exposed. Thickness of copper coating should not be less than 150 microns. Eco-friendly earthing compound mixture to be used for reducing soil resistivity. The chamber should be made up with fire bricks and covered with CI cover. Earthing station to be connected to existing lightening arrester earth strips.

10. Shifting, installation and Commissioning of 02nos of 1.5 Ton tower A.C’s and 01no. of 4.0 Ton multi split A.C at VTMS office, Signal station.

11. Buy back of Voltas make split A.c’s of capacity 1.5 Ton 03nos and 2.0 Ton 01 no. which were installed in the year 2001.

All consumable items, required for the connection of wires shall be in the scope of bidder at no extra cost to the Port.

All the works shall be carried out as per IE Rules.

Any item is left unmentioned and essentially required for overall completion of the work, the same is deemed to be included in the rates quoted for the work.

B. TESTING & COMMISSIONING

Testing and commissioning of all installed items shall be done by the bidder.

All leftover/scrap materials etc. are to be promptly cleared out from the work site by the Bidder at his own cost.

FORM OF TENDER

From: _______________________
_______________________
_______________________

To,
The Chief Mechanical Engineer,
MPT, SADA – GOA.

TENDER WORK :- Tender For Up-gradation of lighting, air conditioners and re-routing lift shaft cables in signal station at MPT.

TENDER NO. : CME/XEN (E)/ELC/T-38/16/59

Sir,

Having examined the site of work, General Conditions, Special instructions/Conditions, Technical Schedule/Specifications, for the above named work, I/we, the undersigned offer to execute, complete and guarantee the said work in conformity with the said General Conditions, Special Conditions, Technical Particulars, Drawings, Schedules and the rates indicated in attached Schedule of prices/rates for execution of the work on the terms and conditions stipulated in your tender documents.

1. I/We, undertake if our tender is accepted to commence the work within ten days of the date of receipt of Work Order
2. I/We, further undertake if my/our tender is accepted to deposit within 7 days from the date of order to commence the work, the security deposit / performance guarantee to the extent of 10% of the order amount in the manner and as per conditions laid down in the General Conditions of the contract.

3. I/We agree to execute a separate agreement prepared at our cost but the work order issued by MPT will constitute a valid contract in all respects of the enforcement of the terms and conditions therein.

4. I/We agree to abide by this tender from the date of opening of the tender and the rates quoted shall hold good during the currency of the work. I/We further agree that if I/We fail to fulfill any of the conditions of the tender, the security deposit / the performance guarantee shall be forfeited to the Board.

5. I/We have deposited as Earnest Money with the Board’s FA&CAO, Rs. ___________________________ (Rupees ________________________ only) vide Demand Draft No._______________________ dtd.___________________

6. I/We the undersigned agree that you are not bound to accept the lowest or any tender you may receive and that you reserve the right to accept only a part or whole of any tender or to divide the work between two or more Bidders.

7. I/We agree to keep MPT indemnified and also agree that the decision of the Chief Mechanical Engineer, MPT, Goa or his authorised representative, regarding meanings and the effects of the tender, shall be final and legally binding on me/us.

8. I/We understand that if our Tender is accepted, we are bound to be held solely responsible for the due performance of contract.
