This is clearly unlawful and a punishable offence.

The Stevedores and Custom House Brokers are advised to remain vigilant and take as much precaution as possible to ascertain the credible standing of their trade associates in order to avoid recurrence of such incidents. The members of the trade associated with the import /export of container/containerized cargos are also cautioned to refrain from any illegal export/import through Mormugao Port as such illegal activities bring disrepute to the Port and could result in loss of business.

The matter is brought to kind notice of members of the trade in larger interest of encouraging lawful and credible business engagement and to thereby ensure the integrity in compliance of legal/statutory requirements by all members of MPT Trade Fraternity.
