2. Tender documents may be obtained from the office of the Financial Adviser & Chief Accounts Officer, Mormugao Port Trust at Headland, Sada, Goa on payment of Rs. 1,000/- per set which sum will not be refunded.

3. Tender documents will not be sent by Post or Courier Service.

4(a). The Earnest Money should be lodged in the form of Demand Draft or Bankers Pay Order in the name of the F.A.& C.A.O./MPT from any Nationalized Bank/Scheduled Bank within the limits of State of Goa.

(b) The EMD and the Tender Document should be put in separate sealed envelope and both the envelopes should be placed in a third envelope properly sealed. The inner envelopes
should be separately marked as ‘EMD’ and 'Tender' as the case may be. The outer envelope shall bear the identifications like:

(i) Tender No.
(ii) Name of Work
(iii) Bidder Name and Address and
(iv) Due date and time of bid opening.

If the envelopes are not sealed properly, MPT will assure no responsibility for the misplacement or primitive opening of the bids submitted.

(c) Bids if not accompanied with requisite EMD by the parties as indicated at (a) above and in the manner described at 4(a) and 4(b) above, shall be treated as invalid and shall not be opened.

5. Tenders submitted will remain open for acceptance for a period of 180 days from the date of opening of tenders.

6. The entire work under this contract is required to be completed within 30 days from the date of receipt of pre-acceptance letter/work order.

7. Counter conditions stipulated in completion period by Contractor will not be considered. Tenders with counter condition are likely to be rejected summarily without assigning any reason thereof.

8. Time is the essence of the contract. Liquidated damages for delay in completion of work shall be recovered at the rate of 0.5% of the contract price per week or part thereof subject to maximum ceiling of 5% of the contract price.

9. The free maintenance period is 12 (twelve) months for all the works covered under this contract from the date of completion of the work.

10. The tenderers are strongly advised to inspect the site of work and acquaint themselves with site conditions and quantum of work involved etc. before tendering. Such an inspection can be arranged in consultation with AEN (AC).

11. The tenderers must not quote counter conditions involving extra expenditure. The tenderers should refrain from sending revised or amended offers after the closing date of the tender. The Chief Engineer reserves the right to reject such offers without assigning any reasons thereof.

The original tenders to be submitted should be enclosed in a sealed cover and super scribed “Renovation to existing Ladies and Gents toilet at Officers’ Club (MRH-6) at Headland Sada” and should be addressed to The Chief Engineer, Engineering (Civil) Department, Mormugao Port Trust, Headland. Sada, Goa-Pin: 403804.
12. The tenders complete in all respect should be placed in the Tender Box kept inside the cabin of AXEN/ACcts, CE’s Department up to 15.00 hrs. on due Date and tenders will be opened at 15.30 hrs. on the same date in the presence of such tenderers who may wish to be present.

13. The tenderers should specifically note that their offers, whether sent by post or by hand delivery, must reach the office on or before the due date and time. Offers received late will not be considered even though posted in the Post Office before due date.

14. The Chief Engineer reserves the right to reject any or all the tenders received without assigning any reasons thereof.

15. Unsigned tenders will not be considered.

16. The tenderers are requested to obtain certificate of registration under Rule No.24 of the Building & Other Construction Workmen’s Central Rules, 1998 from the office of the Asst. Labour Commissioner.

17. The contractor should comply with the provision of Building & Construction Workmen (Regulation of Employment and Condition of Service) Act, 1996. The Act envisages that every contractor shall obtain registration certificate from the Registering Officer if he engages 10 or more workmen for the work.

18. The tenderer should strictly note that they shall not be allowed to fill in the tender or seal the tender in the MPT premises.

19. Tenderers may please note that as per new Govt. directives, successful tenderers, on receipt of work order, shall be required to furnish the details of Bank accounts in which he/she/they desire the e-payments to be made for cutting delays in making payments.

20. Tenderer should comply with all regulations of EPF, ESI, ALC, etc. No bill will be forwarded if the above regulations are not followed.

21. Service Tax Registration for the bidder is mandatory. Bidder has to enclose attested copy of the Service Tax Registration certificate along with the tender. Service Tax has to be claimed extra as applicable while submitting the bills.

CHIEF ENGINEER
MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

TENDER NO CE- 20/2017

Name of Work: “Renovation to existing Ladies and Gents toilet at Officers’ Club (MRH-6) at Headland, Sada.”

FORM OF TENDER

The Chief Engineer,
Mormugao Port Trust.

I/We ______________________________ do hereby offer to execute the work comprised in the annexed Tender Notice “Renovation to existing Ladies & Gents Toilet at Officers’ club (MRH-6) at Headland Sada” in strict accordance with the instructions to Tenderers, General conditions of Contract, Specifications etc. at the Percentage Rate entered in the attached Schedule of Quantities and Rates.

2. I/We undertake the work included in the Schedule of Quantities and Rates for contract period of 30 days from the date of release of site or work order. I/We also agree that this tender will remain open for 180 days for acceptance by the Trustees of Port of Mormugao. I/We have independently considered the question of the amount of loss or damage likely to result to the Trustees from the delay on my/our part in the performance of the contract and I/We agree that the liquidated damages at the rate of (0.5%) of the contract price per week or part thereof delay in work subject to a maximum ceiling at 5% of the contract price represents a fair estimate of the loss likely to result from the delay.

3. I/We send herewith a sum of Rs.7,700/- (Rupees Seven thousand seven hundred only) as a deposit or earnest money of my/our willingness to enter into the contract if my/our tender is accepted.

4. In the event of my/our tender being accepted, I/We agree to enter into a contract in the prescribed form with such alterations or additions thereto which may be necessary to give effect to the acceptance of this tender and such contract shall contain and give full effect to the Specifications, Schedule of Quantities and Rates attached to this tender.

5. I/We also, agree if awarded the contract that the earnest money lodged with this tender will be retained by the Board of Trustees towards part of the Initial Security Deposit and to make further deposit by Bankers cheque/demand draft in the favour of FA&CAO, MPT, Headland, Sada payable at Vasco- Da- Gama, Goa by way of a Bank Guarantee, within (7) Seven days or such extension of the period permitted by the Chief Engineer, in writing, after receipt of information that my/our tender has been accepted by the Port Trust. The Board of Trustees will also have the option to retain the entire amount for Initial Security Deposit of 5% of the Contract Price in the form of Bank Guarantee.
6. I/We further agree, if awarded the contract, to lodge the Retention Money equivalent to 5% of the contract price of my/our tender by way of deductions from my/our bills at the rate of 10% of the gross value of work certified in each bill till the amount of 5% of the contract price is accumulated.

7. I/We agree to abide by this tender to be valid for the period of 180 days from the date fixed for receiving/opening the same and it shall remain binding upon me/us and may be accepted any time before the expiration of that period.

8. I/We hereby certify that my/our registration certificate under the Goa Sales Tax on the transfer of property in goods involved in the execution of works Contract Act, 1985 is in force on the date on which the sale of goods specified in this bill/cash memorandum is made by me/us and the tax under the act will be, if payable, be paid before furnishing my/our returns under the Act.

9. I/We have inspected the site and I am/we are fully aware of the work to be carried out while tendering for the contract.

10. I/We request that early payment of 100% of the amount of interim bills be made from time to time in advance of such bills being audited.

11. *(A) Mine is a proprietary firm and I am the sole proprietor of the firm. My firm is/is not registered with Registrar of firms.

   Name: ________________________________________________

ADDITIONAL INSTRUCTIONS TO TENDERERS

1. The tenderer shall assess and include the cost of material, labour, tools and plants and machinery/equipment for maintenance work that may be required to be carried out by him during the free maintenance period.

3. Tenderers are advised to go through the Schedule of Quantities and Rates and sequence of work before submission of the tender. They are also advised to inspect the site, ascertain for themselves the nature and the extent of work involved and also obtain all clarifications they may require before filling in the tender.

4. Tenderers are required to sign with date the Schedule of Quantities and Rates and the form of tender and fill in all the particulars and details called for therein. Unsigned tenders, without the details called for are liable for rejection.

5. Measurements
The quantities provided for in the Schedule of Quantities and Rates are only approximate and are given to provide a common basis for tendering. The actual quantity may differ as per site conditions. Payments will be made according to the actual quantities of work ordered and carried out, jointly measured by the representative of Chief Engineer and the contractor.

6. Rates and Prices to be inclusive.

The percentage rates stated in the Schedule of Quantities by the contractor shall include the provision of all supporting special equipment, labour of required skill, supervision, materials, erection, overheads and profits, watch and ward, insurance charges, during execution and every incidental and contingent costs and charges, whatsoever, including Income tax, Sales tax on works contracts, VAT, etc. if any, but excluding service tax for compliance with conditions of contract and specification. Service Tax will be paid extra as applicable along with the bills.

6a. Service Tax Registration for the bidder is mandatory. Bidder has to enclose attested copy of the Service Tax Registration certificate along with the tender. Service Tax has to be claimed extra as applicable while submitting the bills.

7. Time is the essence of contract and the entire work should be completed within a period of **30 days** as specified in the Schedule.
8. The Tenderer’s supervisory staff shall be fully experienced in the type of work to be carried out under their supervision.

9. After completion of work the contractor shall clean, clear the work site to the satisfaction of the Chief Engineer or his site representative.

10. The material procured for this work, shall be initially approved by the Engineer-In-Charge and the Chief Engineer by producing a sample of the material to be employed in the item of work. All catalogues, specifications may be provided for obtaining the approval of competent authority.

11. Contractor shall submit the following information in order to refund the EMD/ Retention Money/ Bank Guarantee/ Security deposit and payment of bills, etc.
   a) Name of the Bank and Branch
   b) Account Number
   c) Type of Account
   d) Permanent Account Number (PAN), ESI and EPF Numbers.

12. Tenderer should comply with all regulations of EPF, ESI, ALC, etc. No bill will be forwarded if the above regulations are not followed.

13. A sample of each material to be used in the work has to be presented for approval. Period of the work is inclusive of the days for producing the sample and obtaining approval, which has to be followed up by the Contractor accordingly.

14. In case the Tenderer desires to quote more or below 15% (Fifteen percent only) than the estimated cost of work put to tender, it shall be supported by the rate analysis for any or all the items of work on demand.

15. Any damage to the property caused during the execution of work shall be made good or compensated by the contractor.

16. After completion of day to day work the contractor shall clean, clear the work site to the satisfaction of the Chief Engineer or his site representative as directed.

17. Contractor has to arrange for finishing the damaged portion of the walls/ceiling with cement mortar or putty before completing the work prior to painting. No additional amount will be paid for this purpose therefore rate may be inclusive of such works.

18. The contractor shall engage a responsible person /supervisor to carry out the work at site daily with proper records of labour and materials The contractor’s supervisory staff shall be fully experienced in the type of work to be carried out under their supervision.

19. The special instructions given above shall prevail over those stipulated elsewhere in the tender documents forming part of the contract. The volume containing the instructions of Tenders, the General conditions, special conditions and Specifications forms an integral part of the tender document.

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

TENDER NO CE/ 20/2017

Name of Work: “Renovation to existing Ladies and Gents toilet at Officers’ Club (MRH-6) at Headland, Sada”

DIRECTIONS TO TENDERERS FOR FILLING THE SCHEDULE OF QUANTITIES & RATES.

1. Tenderers are required to fill in their percentage rate at the end of the Schedule of Quantities & Rates, in the space provided for the purpose and unless this is done, their tender will not be considered. Only one percentage rate on all Rates of Schedule of Quantities & Rates shall be named.

2. The Percentage Rate inserted shall hold good for all works under this contract, without reference to quantity or location of the work or the variation in the estimated quantity.

3. Quantity of each item of work mentioned in the Schedule should be noted and the item rate worked out carefully, having regard to the specifications before submitting the tender, as no variation in rates etc. will be allowed on any ground such as mistake or misunderstanding etc. after the tender has been submitted. The percentage rate, above or below the Schedule/Estimated rate, indicated at the end of the Schedule of Quantities & Rates, will apply to each item, of the tender and any excess in the item that may be directed to be executed by the Chief Engineer.

4. Tenderers are requested to note that though the contract is for percentage rate, they are required to add or deduct the amount due to this percentage, as the, case may be and work out the final figures(amount of their tenders), at the end of the Schedule of Quantities & Rates.

5. The Percentage Rate should be legibly written in figures as well as in words, in the space provided for Erasures or corrections in figures or in words, without Tenderers initials, will render the tender liable for rejection.

FORM OF PERFORMANCE GUARANTEE / BANK GUARANTEE BOND

In consideration of the Board of Trustees of Mormugao Port Trust (hereinafter called ‘The Board’) having offered to accept the terms and conditions of the proposed agreement between _______________________ and ______________________ (hereinafter called “The said Contractor(s)” for the work _________________________________________ (hereinafter called “The said Agreement”) having agreed to production of an irrevocable Bank Guarantee for Rs.___________ (Rupees __________________________________________ only) as a security / guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions contained in the said agreement

1. We, _______________________________ (indicate the name of the Bank) (hereinafter referred to as the “Bank”) hereby undertake pay to the Government an amount not exceeding Rs. ________________ (Rupees ______________________________ only) on demand by the Government.

2. We, ____________________________ Bank, do hereby undertake to pay the amounts due and payable under this Guarantee without any demur, merely on a demand from the Government stating that the amount claimed is required to meet the recoveries due or likely to be due from the said Contractor (s). Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this Guarantee shall be restricted to an amount not exceeding Rs. ________________ (Rupees ______________________________ only).

3. We, the said Bank, further undertake to pay to the Government any money so demanded notwithstanding any dispute or disputes raised by the Contractor (s) in any suit or proceeding pending before any Court or Tribunal relating thereto, our liability under this present being absolute and unequivocal. The payment so made by us under the bond shall be a valid discharge of our liability for payment thereunder, and the contractor (s) shall have no claim against us for making such payment.

4. We, the said Bank, further agree that the Guarantee herein contained shall remain in force and effect during the period that would be taken for the performance of the said agreement and it shall continue to be enforceable till all the dues of the Government under or by virtue of the said agreement have been fully paid, and its claims satisfied or discharged or till the Engineer-in-charge, on behalf of the Government certifies that the terms and conditions of
the said agreement have been fully and properly carried out by the said contractor (s), and accordingly discharge this guarantee.

5. We ____________________________ further agree with the Government that the Government shall have the fullest liberty without our consent, and without affecting in any manner our obligations hereunder, to vary any of the terms and conditions of the said agreement or to extend time of performance by the said contractor (s) from time to time or to postpone for any time or from time to time any of the powers exercisable by the Government against the said contractors(s) and to forbear or enforce any of the terms and conditions relating to the said agreement, and we shall not be relieved from our liability by reason of any such variation or extension being granted to the said contractor (s) or for any forbearance, act of omission on the part of the Government or any indulgence by the government to the said contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. This Guarantee will not be discharged due to the change in the constitution of the bank or the contractor(s).

7. We ____________________________ lastly undertake not to revoke the Guarantee except with the previous consent of the Government in writing.

8. This Guarantee shall be valid up to ________________ unless extended on demand by the Government. Notwithstanding anything mentioned above, our liability against this Guarantee is restricted to Rs. ________________ (Rupees ________________ only), and unless a claim in writing is lodged with us within six months of the date of expiry or extended date of expiry of this Guarantee, all our liabilities under this Guarantee shall stand discharged,

Dated the __________________________ day of __________________________ for __________________________ Bank.
